THEO. F. DAVIDSON
FOR GOVERNOR

Buncombe County Presents
Him for the Nomination.

Work of the Convention of
County Democracy.

RESOLUTIONS CONDEMNING THE
PEARSON CONTEST, AND EN-
DORSING THE PROPOSED
SUFFRAGE AMENDMENT.

The gathering of Buncombe's Dem-
ocracy in county convention was called
to business at noon today by Chairman
J. D. Murphy and the call to order
faced one of the most representative
bodies ever convened at the people's
call.

In his remarks prefacing the organi-
zation of the convention Chairman
Murphy called attention to the fact
that a entire new registration would
be held for the coming election and he
briefly outlined the cogent points of the
new election law. He stated that cop-
ies of the law would be mailed
throughout the county.

Chairman Murphy congratulated the
Democracy upon the splendid efforts
put forth in the last campaign and
said that the harmony prevailing
throughout the entire state augured
triumphant success for the banner of
white supremacy in the coming con-
flict.

In the nominations for officers of the
convention Mark L. Reed was chosen
temporary chairman and J. P. Kerr
was made temporary secretary.

The temporary organization was
made permanent by acclamation and
the work of the convention proceeded
under full representation of the pre-
dicts of the county.

FOR GEN. DAVIDSON.
L. M. Bourne, from the Fifth Ashe-
ville precinct, offered the following re-
solution:

"Resolved, That the delegates from
Buncombe county to the Democratic
state convention are hereby instructed
to urge upon that convention the expedi-
ency and necessity of electing a
candidate for the governorship from
the western part of the state, to pre-
scent the name of Gen. Theodore F.
Davidson, as that of the strongest
leader for that position, and to use all hon-
orable means and to exert every legiti-
mate effort to secure the nomination
of General Davidson as the standard
bearer of the Democracy in the coming
state campaign."

E. B. Atkinson offered a motion that
the name of J. M. Campbell be added
to the resolution for the position of
railroad commissioner.

W. W. Jones offered an amendment
that the name of B. R. Lacey be in-
cluded as state treasurer.

J. M. Campbell addressed the con-
vention and in his remarks stated that
the fact of the delegates from
Buncombe might militate against
either or both gentlemen and requested
that his name be withdrawn. B. R.
Campbell said that above all matters in
the election the amendment was to him
above all else, and that for the success
of the central candidate he was ready to
stake all interests.

Discussion followed on the amend-
ment endorsing Mr. Lacey and urgent
appeals were made by James Ransom,
W. A. Baker, W. O. Jones and O. R.
Jarrett that such instructions should
be given the delegates to the state
convention.

FOR B. R. LACEY.
J. D. Murphy read the following let-
ter from the Central Labor Union:

"The Central Labor Union of Ashe-
ville, N. C., at their meeting of March
5 unanimously endorsed the Hon. B.
R. Lacey for state treasurer, and most
respectfully ask the Buncombe county
delegation to cast their entire vote for
Mr. Lacey at the state convention.
Respectfully,
Wm. Francis, recording secretary."
Mr. Murphy pledged himself to read
the letter of the union in the conven-
tion.

Mr. Jones withdrew the name of Mr.
Lacey when Mr. Murphy's statement
had been made.

The resolution endorsing General Da-
vidson was then unanimously passed.
W. M. Nettles and J. C. Curtis were
appointed to notify General Davidson
of the action of the convention.

PEARSON CONTEST.
The following resolutions were read
by J. Y. Jordan:

"Whereas, In the congressional con-
test now pending between Hon. W. T.
Crawford and Richmond Pearson, be-
fore the house of representatives of the
United States, the said Pearson has
succeeded in securing a favorable re-
port recommending him to be seated,
and that our gallant Crawford be de-
frauded and robbed of the position to
which a majority of the voters of the
ninth congressional district elected him,
which said report will probably be
adopted; and

"Whereas, This report recommends
that 19,000 voters be disfranchised by
a negro registration law, and that the
said Pearson be seated in the house of
representatives on the night before elec-
tion, the said report having brutally as-
saulted the wife of a Republican and
the wife of a minister of the gospel in
the absence of their husbands; and

"Whereas, This report recommends
that the white voters of this district,
and especially of the voters of the
county of Buncombe, be disfranchised
by a majority of the voters of this
district, and that the said Pearson be
seated in the house of representa-
tives on the night before election, the
said report having brutally assaulted
the wife of a Republican and the wife
of a minister of the gospel in the ab-
sence of their husbands; and

INTERESTING FIGURES ON THE
WEIGHING OF THE MAIL MAT-
TER IN THE STATE OF

NORTH CAROLINA.

Washington, D. C., March 10.—[Spe-
cial.]—The house decided its first con-
tested election case for this session on
Thursday. The result was probably
gratifying to most of the people of Asheville,
contesters, although it resulted in a
victory for the Republicans. The test,
however, showed that there are several
Republicans who are not disposed to
vote in favor of the unseating of Dem-
ocrats. The contest was that of Al-
drich and Robbins of Alabama. The
substitute resolution, which the Dem-
ocrats proposed to retain Mr. Robbins
in his seat, was defeated by a major-
ity of four. It should be remembered
in this connection that the Republican
majority in the house is 14. Mr. Aldrich
was finally seated when the next
roll call was taken by a majority of only
seven.

Some seven or more Republicans de-
clined to vote, and this emphasized
their disapproval of the scandalous
method of carrying on election contests
in congress. The case of Mr. Aldrich
was a very strong one as election con-
testers go. It was reported that a
committee had been formed to look
into the matter, and that the two
facts probably combined to put
Mr. Aldrich through and they speak
of a fight to the bitter end.

GROCERY BUSINESS
CHANGES HANDS

WILLIAM KROGER PURCHASES
A. D. COOPER'S STORE, AT 32
SOUTH MAIN STREET.

Mr. Cooper began business here Sep-
tember 1, 1888, at the old wooden build-
ing which stood on the corner now oc-
cupied by Carmichael's pharmacy. Af-
ter about 18 months he removed to the
corner now occupied by J. Spangenberg,
at which stand he remained for
12 years. He then moved to the store
at 32 South Main.

Mr. Cooper says he is out of the re-
tail business, after 15 years, "I stay
out," but that he will engage in busi-
ness of some sort as soon as he can
find a favorable opening.

The new proprietor, Mr. Kroger,
closed a very successful grocery busi-
ness four years ago, on account of ill
health. During the five years he had
conducted it he had gained the confi-
dence of the people of Asheville, and
had shown marked ability, especially
in the fancy goods line. His
health is now restored, and after con-
sidering various localities, he decided
upon Asheville as the most favorable
place for again embarking in the same
business.

According to the general situation in
South Africa indicated by the news
received up to noon today, is that Gen-
eral Buller is again on the move. The
news comes in a dispatch from the
German camp at Biggarsberg, dated
Thursday, saying: "Twelve thousand
British are threatening the Boer posi-
tions from the direction of Helpma-
kaar, while a party of British scouts
was encountered at Waschbank, March
8."

This force is probably General Hun-
ter's division, and it is considered quite
possible that an attempt will be made
to traverse the neck of Zululand into
the Transvaal, thus effecting the dou-
ble purpose of outflanking the Boers at
Biggarsberg and threatening Vryheid
and Utrecht.

CHRYSANTHEMUM SHOW.
Decided on at a Meeting of Central
Epworth League.

An important business meeting of
Central Epworth League was held last
evening, at which there was a large
attendance. Possibly the most im-
portant business before the League was
the appointment of a committee to pro-
vide for the holding of a chrysanthemum
show in the autumn. For some
time the workers in the League this
is no new enterprise. They have had re-
lation in such exhibits before and know
how delightful the social occasion
makes and how profitable it is to the
League.

According to the plans proposed all
persons in the city and surrounding
country, except florists, will be invited
to raise chrysanthemums and enter the
contest for the various prizes that are
to be offered. Similar exhibits have
been held in the past, and the success
of the previous ones has shown that
profitable occasions ever held by the
League.

For any particular information on the
matter the Citizen's readers are refer-
red to Mr. J. W. Weaver, Astor street,
detail. In order for the production of
the most perfect plants the sooner the
contestants begin the better, though
they may be successfully raised as late
as the first of May. As soon as the
committee can complete arrangements
a list of the prizes will be announced,
possibly as early as next week. It will
be sufficient to state now that the ex-
hibit will include the greatest variety,
as well as the best colors and sizes.

TAYLOR CALLS FOR

Sends No Answer to Two Mes-

Two Alleged Suspects Have

REFUSE TO ALLOW THE

Frankfort, Ky., March 10.—Secretary
of State Caleb Powers and Captain
John W. Davis, the two alleged sus-
pects for whom warrants were issued
last night, have not been arrested.
They are said to be in the executive
Sheriff Suter at noon began aware-
ness of the state capital and has re-
fused to allow the police to search for
them.

It was rumored around the streets
two or three hours before the police
went to Davis' residence last night to
look for them that warrants had been
issued and they got wind of it and took
shelter in the house.

The police made a second demand to
be allowed an entrance to the execu-
tive building this morning, but the
guards said they had orders not to ad-
mit any one today. They declined to
say who gave the orders.

Governor Taylor and Adjutant Gen-
eral Collier sent no answer to two mes-
sages sent to them by the police.

It is reported that Governor Taylor
has issued orders for all state guards
who recognize him as governor to come
to the state capital at once, and stir-
ring times are apparently not far
ahead.

During the morning Sheriff Suter
took warrants for the arrest of Secre-
tary of State Powers and Captain Da-
vis to the state house and was admit-
ted to see Adjutant General Collier. He
informed Collier that he desired to en-
ter the executive building for the pur-
pose of serving warrants, and in the
name of the commonwealth demanded
that he be permitted to do so.

Collier refused, saying that acting
under orders from Governor Taylor,
nobody would be admitted to the exe-
cutive building for an indefinite period.
Sheriff Suter from Governor Taylor,
in a big force of deputies to aid in
arresting Powers and Davis.
