ABOUT THE RAILROAD.

Schedule That Doesn't Connect-

The eastbound passenger train on the p. m. Wednesday - Fair; warmer; southmain line was late yesterday, and the lick will be kept up, probably, until a C. E. Grabam is getting on today as change of schedule is made somewhere. Well as could be expected. By some inexplicable movement on the By order of the market committee Cerrailroad checkerboard the train is scheduled to leave Paint Rock 15 minutes before the train from Teamessec arrives. Of course the connection must be made, so the train is beld.

A complaint has already been filed with The Cirizen because of there being with The Cirizen because of there being

at complaint has already been her with THE CITIZEN because of there being no eating stations between Salesbury and Knoxville. What the passeng reets he must eat on the fly. It's a long

town and Paint Rock Sunday, but ore early next year, and is a candidate for of the trains does not connect with any-

bing.

By changes of schedule on the western system passengers from North Carolina points make close connection at Knoxville for Chattanooga and Memphis. Coming this way, too, there is close consection.

The latest Southern railway map has one thing of significance that may not be generally noticed. In the old days these maps gave the Norfolk and Western a moderately heavy I lack line. This latest map, however, put the N. & W. down to the smallness of a hair line. This is taken as another significant link in the abein of forts maining to the discretion.

The Chicago Mining Review of November 15 has a page article on Western North Carolina and the Southern rail-taken as another significant link in the abein of forts maining to the discretion. chain of facts pointing to the diverting of the Southern's business by way of Asheville ultimately.

Asheville ultimately.

The Chattanooga Times says: "The Norfolk and Western has all along reveled in the erjoyment of the traffic going north over the old East Tennesse. Virginia and Georgia road, but now that the latter has become the property of the Southern, which can ship its freight by way of Asheville to the North over the old Richmond and Danville branch, it is gast to see that the Norfolk branch, it is easy to see that the Norfolk and Western might well be looking out

A LUTHERAN MISSION. Rev. Prof. L. E. Busby Called By the Congregation at Asheville.

About two years ago Rev. Dr. F. W. this city and found a number of members F. P. Minnaugh.
