PLATT MEN THREATEN A BOLT

MORTON MEN NOT TO BE UNSEATED ARBITRARILY.

So Far All the Contests Have Been Settled in McKinley's Favor—Cutting Short the Oratorical Efforts of Contestants—Minnesota's Action.

St. Louis, June 12.—There was open talk among the New York men this morning of a bolt from the convention if the eight contests in the New York delegation are decided against the Platt delegates. The Platt friends seem to be under the impression that the contestants in New York who favor McKinley's nomination will be seated, and they have hesitated in saying that such a course will justify them in any act they may take to preserve their respect. These gentlemen assert that McKinley cannot be elected without the electoral vote of New York. They recall the defeat of Judge Folger for the governorship in 1882 by 190,000 majority because one delegate went to the State convention on a forged proxy. They reason therefrom that, if such a spirit of resentment could be aroused by a circumstance so comparatively unimportant, much greater ill feeling would assuredly be engendered by what they term a "wholesale robbery of seats."

Ex-Senator Platt does not say that he and his friends will leave the convention hall in such a contingency, but he leaves no doubt upon an inquirer's mind that such a course would be justified.

Every member of the national committee was in his seat or represented by a proxy when the body reconvened at 10:30. As soon as Chairman Carter had called his associates to order, Committee Chairman N. B. Scott of West Virginia asked the committee to give its serious attention to the fact that, while this was the third day of the session, only 60 contests so far had been passed upon, and 108 still remained upon the order of business. This he said, in view of the short time remaining to the committee, was a serious outlook, and it became absolutely necessary to accelerate business. He therefore moved that McKinley be allowed but 10 minutes for presentation of his case. This was adopted by a vote of 25 to 17.

Some time ago a man called on Capt. W. T. Weaver, owner of the Maxwellton, and represented that he wanted to open a recruiting office of the U. S. army. He selected a suitable room, making a show of being careful to get proper light and arrangements for his work. He told Capt. Weaver that owing to certain red tape that had to be observed in getting money from his superior officer he had not the necessary amount to pay a month's rent, and on his request the owner made an agreement for a week.

The Coleman left for Asheville, arriving yesterday afternoon. They are guests of the Battery Park hotel, and will remain a week or more.

Mr. Coleman is a bright young newspaper man, being editor of the Cedar-town Standard and president of the Georgia Weekly Press association. He enjoys the double distinction of being the youngest newspaper man who has held the presidency of the association, and the only one who has been twice elected to that position.

STATE HOSPITAL.
More Room Needed at the Institution at Morganton.

Capt. Jas. P. Sawyer, who was at Morganton this week attending the regular quarterly meeting of the board of directors of the State Hospital, of which he is president, says that the question of more room at the institution was again discussed. Room for women patients is especially needed, he says, and if any more are admitted must be sent away. There are now 668 patients in the hospital. Capt. Sawyer thinks the matter of increased accommodation should be agitated by the State papers and brought before the attention of the legislature when it again assembles.

At the meeting delegates were appointed to attend the second meeting, Asheville, September 16, of the Association of Southern Hospitals for the Insane. Drs. Murphy and Taylor and Directors Sawyer and Caldwell were appointed to represent the hospital.

NEW HIRING INSPECTOR.
W. H. Bird Chosen by the City Board of Health.

At the meeting of the Board of Health last evening in City Hall W. H. Bird was chosen sanitary inspector. With the exception of Dr. H. B. Weaver all the members of the Board were present. When a vote was taken Mr. Bird received two votes and the present incumbent, Capt. B. F. Rives, also received two. Mayor Cooke cast his vote for Mr. Bird. Dr. Fletcher and Finance Committee members Jones voted for Capt. Rives, while Drs. Hilliard and Jordan voted for Mr. Bird.

A member of the Board today told THE CITIZEN that Capt. Rives has given entire satisfaction as an official. He has served two years. During the past year his collections were increased \$500 or \$600 over previous years, while the expenses of his department were reduced about \$400.

Coming Baseball.
The Y. M. C. A. baseball team continues to flourish, and a number of games may be expected this month. Besides the game Saturday with Newport, arrangements are being made with the Waynesville team for games on the 22d and 23d inst., while the home team will go to Waynesville on the 24th, the date of the A. L. excursion. A game will probably be arranged with Morris-town, Tenn., for the 21st, and with Knoxville on the 16th and 17th.

The afternoons will be devoted to recreation. Some of the evening sessions, sunset meetings, will be held out doors before the time of commencement of the meetings, and will return upon the close of the exercises. For the inductive Bible class at 11:40, which is open to ladies of the city, the bus will leave at 11:15.

ONLY ONE SMALL WORD.
But It Made a Vital Difference in the Story of the Killing.

The intelligent compositor and proof-reader combined yesterday to make THE CITIZEN say something in the report of the killing of Sam Henry that was exactly the reverse of what was written. In quoting Dave Israel he was made to say "As God is my witness I did want to hurt Sam," etc. What Israel did say was that he did not want to hurt Henry. Fortunately, the context was such as to make it plain to the reader that there had been an omission.

FROM THE TELEGRAPH.
The Republic of China has testified his appreciation of the gallantry shown by the blue-jackets of the American warships in rescuing drowning persons in the disaster resulting from the collision at Woo Sung by presenting to the captain of each American cruiser in Asiatic waters an elaborately engraved and highly complimentary testimonial.

At the Democratic primaries in Hamilton county, Ohio, which includes Cincinnati, the free silver men secured all but two of the 68 delegates. They cast 5,755 votes, against less than 500 for the gold standard.

The Ohio Supreme court recently held that a railroad company has no right to take up a mileage book from a person other than the original purchaser after the full payment had been received.

The London Yachting World and Yachtsman agree that Emperor William's yacht Meteor is far superior to anything on that side of the Atlantic.

Francis Rhodes declined to sign the conditions required by President Kruger and the sentence of banishment is enforced against him.

The Chinese minister recently entertained members of the Women's Home and Foreign Missionary society.

RUSSELL'S RESIGNATION IN HAND

IT HAS NOT YET BEEN ACTED ON, HOWEVER.

This Points Towards Guthrie and Rep.-Pop. Fusion all Along the Line—Russell to Be Consulted By an Office.

RALEIGH, June 12.—[Special.]—State Republican Committeeman Jim Young says a majority of that committee favors taking down the North Carolina Republican electoral ticket and putting up a free silver ticket. He says further that, after the Republican national convention adjourns, McKinley and the national committee will be asked to assent to this change. If they assent, all right; but if not, the change will be made any way.

Ed. Chambers Smith insists that Russell's resignation is in hand, but is tentative and not yet acted on.

Loge Harris says what the Populists want is the electoral ticket, and that this must be given them sooner or later, or the Republicans will surely lose the State. He declares that if given this Populists will vote for Russell. Many Populists declare that the odds yet are in favor of three tickets.

It is also said that, if Russell comes off, he will do so with the understanding that he is to have some good office, say a ministership abroad, perhaps to Mexico, if the Republicans carry the national election.

J. R. HICKS IS HERE.
Boarding Now With Mr. Jamison—Has Nothing to Say.

J. R. Hicks, accompanied by Deputy Sheriff F. M. Jones, arrived this afternoon from Tuscola, Ill. By the prisoner's request the officer took a carriage for the city jail. All along the route Hicks kept up a lively conversation, but would say nothing for publication.

"It is bad policy," he said, "and I shall let someone else do my talking." Hicks had nothing to say regarding his trouble to Deputy Sheriff Jones since they met in Tuscola, except to remark that he could pay all he owed.

As the carriage neared the jail Hicks made several jocular remarks about his prospective boarding-house, and when the jail had been reached he asked jailer Jamison how much he charged for board. He took everything philosophically, and has since been the officer left Tuscola, Ill., Wednesday night.

"He has acted the perfect gentleman," Mr. Jones said.

As yet Hicks has retained no counsel and there will be no preliminary hearing for several days perhaps.

TWO COURTS.
Judges Simonton and Seymour Will Preside Next Week.

Judge Simonton announced at the morning session of the United States court today that Judge Seymour of the United States District court would arrive here next Monday. Then there will be two courts sitting in different rooms in the government building.

Judge Seymour will try equity cases principally. The judges will so arrange the cases that no two in which the same attorneys and witnesses are interested will be tried at one time.

The trial of the ejectment suit of the Tennessee-Virginia Coal Co. vs. Newman, involving 59,000 acres of land in Mitchell and Watauga counties, will take up several days yet. The counsel are: For the plaintiffs, Moore & Moore and Duff Merrick, Asheville; F. J. Sinclair, Marion; J. B. Richmond, Gate City, Va.; and Thos. Love, Burnsville; for the defendant, Jones & Barnard and T. H. Cobb, Asheville; J. W. Bowman, Bakersville.
