GOT INTO TROUBLE A Young Man Who Formerly Lived in Asheville

The following item in regard to oung man who was secretary to Chief Clerk Acee of Superintendent Loyall's office until recently, is printed by the Charlotte Observer:

"Holland R Pollak, who left Charotte three weeks ago, has been arrested and jailed in Atlanta, Ga., for stealing clothes-unlimited clothes from various people in that city.

"Pollak came to Charlotte from Asheville on January 20. He is a good stenographer and easily procured a position with the Sou/hern railway. At the end of the week he was discharged for laziness. He returned to Asheville, but finding that he could not get his former position he again came to Charlotte. After he had remained here a week he left town; but his trunk was held at his boarding house, on account of an unpaid bill.

While he remained in this city Pollak's room adjoined the room of Mr. Baird, who is employed in Mr. R. H. Jordan's drug store. Mr. Poliak was M. Redmon, W. W. Young, Frank persons in Charlotte and he and Mr. persons in Charlotte; and he and Mr. Baird became friends. As the intimacy increased Mr. Baird noticed that from time to time he missed small articles from his room, and finally the limax was reached when his bran new blue serge suit disappeared. But he suspected nothing until Pollak had gone. Then Mr. Baird and his roommate, Mr. Dozier, made a key to the runk of their absent friend.

Inside the trunk they found Mr. Baird's new suit and much clothing beonging to Mr. Dozier. They also found Mr. Baird's prized collection of photographs. The other purloined things that they discovered in the trunk included collars, combs, brushes and various other articles that grace a dressing case. So it is that Messrs. Baird and Dozier were not at all surprised when they heard of Pollak's taking other folks' raiment in Atlanta.

SUNDAY CHURCH FIRE.

Slight Damage Done to the French Broad Baptist church

The fire department responded to an alarm yesterday afternoon at 6:35, and found that the interior of the French Broad Baptist church,on French Broad avenue, was ablaze. The fire was extinguished after having done about \$100 damage to the floor and ceiling of the building.

The heating flue had fired a part of he wainscoting and plastering had to be torn away before the fire could be extinguished. The blaze was darting up the wall when the firemen appeared. The alarm bell did not ring, owing to spring being out of place. The alarm registered, however, and the gong sounded. The apparatus is tested at oon each day except Sunday. Had it been tested yesterday, the would not have occurred.

On the other hand it is asserted that the Boers will make a stand at Glencoe and Laing's Nek and that in the meantime the entrenchments at Pretoria are being extended in anticipation of a siege. A conference between the Boers' president, it is added, and the general commanding the Boers in northern Natal was hurriedly arranged on re-

Until Thursday night confirmation of MISSIONARY HOUSE the surrender was withheld from the public, Kruger sent a fervid religious appeal with orders that it should be read by all officers to the burghers, urging them to stand fast and strive in the name of the Lord, for unless they had faith in Him cowardice would set in and their position would be hopeless the moment they turned their backs on the enemy. Their past victories, he declared, showed the Lord was on their side.

New York March 5 .- A special to the Pribune from Washington says: Naval officers have been astounded to learn that they may have no rights at Dry Tortugas, where the sum of over half a million has been expended in establishing a coaling station and rendezvous commanding the southern and gulf coast at West Indies and where there is now being rapidly prosecuted the establishment of what is regarded as the most important strategic base between the Chesapeake and Central

At Tortugas the army had erected the most formidable fortifications. When Cervera's fleet left Spain the president promptly had Fort Jefferson on the Tortugas garrisoned to hold as base, thereby enabling the blockade of the northern shore of Cuba to be maintained. Since that time naval contractors have been continually engaged in completing the great station.

Under the cimcumstances Secretary Long was astonished the other day to receive an official communication from the treasury department notifying the navy to stop work and get its men away from Tortugas by April 1. as Surgeon-General Wyman of the marine hospital service is looking for a good deal of yellow fever and bubonic plague this spring and will have to use Fort Jefferson, which cost \$5,000,000, as a
