Prominent New Orleans Banker Alleged Defaulter For \$100,000

SAID TO HAVE MADE FULL CONFESSION

Stood High in Social, Club, and Business Circles of The City

(By Associated Press.) NEW ORLEANS, July 14.—Wyatt H. Ingram, Jr., trust officer of the Hibernia Bank and Trust company, was arrested at his home, 184 State street, shortly before six o'clock this evening on the charge of being a defaulter. It is alleged that he is between \$75,000 and \$100,000 short in his accounts.

Ingram was said to be too ill when the arresting officers reached his home, to accompany them to the police station, but District Attorney Adams, upon being communicated with, insisted that the accused be brought to prison without delay. He was carried to police headquarters in an ambulance.

Has Confessed. It was reported that Ingram had made an attempt at self-destruction late today but this is without confirmation. It is believed rather, that the strain under which he has labored and the recent excessive heat resulted in his partial collapse.

The trust officer is said to have confessed to Vice President Pool of the Hibernia Bank that his default would approximate \$100,000. It is said that a check for \$5,000 on which Ingram forged a signature of a prominent business man of New Orleans, led to the disclosure of the embezzlements and forgeries now charged against him. He has been under police surveillance for the past several days.

Prominent Clubman. Ingram for a number of years has stood high in business and social circles of New Orleans. He is a prominent clubman and has been a leading member of commercial organizations. He married here six months ago. He is a native of Henderson county, Kentucky and is thirty-five years old. He has been a resident of New Orleans for about fifteen years. His family

NEGRO AGED NINETY SIX ARRAIGNED ON CHARGE OF DELIBERATE MURDER

Defense Will Attempt to Prove Shooting Was Done by Another.

TIGERS GET OFF EASY

(Special to The Citizen.) RALEIGH, N. C., July 14.—There has just been arraigned in Wake Superior court the oldest man in the county to stand trial for his life on the charge of murder. His name is Leonard Shaw, colored, his authorized age being a year. As a slave he belonged to the grand father of J. D. Johnson, a well known farmer of high standing, himself now 75 years old. It seems that the old negro is now supported by a legacy left him by his former master. Shaw is charged with having shot to death David Hall, a young negro who had lured his granddaughter to a neighborhood party over the protest of the old man. However he denied having done the shooting which took place when the young people returned after ten o'clock at night, and was trying to get into the house, which was locked for the night. The trial is set for Thursday of next week and the defense will be that someone outside of the house did the shooting, using a breech-loading shot gun such as the old negro never possessed. The defense will insist that the husband of the woman who was in the party did the shooting on account of jealousy.

Can't Convict Tigers. Those in touch with the Wake county courts are saying that it is next to impossible to obtain from Wake jurors convictions of persons charged with being "blind tigers." Wake county was one of those that rolled up a majority against state prohibition and it is said that it is hard to get together twelve men without one or more being unduly prejudiced against the prosecution of people for selling whiskey. All yesterday afternoon and last night a jury was out unable to agree in the case of J. A. Olive, on trial for sell-

CARDINAL REPLIES TO JUSTICE BROWN; VIEWS ON DIVORCE

Declares Laxty of Law And Not Ministers Is Responsible

SANCTITY OF HOME MUST BE UPHELD

Basis of All Christian Law-giving For Centuries Has Been Bible

BALTIMORE, July 14.—Cardinal Gibbons in an interview today replied to remarks of former Supreme Court Justice Henry B. Brown, on the subject of divorce before the Maryland Bar association at Old Point Comfort last week. The cardinal said:

"Justice Brown has taken exception to my views on divorce and remarriage. He is reported to have referred to the founder of the Christian religion as an 'idealistic' whose sentiments while suitable to less favored times and circumstances are not adapted to this enlightened age. The learned jurist will permit me to say that the teachings of Christ have been the basis of all Christian legislation for nearly 2,000 years and continue to be the light and guide of hundreds of millions of souls. And there is no subject which he treats more fully and clearly than the question of marriage, the foundation stone of our family and social life.

"In three of the gospels He proclaimed the unity of marriage and perils separation of a married couple only in the case of adultery. I do not see why a law which has been enforced and cordially accepted in every age and country where Christianity dominates should be considered obsolete or impracticable in the United States.

Ministers Not Blamable. "The multiplication of divorces," the cardinal continued, "is largely ascribed by some writers not to our divorce laws, but to the eager and reckless manner in which ministers of God officiate at marriage services. But are not those persons confounding cause for effect? Divorces are multiplied not by ministers who willingly assist at ill-assorted marriages, but because loose legislation

Laughter of Outing Party Smothered by Mantle of Flames

TWO ARE DEAD AND TWO OTHERS MAY DIE

Machine Backed Into Bridge Puncturing The Gasoline Tank

(By Associated Press.) SYLVANIA, Ga., July 14.—Two persons are dead, two are mortally injured, while three others are more or less seriously hurt as the result of an explosion of the gasoline tank on the touring car of George M. Hill, late last night at Jacksonboro bridge, five miles from this place.

The dead are: Hewlett Hill and Miss Fannie Mills.

The fatally injured are: George M. Hill Jr., twin brother of Hewlett Hill; Mrs. George M. Hill.

The seriously injured are: Miss Rubie Thomas, badly burned; George M. Hill, severely burned about head and trunk; Miss Lurline Cooper, severely burned; George Hilton, aged fourteen, painfully burned.

Mr. and Mrs. Hill had taken a party of young people for a moonlight outing. While preparing to leave for town the car was backed into the bridge, the tank containing compressed gasoline being ripped off. The fluid was thrown over the occupants and flames quickly spread covering the entire party.

The clothing of the two infants and the women was almost entirely consumed. Several youths gave such aid as they could but it was not until the shrieking women were dragged into the water of the creek that the flames were extinguished.

News of the accident was telephoned here from a farmer's house two miles from the scene and physicians were rushed to the bridge.

The injured were brought here at an early hour today.

FOREMOST VIRGINIAN DIES FULL OF YEARS AND DISTINGUISHED HONORS

John Goode "Grand Old Man of Commonwealth" Passes Away.

ON EARLY'S STAFF

(By Associated Press.) NORFOLK, Va., July 14.—John Goode, aged eighty years, Virginian, statesman, lawyer and soldier, died at St. Vincent's hospital, this city, at 9:45 a. m., today following a stroke of paralysis which he suffered several weeks ago, while on a visit to his children in this city. With him at the end was his youngest son, James L. Goode.

Mr. Goode's funeral will take place from St. Luke's Protestant Episcopal church tomorrow afternoon with simple Episcopal services. Interment will be at the old home of the deceased in Bedford, Va.

John Goode, affectionately known in late years as "the grand old man of Virginia," was without doubt at the time of his death the most conspicuous man in the state.

He was the sole survivor of the Virginia Secession convention and the oldest ex-member of the national congress. He had the distinction of being a member of the convention that framed the constitution for Virginia, and fifty years later (1901-2) he was president of the convention that framed the present constitution.

Mr. Goode was born in Bedford county, Va., May 14, 1829. At the age of twenty-one he was a member of the Confederate army as a member of General Early's staff. While on the field of battle he was elected to the Confederate congress.

During President Cleveland's first administration Mr. Goode was appointed solicitor general of the United States and served with distinction for some time. He failed of confirmation in the senate, however, because, it is said, of political differences existing between him and General William Mahone, then a senator from Virginia. LEFT WIFE AND CHILDREN WITH ONLY ONE DOLLAR

(Special to The Citizen.) SPARTANBURG, July 14.—The unceremonious departure of H. L. Edney, proprietor of the Palm Lunch room in this city, and the simultaneous absence from the city of Mrs. Mamie Ewing, a comely young widow to whom it is said Edney has of late been paying much attention in spite of the fact that he is married has caused much gossip here. The last seen of him in the city was at the Southern Cafe Sunday night, about 11:30 o'clock. He had a three-bill and carried a grip. It is reported that he told some one that he was on his way to Greenville to attend a dog fight.

THAW'S INSANITY WILL PROVE TO BE REAL GENIUS IN END

Mistake of Jury That Sent Him to Matteawan Becomes More Obvious

EVELYN'S ATTITUDE PUZZLES LAWYERS

Cannot Figure Out Whether She Is For or Against Her Husband

(By Associated Press.) WHITE PLAINS, N. Y., July 14.—Evelyn Thaw's lips were still closed by legal technicalities today and she did not resume the stand as expected to testify for the state in opposing Harry K. Thaw's attempt to prove himself sane and his confinement in the asylum for the criminal insane illegal.

The state's attorneys announced at adjournment yesterday that they would show today that the much disputed conversation between Thaw and his wife at the asylum in which Thaw is supposed to have threatened to kill her when he got out, was not privileged, and therefore Evelyn Thaw would be re-called and her testimony on this point would be admitted. But Mrs. Thaw was not called to the stand. Instead, there was a continuation of the lay testimony in Thaw's behalf.

May be Called Again. Again tomorrow the state will attempt to show that this conversation should not be excluded. At the conclusion today Justice Mills announced that unless further reason was advanced for excluding Evelyn Thaw's testimony, he would be inclined to admit it. Accordingly Evelyn Thaw was re-subpoenaed to appear, and probably will be called as the first witness for the state tomorrow.

A great crowd packed the courtroom today as yesterday, hoping to hear Mrs. Thaw testify. The testimony today was continued at times by bits of humor, and several times Justice Mills had to call for order. No one seemed to enjoy the humor more than Harry Thaw. Several times he laughed heartily at some remark at his expense.

Attendants at the State asylum at Matteawan testified that he always appeared rational in speech and action while under their observation. Several physicians who attended Thaw and his wife and other members of the Thaw family testified along the same line.

IMPORTANT EVIDENCE BEARING ON DEATH OF MARINE OFFICER FOUND

Chauffeurs Who Saw Fight Have Been Summoned to Appear.

WILL BE PUBLIC

(By Associated Press.) ANNAPOLIS, Md., July 14.—Summoned to appear as witnesses in the case of Lieut. James N. Sutton, U. S. M. C., whose death here two years ago is about to be re-investigated by the naval authorities, were served today upon William Owens and Edward Griffith, the chauffeurs who saw the beginning of the fight between the officers which ended in Sutton's death. Owens did not testify at the previous inquest.

The story of the surviving officers that Sutton forced the fight has been contradicted by Owens, who carried the party to camp that night, and in a measure by Griffith, a new man in the case, who confirms Owens in particulars.

Griffith will, it is said, testify that he took a party of marine corps officers, including Lieutenant Potts to the camp just before Owens automobile arrived and when he went back toward town he saw Lieutenant Sutton and Adams with their coats off, apparently about to fight, but that he neither saw nor heard anything that would indicate which had provoked the fight, nor that the others in the party were trying to prevent hostilities.

WASHINGTON, July 14.—Giving full discretion as to the holding of secret or open sessions by the court of inquiry which will investigate the circumstances attending the death of Lieutenant Sutton, Assistant Secretary of the Navy Withrop, will suggest to the court the desirability of conducting the proceeding in public.
