ANOTHER VAIN EFFORT FOR BILL

(Special to The Citizen.) Washington, D. C., May 28 .- A comnittee of Winston citizens arrived here this morning with the object of getting the appropriation for the Winston building put back in the omnibus public building bill whence it was stricken ut by the conferees. This item now has the support of Blackburn who has consented to support it, Blackburn's fight with Kluttz having been compronised by an agreement on Kluttz's part not to press for the Wilkesboro tem in return for Blackburn's support HOWLAND.

CAPE FEAR GETS \$50,000 FOR WORK

Lishington, were today But Conferees Commit Govern ment to Complete Work If Justifiable

(Special to The Citizen.) Washington, D. C., May 28.-The greement of the conferees on the river charges. In addition to and harbor bill allows \$50,000 instead of \$150,000 for the improvement of the upper Cape Fear river. The agreement commits the government to the project nowever, and if the claims made in its behalf are justified, the project will be arried through. The bill as agreed pon, also gives government sanction o Representative Small's project for an inland waterway through the North arolina sounds. HOWLAND.

> HOUSE PRETENDS IT DOESN'T NEED A "NIP"

> (Special to The Citizen.) Wasnington, D. C., May 28.-The House yesterday went through the biunial fares of prohibiting the sale of louor in the capitol. An amendment that effect was attached to the imnigration bill without division but ev y thin who voted for it knew that the enate, as heretofore, would strike out. The House is just as anxious he Senate to retain the privilege aking a nip with meals, but prefers t out the responsibility on the latter ody, which has always cheerfully ac-HOWLAND.

TRAINS CALM AGAIN IN MARTINIQUE,

Paris, May 28 .- The governor of Marinique has cabled from Fort de France announcing the fresh eruption of Mount Pelee which occurred on the evening of Monday, causing great panic at Fort de France. The cinders and scoria, however, the governor added, did not touch the town, falling entirely on the north of the island. Calm is now restored at Fort de France. The governor abandoned his proposed risiti to the devastated places on the is and, owing to the torrential railfall

governor reported, are vomiting thick The governor concludes that his latest visit to St. Pierre confirms the previous reports that the southern portion of that town was apparently destroyed by an inexplicable phenomena, resemding a frightful hurricane which swept from north to south. The fall of scoria has formed a layer a foot eep. The northern part of the town is
