Father Convinced of Foul Play **But Detectives Think** Differently.

DOVER, Del., May 4 .- The body of little Horace Marvin, who disappeared from the farm of his father at was found this evening in a marsh, in a fair state of preservation. The spot where the body was found is about half a mile east of the farm house

Kitts Hummock is between 7 and s miles from here and is without, ummunication with any other place. From information brought by a learned that the clothes found on the child's body were he same as those he wore on the day The body was lying he disappeared. Dr. Marvin at the moface-down. ment the body was found, was not 180 feet from the presidential man- ready to say whether the body of of his child was placed where it was ound, nor would he believe that the hild wandered into the marsh and ost its life. The marsh was frozen over the day the body disappeared. There is a theory that the child under a pile of grass and the clothing showed no evidence of having been ouched by fire. Neighbor Finds Body.

Ollie Pleasanton, a neighbor, who as gunning for ducks on the marsh, discovered the body. He had the remains borne to the house and covred with a sheet. Pleasanton has figured in the case since Horace was He it was who reported that he had seen the two strange men wabdering about the country two days before the disappearance

ing intact. His tiny woolen reefer body and not an article of clothing which he had on when he disappearover his face and his mittens vere on his hands. Dr. Marvin said that he searched iver the same marsh nearly every day since the disappearance of his son and with detectives burned the grass of the place four weeks ago, but saw no signs of the body. The theory that the child was rewhile placed where he was found REPAINGRAM, ALA., May I - CHEAGO, May 4 The Change and Supported by Dr. Marvin an what is considered the most damage Loui Estite, Tend and Louis come as hy detectives who stood on the spot is testimony against the defendant pairs today filed a full in the circuit and burned the tall sage grass from the chickelin trial, was that pre- out asking a re-organization of the lit.
