organization of a government in place of the provisional arrangement which followed the deposition of the Queen has been announced with evidence of its effective operation. The recognition usual in such cases has been accorded the new government.'

The President takes the following figures from Secretary Carlisle's report: The secretary of the treasury reports that the receipts of the government from all sources of revenue during the fiscal year ending June 30, 1894, amounted to \$372 802,468.29 and its expenditures to \$442,605,758,87, leaving a deficit of \$69,803,260,58. There was a decrease of \$15 952,674 66 in the ordinary txpenses of the government as compared with the fiscal of 1893. The value of our total dutiable imports amounted to \$275,199,086, being \$146,655,625 oss during the preceding year, and the importations free of duty am unt d to \$379,795,536, being \$64,748 675 less than during the preceding year. The total tax collected from distilled spirits was \$85,259,250 25, on manufact red ural census may be taken each year authority for bond issues is allowed than at present just such authority will be

aga ust \$2.204.651,000 on the first day of November, 1893, and the money of all ization as something that should be used in establishing party principles instead of population of 68.887,000.

It is estimated that on the first day of July, 1894, the stock of metallic money in the United States, consisting of coin and bullion, amounted to \$1,250,640, and bullion, amounted to \$1,250,640, some others will probably soon be instanced by the stock of which \$627,923, 201 was gold some others will probably soon be instanced by the provided to repeal all lawsprovide used in establishing party principles instead of dietating the distribution of used of dietating the distribution of United States bonds as security for circulating notes, one exceeding in amount 75 per cent. of their paid up and unimpaired capital, provided to repeal all lawsprovide ing for the deposition of United States bonds as security for circulating notes, one exceeding in amount 75 per cent. of their paid up and unimpaired capital, provided to repeal all lawsprovide ing for the deposition of United States bonds as security for circulating notes, one exceeding in amount 75 per cent. of their paid up and unimpaired capital, provided to repeal all lawsprovide in grant provided
