

SOCIETY

The Young People's Bible class of Calvary Baptist church of West Asheville met at the home of their teacher, Mrs. W. E. Logan, Friday evening for the election of officers, with the following result: President, Mrs. Allan Mitchell; 1st vice-president, Mr. Keiser; 2nd vice-president, Miss Mabel Morgan; secretary, Miss Carrie Ballinger; treasurer, Mr. John Hollinsworth; librarian, Miss Mabel Morgan. After the business meeting a social evening was enjoyed, games were played and later refreshments were served.

Among the many rumored engagements to be announced in the spring none will be of greater interest than that of a young lady who is not only well known but is one of Asheville's most accomplished musicians, and the young man is a prominent lawyer also of Asheville. Both are natives of this city and the announcement of their engagement, while not an entire surprise, will nevertheless be of unusual interest owing to the popularity of the young people.

The members of the Takkeostee club entertained with an informal dance at the club rooms on the corner of South Main street and Pack square last evening. After the dance refreshments were served.

At a meeting of the Saturday Music club, held at the home of Mrs. L. W. Elias, at No. 6 All Souls Crescent, Baltimore, officers were elected and a program for the ensuing year was planned. The following officers were elected: Mrs. E. P. Campbell, president; Mrs. E. E. Kimberly, vice-president; Miss Elizabeth Porter, secretary and treasurer. The program, which was proposed for the ensuing year will be submitted at the next meeting of the club, which will be held Saturday.

Yesterday afternoon at her home on Central avenue, Miss Florence Froelander entertained a number of her young friends in honor of the 9B German class of the High school. A number of games were played and a short musical program rendered. The house was decorated with evergreens and growing plants, and a dainty luncheon was served. The members of the class are Misses Florence Froelander, Lucy Scott, Chas. Tweed and Bonnie Williams and Misses William Lamerson, Wilbur Sumner and Baby Tomsett and other members of the High school.

The N. G. club of Baltimore gave a skating party yesterday afternoon at the Asheville skating rink, complimentary to Miss Mary Henderson, of Salisbury, who is a guest of Miss Anne Martin at Victoria inn. The guests were: Miss Mary Henderson, Miss Margaret Pennington, Miss Helen Chapman, Miss Thelma Chapman, Miss Francis Bary, Miss Lucile Hastings, Miss Anne Martin, Miss Lucy Pennington, Miss Helen Cefalu, Miss Virginia Griffith Miller, Miss Mattie Cooke, Mrs. Reynolds, Mr. Dunning, Mr. C. Dunning, Mr. Gearheart, Mr. Pratt, Mr. Clark, Mr. Garland, Mr. Potts, Mr. Ward Gregg, Mr. Moore, Mr. Dubois Rees, Mr. Frithjof Rees, Mr. Johnston, Mr. Whittington, Mr. Mount, Mr. Morrett and others.

The Friday Book club met Friday afternoon with Mrs. Frank Smith at her home on Hillside street. Miss Anderson read a paper on "London through Dickens' Glass." Miss Gusko Smith gave a reading from "The Christmas Carol." The next meeting will be with Miss Johns at the Home Industrial school next Friday afternoon.

The Barbers class entertained a number of young people at an oyster supper at Central Methodist church Friday evening. The affair was given in honor of the two Philathea classes of the church. Mr. W. O. Boger was toastmaster and a number of toasts were responded to. Mrs. Boger and Miss Kate Nichols rendered a number of piano selections during the evening.

A surprise party was given Miss Carrie Ingle at her home, 36 Soney street, Friday evening, January 8, 1909. Many interesting games were played during the evening and at 10:30

delightful refreshments were served. The invited guests were Miss Carrie Ingle, Miss Lucie Reed, Miss Lucille Robinson, Miss Nell Smith, Miss Lucie Mitchell, Miss Nellie Orr, Miss Ruth Edwards, Miss Lucie Hunsland, Miss Alma Jordan, Miss Ruth Crowell, Miss Gertrude Ingle, Miss Brown, Miss Miller, Morris Clayton, Norman Dixon, Grin Badger, Sammie Badger, Harold Smith, Elmer Ingle, L. Garrett, Bronson Ingle, M. Jarrett, John Turnbull, Dan Canble, Louie Wagner, Claud Wells.

Miss Lydia Hunsland furnished music for the evening.

Yesterday afternoon at the Country Club seven couples participated in the weekly "mixed foursome" tournament for the cups presented by the club. To be won by the man and girl scoring the greatest total number of points in eight days of play.

The victors yesterday were Mrs. C. S. Jordan and Mr. F. W. W. Graham, with the following score: 41-37-81—handicap 18—net 63; Miss Mead and Mr. Rumbough were second, with 37-32-69—handicap 2—net 67; and third place fell to Miss Ellen Barker and Dr. Lambert, with a score of 41-37-78—handicap 10—net 63.

Many members of the club were on the grounds during the afternoon, watching the contestants and also enjoying the tennis matches that were made possible by the favorable weather.

A cinder path running from the car to the club house has recently been laid down, making the walk very easy and quite free from mud. The ladies "angles" in golf will hereafter take place on Tuesday afternoon instead of on Wednesday as heretofore. The "mixed foursome" will be continued on Saturday afternoons, beginning at 1 o'clock. It is requested that those taking part in both contests send their entries to Dr. Ringer not later than Monday night for the ladies' tournament, and not later than Friday night for the "mixed foursome."

An extra room is being added to the club house which will be used as a men's locker room. It is planned to have large wire lockers, and it is believed that as a result of the addition the congestion in the men's dressing room, which has been deplorable in the past, will be greatly relieved.

The G. I. A. to the H. of L. E. was entertained at the home of Mrs. W. H. McLean, at No. 23 Ora street, last evening with a dime sociable. Refreshments were served and an enjoyable evening spent. The object was to add money to the treasury of the auxiliary.

Beauty and Bad Breath

Cannot Go Together No Matter how a Woman May Try to Make Them.

It does not matter how beautiful a woman may be, if she is afflicted with bad breath she will be shunned and plied by men and even women will studiously avoid her.

If any woman doubts this statement let her make a point of asking a friend in whom she may confide, a man friend or relative, if he is honest he will tell her that foul breath from the mouth of a woman will drive men from her more rapidly than any other personal affliction.

Foul breath arouses in man disgust and where this quality is brought into play no amount of self-denial or resignation can overcome the natural repugnance which comes to man when he is in company with such a woman.

What is true of bad breath in woman is not true in so great a degree in men. Women are looked upon as the incarnation of sweetness, breeding, virtue and refinement. Foul breath will sicken a man so that he cannot feel for such a woman a companionship necessary to make him desire to be in her company.

There is absolutely no occasion for bad breath in either men or women. Charcoal, the strongest absorbent known, when taken into the stomach, will prevent this repugnant tendency or affliction.

Stuart's Charcoal Lozenges are sold in tremendous quantities all over America and Canada. They cure and have cured all forms of bad breath. A single box will convince you of this fact. One should eat some of these lozenges after each meal and upon retiring. You might eat fifty of them without harm. They are not medicine, but pure willow charcoal mixed with sweet honey to make them palatable and compressed into lozenges to preserve their peculiar and lasting strength.

The next time you wish to go into company and don't want your foul breath to humiliate you, eat several of Stuart's Charcoal Lozenges and your breath will be pure and sweet.

Every druggist carries them, price 25 cents, or send us your name and address and we will send you a trial package by mail free.

Remnant Sale

One-Half Off On Remnants Monday

For One Day Only We Will Offer Our Entire Line of Remnants At A Reduction of 50 Per Cent.

Last week we held a very successful sale of remnants. We sold lots and lots of them at a reduction of 33 1-3 per cent. But as we still have several hundred left we thought we would give our customers a chance to buy them at the unusual reduction of 50 per cent off.

Formerly we have sold these remnants all together. However we have such an attractive line this year, we decided to give our patrons an opportunity to buy at these extremely low prices. Most of these remnants are fresh and have not been picked over at all.

All the remnants are marked in plain figures, the original price is given and from this you take one half-off. The lengths vary from 1-2 yard to 6 and 7 yards.
