### SHOES!

We do not often reflect what a devoted friend we have in the shoe—how it protects the foot against thumps, bruises, wounds and cuts, from the burning sun and rains of summer, the frost and snow of winter; how, also, it protects our bodies from disease, and often saves our very life and limb in slippery places. In selecting shoes, then, select them as you would a friend—with care, with attention, and if you do this you will find our store will suit your wants.

### POPE'S GREAT INFLUENCE

It Has Been Exerted at Washington for Peace.

### SAVE SPANISH DYNASTY

### THE UNITED STATES AFTER OTHER WARSHIPS.

Again it is asserted that Spain May Get the O'Higgins, But She Won't—Drafting—An Enlistment in New Orleans.

LONDON, March 15.—The Pall Mall Gazette publishes a dispatch from Rome, which says there has been a recent exchange of communications between the vatican and Spain regarding Cuba and its relations with the United States. The Pope, it is added, is ready to do everything in his power to prevent hostilities, "which might be fatal to the Spanish dynasty."

Continuing the dispatch says: "The vatican has specially exerted its influence at Washington and tried directly and indirectly, to dissuade the United States from plunging into war with Spain."

"Referring to information here, if the offices of the pontiff are accepted he will propose that Cuba remain under the dominion of Spain, but be ruled on the lines of an English colony."

FOR ANOTHER WARSHIP. The United States is negotiating for the purchase of Brazilian warship "24 De Maio," formerly the Aquilaban, the flagship of Admiral Mello, lately reconstructed in England.

It is reasserted today that the Spanish government has secured the Chilean battleship O'Higgins.

FOR THE MAINE VICTIMS. WASHINGTON, March 15.—At the opening session of the House today the speaker recognized Boutelle, chairman of the naval committee to call up the bill for the relief of the victims and survivors of the Maine disaster. The bill provides for the payment to the heirs of those who lost their lives a sum equal to 12 months' sea pay of the deceased and reimbursement to the survivors to the value of the personal effects lost, not to exceed a sum equal to 12 months' sea pay.

Loud, Republican, California, objected to consideration of the Maine relief bill. It was finally agreed to consider the bill after the postoffice appropriation bill had been disposed of.

CREW FOR THE AMAZONAS. WASHINGTON, March 15.—It is stated at the Navy Department that the San Francisco is not going to take a southerly course, but has been ordered to Great Britain, where she will make up a crew for the Amazonas, the Brazilian cruiser purchased by the United States. It is the present intention to have the San Francisco convey the Amazonas across the Atlantic, but this purpose is not a fixed one yet.

WAITING FOR THE BOARD. The Senate committee on naval affairs had under consideration a resolution instructing it to make an investigation into the Maine disaster and to decide by a vote of 6 to 5 to postpone action for the present.

THE NEW BOATS. The two Brazilian vessels will be extremely useful additions to the United States navy in either war or peace in the opinion of Secretary Long. They are steel sheathed and coppered, with twin screws. The Amazonas is rated at 3600 tons displacement, with an indicating horse power under natural draft of 5900, which is calculated to develop 20 knots speed. Thus, while the ship is about the size of the Charleston, she is much faster.

WE'LL HAVE THE O'HIGGINS. At today's cabinet meeting a large part of the time was consumed in general discussion of measures being taken to place the navy on a proper footing. The question of the purchase of war vessels was talked over, but without coming to any definite conclusion on any new propositions. Information in possession of the government is to the effect that up to this time Spain has not consented to the purchase of the Chilean warship O'Higgins. The indications, it is stated, seem that this ship is also to become one of the United States navy.

WAR NOMINATIONS. The President has sent these nominations to the Senate: War—promotions in commissary general office, subsistence department: Lieutenant Colonel C. P. Eagan to be colonel; Major N. J. Clague to be lieutenant colonel; Capt. A. L. Smith to be major; First Lieutenant A. D. Niskern, 2d infantry, to be captain. Navy—Pay Inspector Jas. E. Tolfree to be pay director.

HEAVY GUNS. NEW YORK, March 15.—Representatives of the government visited Fort Wadsworth and secured valuable land adjoining the new fortifications. Extra gangs of mechanics and laborers have been put on with orders to rush the completion of the three heavy batteries, which, when completed, will mount the heaviest disappearing guns in New York harbor.

A draft of 33 men for the Columbia and Minneapolis at League Island has been sent from the Brooklyn navy yard.

IT'S A WAR PLAN. All women, and all children under 16 years old, have been ordered from Sandy Hook. The wives of many of the workmen left yesterday. Hundreds of masons, carpenters and other mechanics are working on the additional quarters needed for the artillerymen.

PLENTY OF FIGHTERS. NEW ORLEANS, March 15.—An enrollment office was opened this morning at the custom house in charge of Lieu-

PLENTY OF FIGHTERS. NEW ORLEANS, March 15.—An enrollment office was opened this morning at the custom house in charge of Lieu-

tenant Com. Hawley, Chief Engineer Webster and Surgeon Persons. Long before the officers were thrown upon sea-battered men gathered before the doors and throughout the morning the crowds increased. Among those who presented themselves the enlistment officers find abundant material. All applicants are subjected to a rigid examination. The promise is that the desired complement of men for the navy can be easily obtained here.

AT HAVANA. HAVANA, March 15.—Up to 10 o'clock this morning nothing had been heard concerning the death of Mrs. Thurston, who died yesterday on board the American yacht Anita at Sagua. The Anita left Sagua at midnight with the body for Key West.

RELIEF COMMISSIONER KLOPSCH is developing great activity.

FEARING A BOMBARDMENT. LISBON, March 15.—The cruiser San Francisco has sailed in a southerly direction. The War Department has decided to complete the defenses of the port of Lisbon as speedily as possible.

FOR SPAIN. BIRMINGHAM, Eng., March 15.—The Kynochs company has already dispatched part of a large Spanish order for special projectiles, standing 4 1/2 feet high, the largest ever made by them.

HAVENT SAID A WORD. BERLIN, March 15.—The North German Gazette denies that Germany has received any inquiry from the United States in regard to her attitude in the event of war.

FITZHUGH LEE, JR., RETURNS. It is thought that he brings a message to the President.

TAMPA, Fla., March 13.—Fitzhugh Lee, Jr., son of Consul General Lee, arrived here late this afternoon on the steamer Olivette from Havana. He made the following statement: "I have been in Havana only 10 days, having gone there to visit my father on my regular winter vacation. While in Havana I ascertained a number of facts concerning the present strained situation between Spain and the United States. I am of the opinion that war between the two countries is imminent, notwithstanding the fact that diplomacy will be taxed to its furthest limit to prevent it. The Maine disaster and the attitude of the United States government upon the bankruptcy question will be the chief incentives. While the report of the board of inquiry, now at work in Havana investigating the Maine disaster, has not been made public, their determination is probably known to the officials."

Mr. Lee left tonight for Richmond, where he will remain a few days before going to Washington. He denies absolutely the report that his father is in any danger of violence and, for the sake of the peace of the United States, consulates a guard of eight men detailed from the regular Spanish army.

Passengers arriving from Havana with young Lee say that the impression prevailed in Havana that he was the bearer of an official report from the United States to President McKinley, and also of important reports from his father to the Secretary of State.—N. Y. Sun.

TAYLOR TO JONES. Hot Shot of the Kind the Evangelist Loves to Hurl. NASHVILLE, Tenn., March 15.—Sam Jones in his sermon Monday night criticized Governor Taylor for his free use of the pardoning power. When he was asked about the matter the Governor said: "I think it comes in poor taste for Sam Jones to talk this way. Had it not been for the pardoning power Sam Jones would have been in hell long ago. I have only about 10 months to serve in the governor's office, and during that time I expect to do whatever I think is right and for the best interests of the people, and all the devils in or out of hell can't keep me from doing my duty as I see it."

SHOT GEORGE S. RYE. The Killing Grew Out of Stock Transactions Possibly. WASHINGTON, March 15.—Dennis J. Canty, formerly clerk in the Interstate commerce commission and later partner with Herman Van Selden, private secretary of Secretary Carlisle in the stock and grain brokerage business, today shot and killed George S. Rye, a speculator.

It is assumed that the killing grew out of some stock transactions and perhaps may have been connected with the failure several months ago of Canty & Van Selden. The firm was not a member of the New York stock exchange, but did considerable business.

FRANCO-GERMAN RUCUS. It Was on a Small Scale and No Blood Was Shed. NANCY, March 15.—The German captain of the customs guards and one of his subordinates crossed the frontier Monday, advancing 15 yards beyond the boundary line. A body of French workmen attempted to arrest the Germans, and one workman struck the German officer with a stick. The officer drew his sword, and ordered his subordinates to load his rifle. Both Germans then withdrew to the boundary and confronted the Frenchmen.

The affair is being investigated.

PARIS, March 15.—Spanish 4s are quoted at 53, against 52, the closing yesterday.

MADRID, March 15.—Spanish 4s are quoted at 75 against 76.90 yesterday.

### The Terms of the Populist Call Were Not Suggested by J. C. L. Harris—Old Confederates Ready—Rain.

RALEIGH, N. C., March 15.—[Special.]—The Supreme court recently decided that the legislature had no right to give the Western Criminal court jurisdiction in civil suits. Now Auditor Ewart has held up a warrant for Ewart's salary, and will ask the attorney general's opinion as to whether the Supreme court's decision affects Ewart's pay.

Governor Russell has received the following letter from Col. John Winder Atkinson of Wilmington: "I have the honor to tender my services as colonel of artillery, to take command at Fort Caswell should the President call upon me for troops. During the civil war I was for more than four years in command of several of the forts near Richmond and I believe the experience with heavy guns would enable me to render effective service for our government should war result from the present complications with Spain."

L. W. Minor of Oxford, ex-captain Co. E, 3d regiment of the guard, tenders his services in any capacity. Dr. E. H. Blount writes as follows: "Should war be declared between this country and Spain I want it distinctly understood that I am in it! I entered the Confederate service in April, 1861, at the advanced age of 16 and served through the entire unpleasantness, coming out of it with the rank of captain and those who signed my papers for any active duty that may be assigned to me should there be a call for troops."

It is said that the name of the young man who is to be Governor Russell's new executive clerk is Fowle and that he is a kinsman of the late Governor Fowle and also of Mrs. Fitzhugh Lee.

There was a called meeting of the railway commission yesterday. It was held at the executive mansion. Today is also the date for the hearing of exceptions by the three great railroads to the proposed reduction of passenger rates by the commission.
