A well known Charlotte man, say The Observer, writes back from this part of the state a letter full of thanksgiving and rejoicing because behas found one town in North Caralina where the blue laws of the Queen Charlotte rooters recently said. "Las City do not prevail. From his de time I was down Charlotte way I scription of the wicked things he did saw several throward people out on on a certain Sabbath it might be the street eatehin inferred that he is summering here in Asheville. He says:

"We all went to church Sunday morning. On the way back home we stopped in a store and I hought a the door, cigar, some chewing gum, ice cream That some of Bockingham's mer-and a stamp. After dinner we went to a park, rowed on a lake and rode headed; that the high price of flour of that? We also bought soda water, it saw a woman telling fortunes, and all this on Sunday. Just think how good Charlotte is where you can't get any thing on Sunday except your shoeshined, It's strange though, that while the state. we were enjoying these awfully sinful privileges I momentarity expected a see the ball games and watch the policeman to place his hand on my rooters and and rotterines root .shoulder and arrest the whole family being no used to our dear Charlotte

This comment on the city's heathenism should arouse the Good Gov- that I comellines suffer from incomernment league.
