## FRANKFORT BATTLE STILL ON

**MAYOR G. D. TODD OVER-A-NIGHT CANDIDATE.**

**He Withdraws Early in His Fight—The Race is Now an Open One With St. John Doyle in the Lead Perhaps.**

FRANKFORT, Ky., April 21.—It was about 8 o'clock last night when Mayor George T. Todd of Louisville announced that he was a candidate to succeed Dr. W. Godfrey Hunter as the Republican nominee for United States Senator. Shortly after 8 o'clock this morning he announced that he had withdrawn from the race. Mayor Todd's withdrawal from the race is said to have been due mainly to the fact that the friends of Senator W. J. DeLoe had assured Dr. Hunter of his future political death if he violated the pledges of support that he had given to DeLoe, as it was understood yesterday afternoon that Todd entered the race with the support of Hunter.

Some speculation has been indulged in regarding the vote of Norman, Baird and Stout, the three sound money Democrats who have been voting for Hunter, in the event of a new nominee on the Republican side. Mr. Baird said this morning he would probably vote for a Republican nominee, no matter who he was, if his vote could elect him. Mr. Stout said he was in favor of Henry L. Martin. Mr. Norman declined to talk.

The race for the nomination is now regarded as an open one, with the chances in favor of Col. St. John Doyle, Senator W. J. DeLoe and Judge W. H. Holt.

Today's ballot showed: Hunter, 56; Blackburn, 41; Martin, 12; Doyle, 6; Stone, 1, necessary to a choice, 60. Hunter has just requested the calling of a joint caucus for tonight to receive a communication from him.

## DR. J. H. BROOKES.

**A Tribute to the Great Divine From an Asheville Friend.**  
Rev. James H. Brookes, D. D., notice of whose death in St. Louis was printed in The Citizen Monday, had many friends in Asheville, having spent a portion of last year here, accompanied by Mrs. Brookes. They were guests of Robert U. Garrett of Victoria.

A correspondent of The Citizen, signing himself "His Spiritual Grandchild," sends the following tribute to Dr. Brookes:

"The dispatch in Monday's Citizen announcing the death of Dr. Jas. H. Brookes of St. Louis will bring sadness to the hearts of many in Asheville who knew him. Dr. Brookes unquestionably stood among the foremost bible teachers within the bounds of the church of Jesus Christ. Uttering in his defence of the verbal inspiration of the scriptures, bold as a lion in his assaults on sin and out of the professing church, and ardent in his proclamation of the soon coming, personal, pre-millennial second advent of the Savior, he has been a power for God and the truth. Long will his plain, blunt, ringing words be remembered, and his books and tracts be read with profit by students of the Word. He was president of the Believers' meeting which assembles annually at Niagara-on-the-Lake in Canada; he edited The Truth, a monthly magazine set for the defence of the gospel, and his influence has been and will be felt throughout the whole earth. Many thought him at times rough and harsh in his utterances, but his intimate friends know his heart was tender as an infant."

"How is the mighty fallen!" Many in this land will drop a tear over his dead form, then lay him in his grave to await the first resurrection, and thank God from the heart that Dr. Brookes ever lived. It is significant that the column of The Citizen which announced his death was filled with the report of the opening wars in Europe, perhaps the beginning of the end which he has so faithfully predicted. His testimony is ended."

## TURKS STILL WINNING

**They Fight Their Way Into Important Greek Ports.**

## KING GEORGE IS INTERVIEWED

**CHARGES TURKEY WITH BRINGING ON THE WAR.**

The Sultan's Forces Occupy Tynavos South of the Frontier Line—Fears of a Revolution at Athens.

LONDON, April 21.—A special dispatch from Constantinople this afternoon reiterates the statement that the Turkish forces occupied Tynavos [also called Turnavo and Tynavos], 10 miles north of Larissa, yesterday.

GREEKS FLEEING.  
LONDON, April 21.—A dispatch received here from Constantinople at the Turkish legation last night announced that the village of Kriehora, in Greek territory, had been occupied by the Turks, and that the Turkish division commanded by Nechal Pasha, operating against Tynavos and Larissa, has carried all the positions commanding the plain of Larissa. At Kriehora, and at Badji the Turks captured many prisoners and quantities of arms and ammunition.

The Greeks who were defeated in the Milouna pass are reported to have fled in a westerly direction, and also towards Larissa.

## A TURKISH ACCOUNT.

WASHINGTON, April 21.—The Turkish legation received an official dispatch from Constantinople at an early hour this morning, as follows:

"The village of Kriehora has been occupied by the imperial troops. The division of Nechal Pasha fought until half past 11 (last night), and took possession of all points commanding the plains of Larissa. The quarters at Badji, 12 prisoners and a great quantity of munitions of war have been taken."

The difference in time between Constantinople and Washington (about seven hours) accounts for the receipt of the dispatch sent from Constantinople this morning. It was sent about 9 a. m. Constantinople time.

## GREEKS FEAR A REVOLUTION.

LONDON, April 21.—The Rome correspondent of the Pall Mall Gazette telegraphs to his paper this afternoon that a dispatch had been received from Athens expressing fear that should the Greeks suffer further reverses and the Turks occupy Larissa, a revolution will break out at Athens.

## INTERVIEW WITH KING GEORGE.

PARIS, April 21.—The correspondent of La Journal, at Athens, had an interview with King George of Greece at the palace yesterday. His Majesty is quoted as saying that he believed, to the last moment, that peace would be maintained, and that he did his utmost to bring about a pacific solution of the matter in dispute.

The King denied that Greece commenced hostilities against Turkey, and argued that Turkey was not compelled to go to war because of the incursion of a few irregulars whom nobody could have restrained. Continuing King George said:

"The truth is, we were attacked because Turkey was ordered to attack us. They never would have been war for certain intrigues which will appear later. All the powers are more or less against us. If they wanted war they have got it. Such is the result of the European concert."

"Europe must understand that after forcing us to war there can be no question of limiting our fleet is destined to take an important part, as will soon be learned. Greece understands that she must either be victorious or disappear."

## REINFORCEMENTS FOR GREECE.

HOME, April 21.—Ricotti Garibaldi, son of the famous General Garibaldi, accompanied by a Garibaldian veteran, Col. Gattorno, has sailed for Greece, and will take part in the war against the Turks. ## A THIRD TERMER.

**The Story of Tom Hoskins, Who is Happy in the Chain Gang.**  
Students of criminology and the laws of heredity will find food for study in the story of an inmate of Superintendent Smith's squad of the county chain gang. The story is brought by W. P. Brown, esq., who with County Physician E. C. Starnes visited Capt. Smith's camp yesterday.

The prisoner in the case is Tom Hoskins, a negro. He was born in the penitentiary, and his acts indicate an irresistible desire to get back there. Although Hoskins is only 20 years of age he is now serving his third term on the chain gang for larceny. He is a four years man, having been sent up about nine months ago for the robbery of Capt. A. J. Farrar's residence. He told Mr. Brown that when he entered Capt. Farrar's room the Captain awoke. The chief flattened himself against the wall and held as much of his breath as he could while the Captain returned to slumber. Then, Hoskins said, he fell asleep himself, standing up, and when he awoke the chickens were crowing for day.

Hoskins is apparently as happy in his confinement as he would be were he free.

## AGAINST GRADED SCHOOLS.

**Special Tax Defeated at Monroe—The Negro Solid Against It.**

MONROE, N. C., April 20.—The election for graded schools passed off today, and the tax for schools was defeated by a vote of 180 to 72. Early in the day it was found that the negro was voting almost to a man against schools, and that the liquor dealers were living up to their pledge to defeat the schools because of the dispensary law. No effort was made during the day to get out the vote for the schools, the work being all done by the opposition to the tax.—Charlotte News.

D. B. Sutton Goes Over, Because He Failed to Come His Way—Division Among Democrats Over the Lease Matter—Issue of Liquor Licenses.

## JOINED TO ANTI-RUSSELLITES

**THE GOVERNOR CRUELLY GIVEN MARBLE HEART.**

A leading Democrat says that in the east among Democrats in the country, there is a great deal of division and considerable stir by reason of the North Carolina railway lease question. The party, so far as the rural vote is concerned, is divided on the matter. The inquiry was made if the Republicans were also divided, and it was stated that they were not.

The tail is haped like a two-bladed propeller. In the top of the head is a blowhole. The pig-like eyes are on the side of the head, which bulges over, and below the bulge projects the queer snout, which is the mouth.
