## Local Applications Avail Nothing

A Fair and Lustrous Complexion is Gained Only by Purifying the Blood

A Trial Package of Stuart's Calcium Waters Sent Free.

The best and most permanent complexion is that of the young people, which is due to the fact that their blood is pure and healthy. It is not the surface of the skin, but the condition of the blood which determines the complexion. A fair and lustrous complexion is gained only by purifying the blood.

It is impossible to estimate the number of cases of skin disease which are cured by the use of Stuart's Calcium Waters. It is a simple matter to find the faces of people who have used Stuart's Calcium Waters. The skin is clear, bright and healthy. The complexion is fair and lustrous. The skin is not itchy, red or inflamed. The skin is not covered with pimples, blackheads, or blotches. The skin is not covered with spots, or blotches, or blotches. The skin is not covered with spots, or blotches, or blotches.

The skin cannot be fed from the outside, and nothing of a nourishing or fat-producing character can be introduced through it so that the fine and money spent on so-called "skin foods" are simply wasted. The only treatment is contrary to Nature, and the skin like every other organ of the body must receive its nutriment from the inside.

If your complexion is full of pimples, blackheads, "boils," spots, or blotches, don't waste time on local treatment, but purify the blood thoroughly, and these blemishes will quickly depart. STUART'S CALCIUM WAFERS are getting excellent results in curing all skin and blood diseases, and not only do they rid the blood of all impurities, but also build up and strengthen and increase the blood current, making the cheeks rosy, removing pallor and wrinkles, and causing the whole countenance to fairly beam with superb health.

Secure a box of these blood-purifying and complexion-clearing wafers for 50c and make your skin smooth, rosy and free from blemishes and wrinkles. Also forward your name and address to the F. A. Stuart Company, 175 Stuart Bldg., Marshall, Mich. for free sample package.
