

DEMOCRATIC GAINS MADE THROUGHOUT THE COUNTRY IN ELECTIONS YESTERDAY

Judge Gaynor Elected Mayor of New York by Large Majority With Hearst Coming in a Poor Third. Board of Estimates May be Controlled by Fusionists.

MASSACHUSETTS SHOWS BIG REPUBLICAN SLUMP

Reformers in Various City Elections Find Little Encouragement in Returns. Tom Johnson Loses, and Gibboney is Defeated in Quaker City.

Elections were held yesterday in many states and cities throughout the country with varying results, there being no national issue involved to bring about concerted party action.

In Massachusetts the returns up to midnight indicate that Governor Eben Draper, republican, had been re-elected over James H. Vahey, democrat, by a greatly reduced majority, estimated at 10,000.

In Virginia the returns indicate that the democratic ticket headed by Judge Mann, for governor, had been elected by about the usual majority.

In New York City, which has been the storm center of the state, Tammany Hall scored a decisive triumph in the mayoralty election, Judge William J. Gaynor, the democratic nominee, supported by Tammany, rolling up a plurality of upward of 70,000 over Otto Bannard, republican, who in turn, led William K. Hearst by approximately twenty-five thousand.

In Philadelphia, another battleground on reform issues, Samuel P. Rigan, republican, was elected district attorney over D. Clarence Gibboney, representing the law and order society and the reform element.

Judge of the Supreme court, resulted in the usual republican majority.

In Maryland the constitutional amendment disfranchising the negro, is still in doubt, the Baltimore vote being strongly against the amendment, while returns from the interior indicate increasing strength for the amendment.

Mayor Tom Johnson, the picturesque mayor of Cleveland, has been defeated by a decisive majority by Herman Baehr, republican.

In Indianapolis, where the temperance issue has figured, Lewis Shank, republican, is elected over Charles A. Gauss, democrat.

Heney Defeated. With about one-sixth of the total vote counted late tonight, P. H. McCarthy, union labor candidate for mayor, had a lead over both his opponents that if maintained would him a plurality of about 10,000.

Leland, democratic candidate, and Crocker, republican, were nearly a tie for second place.

On the same basis of vote count, Charles M. Fickett, republican and union labor nominee for district attorney was leading Francis J. Heney, nearly 2 to 1.

NEBRASKA SLOW. OMAHA, Neb., Nov. 2.—Insufficient returns were in from the outlying precincts tonight upon which to base an estimate of the result of today's election, so far as it concerned

TAMMANY ELECTS GAYNOR BUT LOSES CONTROL OF CITY

Battle Probably Loses to Judge Whitman by About 10,000 Votes

ELECTION WAS QUIET AND VERY ORDERLY

Hundreds of Watchers Kept Sharp Lookout For Frauds And Found But Few

NEW YORK, Nov. 2.—Tammany elected another mayor of Greater New York today but lost its grip on city finances, William J. Gaynor of Brooklyn, swept the five boroughs to victory as mayor by at least seventy thousand plurality, defeating Otto P. Bannard, republican-fusion, and William Randolph Hearst, independent. He failed, however, to carry his ticket with him, and the republican fusion forces will control absolutely the board of estimate and apportionment which will disburse approximately a billion dollars during the administration. This is more than half a spent for Tammany, for the control of the board of estimate was one of the principal issues of the campaign. In addition, the republican-fusionists elected Charles S. Whitman, district attorney of New

CARDINAL GIBBONS IS AGAINST SUFFRAGETTES

Declares Woman's Suffrage Would Destroy Happiness of Domestic Life

NEW YORK, Nov. 2.—In a letter to the National League for the Civic Education of Women, an anti-suffragette organization made public today, Cardinal Gibbons says: "I regret greatly that I cannot attend the meeting called for November 15. Although my many duties will not allow me to be present at your meeting, I beg to assure you that I am most heartily in sympathy with the aims of your league, and I approve most strongly the stand it has taken in opposing woman's suffrage, which if realized would be the death blow of domestic life and happiness."

Very respectfully, "ARCHBISHOP OF BALTIMORE," Senator Elihu Root also wrote a letter of regret that he was unable to be present in which he expressed his sympathy with the cause and said: "I think your association is doing very valuable and important work."

JOHNSON'S THREE CENT FARES DEFEATED HIM

Every District Where He Had Reduced Rates Voted Against Him

CLEVELAND, Nov. 2.—Tom Johnson, for four term mayor of Cleveland, was defeated today for a fourth term by Herman C. Baehr, republican county recorder. Unofficial returns from approximately half the city indicated that Baehr's plurality over Johnson is at least 4,000 and may run to 6,000.

With Johnson probably went the bulk of the democratic ticket, those who have been conspicuous in their support of his street railway program suffering most. A possibility existed of Tom Johnson's being elected on the Johnson ticket, City Solicitor Newton Baker, had won over Governor M. D. White, former Lafayette supporter from Weston. The district was now traversed by the three cent fare line instituted by Johnson against him.

Each is the first republican to be elected mayor of Cleveland in ten years. Mayor Johnson, in responding his defeat, announced that he will be a candidate for mayor two years hence. Rumors that he would remove to New York were denied by his friends, but Johnson did not comment upon them.

LAHM MUST GO BACK TO TROOPS

WASHINGTON, Nov. 2.—Lieutenant Frank P. Lahm, who gained international fame by winning the James Gordon Bennett cup in France last year for the longest flight in the dirigible balloon, has been relieved from duty in the signal corps and ordered to report to his cavalry regiment. His place will be taken by Lieutenant Walter C. Jones of the 13th, infantry now at Fort Lavenworth.

Lieutenant Lahm's retirement from the signal corps is compulsory under section 49 of the army regulations. Since his return from Europe a year ago, Lieutenant Lahm has been conspicuous in aeromatics and has been one of the Wright brothers most successful students in the manipulation of the Wright bi-plane.

LOUISVILLE ELECTS DEMOCRATIC MAYOR

Republicans Still Claim Office but Admit Election of Rest of Ticket

LOUISVILLE, Ky., Nov. 2.—Though returns from scattered precincts may reduce the plurality slightly, indications late tonight are that W. O. Head, democratic mayoralty candidate, won over Mayor James P. Grinstead, republican candidate for re-election by 2,000. The election of the rest of the democratic ticket is conceded by the republicans.

Support of Head by a heavy liquor vote is held responsible for the change in Louisville's political complexion. Negro domination was an issue in a campaign characterized by bitter personalities.

While several arrests were made on minor charges, only one serious clash occurred between whites and blacks. At the police had closed tonight and while the streets were thronged by partisans awaiting returns, Moses Perkins, white, was shot and killed by a negro who escaped. The shooting followed a political argument. Several shots were fired.

MORE INDICTMENTS IN S.C. DISPENSARY CASE

Two of Those Who Have Fared Court Before Included in the New Bills

CHESTER, S. C., Nov. 2.—The grand jury for Chester county today returned five indictments against John M. Rawlinson, Joseph H. Wylie, John Black, James S. Farnum, John T. Early, Morton A. Goodman and H. Lee Solomon charging conspiracy to defraud the state in the purchase of liquor for the old state dispensary. Farnum is indicted for bribery also. Arrest warrants were issued for the arrest of Rawlinson, Black, Farnum, and Solomon.

The indictments were handed to the grand jury yesterday by Solicitor General. The offenses named in the indictments were alleged to have been committed in Chester in 1906.

Farnum was tried recently at Columbia on the charge of bribery in connection with liquor purchase and was acquitted.

The trial of John Black at Columbia on a charge of conspiracy to defraud was stopped by the judge, who declared the jury when it was found that the jurors had seen a newspaper after the trial started.

INDIANA REPUBLICANS RECOVER LOST GROUND

Coalition With Prohibition Element too much for Democratic Forces

INDIANAPOLIS, Ind., Nov. 2.—In the municipal elections held throughout Indiana today the republicans scored several important victories, the most vital of which was in Indianapolis. Samuel Lewis Shank, the republican candidate for mayor, and the entire republican ticket were elected by majorities ranging from 1,000 to 1,500.

The republicans were successful in Evansville, Fort Wayne, Richmond and Crawfordsville. The democrats carried South Bend, Muncie, Lafayette and probably Terre Haute.

The republicans declared tonight that the defeat of the democrats in Indianapolis was a defeat of the liquor interests of the state which had contributed largely to the fund used in the effort to elect Gauss mayor.

Knotts, democrat, was elected mayor of Gary, by 125 plurality.

PROMISCUOUS SHOOTING IN TENNESSEE RIOT

One Man Killed and Several Others Wounded in general Election Fight

JELICO, Tenn., Nov. 2.—James Ayres, former marshal of Jellico, Ky., was killed and several others more or less wounded during an election riot at the voting place in that town about four o'clock this afternoon.

The trouble originated in an encounter between Rufe Thompson and Walter Perkins. The fighters were surrounded by a large crowd of on-lookers through which Ayres broke to interfere for his friend, Perkins. Ayres drew a pistol on Thompson, but before he could shoot probably a dozen shots were fired and Ayres fell dead, pierced by seven bullets. A general riot followed and a number of shots were fired. Thompson was wounded in one arm while Perkins was badly beaten about the face and head. A son of Police Judge Stewart of Jellico, Ky., was wounded in one leg while others were more or less wounded before the riot was quelled.

A little more than two years ago Ayres killed Sampson Bolton over the former's wife. He was sentenced to two years in the penitentiary for the killing and served the time, returning to Jellico about a month ago. Ayres was about thirty years of age. Two sons of Bolton, who were in the crowd, were arrested as were several other participants. Excitement is intense.

HARD FIGHT ON ATLANTIC LINER

NEW YORK, Nov. 2.—Thomas P. Ryan, the financier, Adolph Husch, the St. Louis brewer and Enrico Caruso, the tenor, were passengers arriving on the Kronprinzessin Cecilie, of the North German Lloyd line from Bremen today. An incident of the voyage was a fight in the smoking room when Lieutenant Cranville Fortesque, U. S. A. (retired) a cousin of former President Roosevelt, detected a sharp cheat at dice, and gave him a thrashing, according to an account by several passengers who were in the game at the time.

BISHOP CANDLER SPURNS DONATION OF ROCKEFELLER

Declares South Has Been Maligned Enough by Self Seeking Philanthropists

PELLAGRA SCARE DID NOT HAVE ITS EFFECT

People of South Should Resist The Slanders Against It by Refusing Gift

ATLANTA, Nov. 2.—Declaring that the gift of \$1,000,000 for the investigation and cure of the hook worm disease is an outrage on the South, a slander on this section of the country, and a "dam dam" donation, Bishop Warren A. Candler of the Southern Methodist church in his Sunday sermon made a sensational attack on John D. Rockefeller.

"It is to be hoped," said Bishop Candler, "that our people will not be taken in by Mr. Rockefeller's verifuge fund and hookworm commission. The habit of singling out the South for all sorts of reforms, remedies and enlightenment is not for our benefit and the too ready acceptance of these things on the part of some of our people is not to our credit. Mr. Rockefeller would take charge of both our heads and our stomachs and purge our grains of ignorance and our bowels of worms."

"For some reason self-appointed philanthropists have taken it on themselves to discover and proclaim conditions in the South calculated to create further prejudice against the states and people of the South as to divert immigration and to alarm the resident population."

"A great deal of exertion has been required in the past to establish the falsity of the many slanderous charges made against the South, and this section has not yet recovered fully from them. Recently an outcry was made that the Southern people had become the victims of a deadly disease named 'pellagra,' which was charged to the use of Indian corn. The disease has been traced to Southern Europe, where it is common, and later information goes to show that it was imported in the persons of immigrants."

"But the pellagra panic having failed of the expected result now comes a howl about the hookworm. The South is represented to be filled with a wretched brood of dirt eaters. Who that knows the South can for a moment believe this?"

Greeks Bear Gifts. "It is time the Southern people began resenting this officious disposition to take care of them which certain parties are addicted to. Donations may easily as dum dum bullets, wound where they hit and leave a moral poison in the hole they make after being received. We are certainly able to take care of and to cure our hookworm, without Mr. Rockefeller's million dollar dose of verifuge."

The bishop, who was consecrated in 1898, is fifty-two years of age, has been a university president, editor of a religious publication and has written books on Georgia's educational work and other subjects. Last April he declared that the purpose of Andrew Carnegie and John D. Rockefeller in giving \$58,000,000 was "to dominate the educational interests of this entire country, and by the bribe of this enormous sum of money they have already partially succeeded."

FEUDISTS CELEBRATE THE ELECTION BY ONE KILLING

The Old Breathitt Trouble Breaks out Fiercely Again As Expected

JACKSON, Nov. 2.—Predictions made on the streets early today that only "a man or two" would be killed during the voting in Breathitt county were justified at noon in the Springfield precinct and in a dramatic manner, Tilden Blanton with a left-hand shot instantly killing Demosthenes Noble after Noble had crippled Blanton's right arm with a bullet. Noble had previously according to Blanton, placed a pistol at the breast of two of Blanton's brothers. Noble was a member of a powerful feudal family, a former employe of Judge James Hays, and complications are expected. Blanton, whose father was democratic candidate for county attorney was acting as challenger.

The shots were fired while Blanton was leaning from the window of the voting place. He was carried into Jackson to the home of his father and there tacitly arrested.

OLD DOMINION SHOWS NO DESIRE TO CHANGE ANCIENT TRADITIONS

Elects Entire Democratic Ticket by Usual Majorities After Hot Fight

COUNT IS SLOW

RICHMOND, Va., Nov. 2.—With returns in from about half the cities and counties of the state the indications are that Judge William Hodges Mann, the democratic candidate for governor has been elected over W. P. Kent, the republican nominee, by about 23,000 majority. Bryan's majority over Taft in 1908 was about 20,000.

There was a considerable falling off from the vote polled last year but the total ballot probably will be larger than was anticipated. While Judge Mann is running ahead of the remainder of the democratic ticket, all other party candidates have been elected by safe majorities. E. D. James, who was nominated almost at the last moment in place of B. Q. Eggleston, democratic candidate for the secretary of the commonwealth who died after the ballots had been printed, is running well up and undoubtedly has been elected. The republicans had strong hopes of electing their candidate for this office, John B. Leake, because of the necessity of democratic voters scratching out the name of Eggleston and having to write in that of James.

REPUBLICAN DISTRICT. ROANOKE, Va., Nov. 2.—In the southwest counties including the ninth district, the only republican district in the state, Kent, republican, is receiving about a normal republican majority.

Roanoke county outside of Roanoke city, gives Mann four hundred majority. The count in Roanoke city, where 2,000 ballots were cast, is slow, owing to the length of the ticket, which includes state, legislative and city names.

MURDERED IN BED. ATHENS, Ga., Nov. 2.—Green Nix, well known farmer of Madison county, was found this morning in his bed with a bullet hole through his head. Everything in the house was turned upside down as if robbers had passed through.

PRESIDENTIAL CIRCUS COMPARES NOTES WITH A RIVAL ATTRACTION

Both Played in Same Town One Got Applause and the Other Got Money

CLOWN WAS JEALOUS

BIRMINGHAM, Ala., Nov. 2.—For an hour or more before leaving Jackson, Miss., early this morning President Taft's special train was parked in the railroad yards immediately alongside one of the sleeping car trains of the three-ring circus which played in Jackson as an opposition attraction to the president on yesterday.

It was not long before an acquaintance had been formed about the two trains and for a time the conversation ran from window to window like this: "We play in Yazoo tomorrow, where do you play?" asked a representative of the circus addressing one of the presidential party. "We play Columbia in the afternoon and Birmingham at night, with a street parade in both places," came the reply.

"We played Columbia yesterday?" "How was business?" "Bully."

"We get the crowds wherever we go," boasted a presidential one night stander.

"But we get the money," came back the circus man amid the applause of his associates.

CHICAGO LADIES WILL BAR ALL WICKEDNESS FROM CITY THEATERS

Day of Delight for the Bald-headed Row Will End December First

MORAL PLAYS ONLY

CHICAGO, Nov. 2.—Chicago women are going to remove the stage. A league of all the women's clubs in the city and its suburbs is being formed. Fifteen thousand pledges of support have been received from the women. Social leaders have given their approval. The organization has been per-acted and December the first the drama in all its forms will be put under the microscope, tested with acid, scouted for hollowness, and scrubbed until clean or be thrown into the moral garbage box.

It is going to be quite the thing to talk on the various play committees this season. The leaders of the exclusive sets have made that certain, Mrs. James A. Patton, wife of the wheat king, is going to take care of the dignities of the intellectual drama. Mrs. J. S. Grant, wife of a member of the Northwestern university faculty, will watch over the society plays. Mrs. Hubert Chaffield, chairman of the league will try to charge the undesirable parasites out of the French circle. Mrs. John Ferguson, wife of the millionaire banker who wears purple, evening clothes and white silk court dresses when he feels so inclined in the evening, will make or break musical comedy.

Other Divisions Planned. Many other divisions of the league are planned. There will be indoctrinations of the good plays and open disapproval of the bad, the evil, the immoral and the immoral ones.

When a new play comes to town after December 1, the chairman in charge of that particular class will appoint for group of "first nighters," who will be instructed to make a complete report on the performance.

For instance, one woman will watch the tow of the chorus girls. If those toes go too high they mark that down in the skirts of the show girls and a little too clinging or a rife too tight or just a shade too
