THE CHOICE OF THE PEOPLE. How a "Citizen" Correspondent Thinks it Should Be Reached.

EDITOR THE CITIZEN: -As long as the Democratic party is not permitted to elect candidates who represent the hoice of the people, but allow themelves to be dominated by caucusses and ward politicians, just so long will be liable to defeat. The so-called prinaries are nothing but ward convenons, managed by a few who are by no eans the representative men of the arty or of the city We can never obtain the choice of the eeople except by a free ballot. Let an election be held and evry citizn vote or his choice from the candidates who ffer, the one receiving the majority of

otes cast to be the nominee. It will not do to advance the idea that people will not take the trouble to ome out to vote. They have never had he opportunity offered, as properly onducted primaries have never pre alled. Numbers do not attend now--days because not being politicians, hey are not up to the tricks of the proession and are not disposed to rought in contact nor wrangle with
