## MEMORIAL SERVICE

(Contributed)

Tuesday, February 12th at 11 a.m., there will be a public Lincoln memorial service in the edifice of the Christian Science Society of Asheville, corner Patton and French Broad avenues. This service will be in celebration of the one hundredth anniversary of the birth of one of our country's noblest sons, Abraham Lincoln, and it is with sincere pleasure that we Christian Scientists and citizens of our beloved Southland, join with those who have set aside this date to pay tribute to his memory. The teachings of Christ Jesus, as emphasized in Christian Science, are calling with clarion voices to awake the world from the lethargy of pride, prejudice, poverty and pain and from all that tends to rupture the interests of humanity, and will ultimately and wisely unite all nations and creeds in one great worldwide brotherhood, under the government of divine love, and harmony.

In her "Miscellaneous Writings," page 224, our revered teacher, Mrs. Eddy, says: "We should remember that the world is wide; that there are a thousand million different human wills, opinions, ambitions, tastes and loves; that each person has a different history, constitution, culture, character from all the rest, that human life is the work, the play, the ceaseless action and reaction upon each other of these different atoms. Then we should go forth into life with the smallest expectations, but with the largest patience; with the keen relish for and appreciation of everything beautiful, great and good; but with a temper so genial that the friction of the world shall not wear upon our sensibilities; with an equanimity so settled that no passing breath nor accidental disturbance shall agitate or ruffle it; with a charity broad enough to cover the whole world's evil and sweet enough to neutralize what is better in it, determined not to be offended when no wrong is meant, nor even when it is, unless the offense be against God."

The exhibition and musical tea yesterday afternoon at the Battery Park hotel was one of the most successful and agreeable affairs of the kind which has taken place in some time. The large new drawing room was used and the lighting showed to advantage the fine pictures of Mr. Worrall which were hung on a line around the room.

The pictures were appreciated and a number were sold. The pictures will be left on exhibition at the Battery Park hotel for several days, and those that are not marked sold may be obtained, the prices will be given on application at the office. Some of the smaller pastels are exquisite and the prices are very low. A number of fine etchings were shown and sold also. The drawing room was crowded all afternoon. The tea and chocolate table was attractive with its burden of silver and white hyacinths in silver vases. Silver candle sticks with white shades shed a soft glow over the table. Mrs. Charles L. Minor and Mrs. F. W. W. Graham served tea and chocolate. The ladies who received were, Mrs. Harold Rees, Mrs. M. Dunn McKey, Mrs. R. R. Swope, Mrs. Thomas P. Cheesborough, Mrs. Theodore F. Davidson, Mrs. Thomas Settle, Mrs. James Green Martin, Mrs. Fenton, Miss Rita Rees and the Misses Reeves. Dr. Thompson Frazer played exceedingly well several pieces and struck a responsive chord when he played the Blue Danube waltz. Miss Ida Hamilton sang several of the Indian Love Lyrics by Hope-Pinden. The exhibition was given under the auspices of the following committee: Dr. S. Westray Battle, Dr. R. R. Swope, Gen. Theodore F. Davidson, Mrs. F. W. W. Graham, Mrs. Charles Penniman, Mrs. M. Dunn McKey and Mrs. James Green Martin.

The Woman's Union prayer meeting will not be held at the Hospital this week on account of the funerals being held at the N. C. A. by Mr. A. C. Gibbons and Dr. York. All members of the African Prayer meeting are urged to attend Mr. Gibbons' meetings.

Mrs. A. M. McPherson, conductor of the African Prayer meeting, has leased a residence in Asheville for the winter and will shortly return to her family in Durham Tuesday in honor of Mrs.

Mr. and Mrs. William Tyack gave an informal dinner at the Battery Park hotel Wednesday evening for Mr. and Mrs. Clarence Edgar Smart who were married the same afternoon at Ravencroft. Mrs. Smart is Mrs. Tyack's sister. Mr. and Mrs. Smart return to Asheville shortly and will reside at the Oak Hotel.

The N. G. Club met yesterday afternoon at Elbermar, the residence of Miss Margaret Penniman. The next meeting of the club will be Saturday morning with Miss Anne Martin.

The sun set yesterday afternoon was one of the most remarkably beautiful seen in Asheville for several years and was the subject of comment among nature lovers. The mountains were shrouded in amethyst haze through which the great red orb of the sun sank magnificently, leaving the sky to darken with purple shadows. All of the snow had disappeared save "the bride and groom" on Pisgah. The two snow figures stood out clearly, the clasped hands, veil and train of the bride were all there. The evening was ideal and must have been especially appreciated by the visitors in the city.

The exhibition and musical tea yesterday afternoon at the Battery Park hotel was one of the most successful and agreeable affairs of the kind which has taken place in some time.
