CONSTITIATION MUNYON'S PAW-PAW PILLS

Munyon's Paw-Paw Pills are an like all other laxatives or cathartics. They pass the liver into activity by gentle methods.

They do not scour; they do not grip; they do not make you feel as if you were starting all the secretions of the liver and stomach in a way that soon puts these organs in a healthy condition and corrects constipation.

In my opinion constipation is responsible for most ailments. There are thirty-two feet of lining tissue, which is really a sewer pipe.

Munyon's Paw-Paw Pills are a tonic to the stomach, liver and nerves. They invigorate instead of weakening; they enrich the blood instead of impoverishing it; they enable the stomach to get all the nourishment from food that is put into it.

These pills contain no calomel, no opium, they are soothing, healing and stimulating. They school the bowels to act without physic. Price 25 cents.
