

DOTING SPINSTER SQUANDERED LOVE AND MONEY IN VAIN

Compelled to Leave Ex-Convict Husband After Seven Months

WASTED HER FORTUNE TO LAVISH ON OTHERS

Flaunted His Affinities in Her Face and Refused to Recognize Her

NEW YORK, Aug. 1.—Mrs. Louise Ewen von Koenitz has left her ex-convict husband, to whom she was married last November under the impression that he was a German baron with estates in Bavaria.

It was declared at the same time that the "baron" had spent \$15,000 more of Mrs. Ewen's money several months before their secret marriage in the rectory of St. Mark's Episcopal church, Jersey City.

The bride of last November, daughter of an old New York family, clung to her husband even after he had confessed he had served two terms in prison in New Jersey.

Her loyalty to Von Koenitz was repaid within a few months by proof of his entire disloyalty. When fact had been piled on fact she left him.

The story of the shattering of the romance, with its many pitiable features, was told last night by Frank M. Chamberlain of No. 129 Kent street.

COMMON JAIL ENDS GHASTLY ROMANCE OF CRIPPEN'S DUPE

Every Influence Brought to Bear on Ethel Leneve to Induce Her to Confess All She Knows of Murder Of Belle Elmore.

QUEBEC, Que. Aug. 1.—Probably not before August 15 will Dr. Hawley Harvey Crippen and Ethel Clara Leneve be taken aboard a trans-Atlantic liner bound for England.

Crippen will not fight extradition. He is a man exhausted; and he has sunk into the quagmire of the law without a struggle.

Forced through a curious crowd, Crippen was taken today before the provincial court of special sessions, where he was formally questioned as to his identity and notified that he was under arrest for the murder of an unknown woman.

By that time detective Mitchell, from Scotland Yard, will have arrived, bringing a formal application for extradition, although this application probably will not be necessary in view of the accused man's declaration that he will raise no obstacle to check his return.

It was a broken man that stood today before Judge Angers in the Provincial Court of Special Sessions.

ly manacled, the steel bracelets weighing down his thin wrists. It was apparent he had passed a bad night. The judge asked the prisoner if he was Hawley H. Crippen.

"I am," said Crippen. "Do you know this man?" indicating Inspector Dew. Crippen nodded his head.

"Yes," he answered. "Do you intend to fight extradition?" "No."

After a lengthy discussion the committee adopted a resolution directing the chairman to appoint a committee of five good democrats to investigate the situation, decide first as to the jurisdiction of the committee to take action and then as to whether there has been a nomination.

A. J. Field offered a resolution declaring that in the opinion of the executive committee the time has come when a uniform primary law to apply to all parties and all state elections should be enacted and recommending such legislation for the next general assembly.

STATE COMMITTEE WILL INVESTIGATE SIXTH DISTRICT

Five Good Democrats to Settle Matters Between Clarke and Godwin

RESOLUTION FOR STATE PRIMARY LAW OFFERED

Committee, However, Defers Action Until It Reassembles at Another Time

RALEIGH, N. C., Aug. 1.—The state democratic executive committee tonight re-elected A. H. Eller, of Winston-Salem, chairman by acclamation and named W. E. Brock, of Anson county, secretary instead of A. J. Field, who found it impossible to serve longer owing to his duties as private secretary to Governor Kitchin.

After a lengthy discussion the committee adopted a resolution directing the chairman to appoint a committee of five good democrats to investigate the situation, decide first as to the jurisdiction of the committee to take action and then as to whether there has been a nomination.

TAFT DECLINES TO SHARE SPOT-LIGHT WITH ROOSEVELT

Decides Upon Complete Reversal of Policy as to Publicity Since Colonel Has Come so Prominently in its Glare.

BEVERLY, Mass., Aug. 1.—President Taft followed up today the recent cancellation of his Western and Southern engagements by announcing that his speeches for the future will be few and far between.

Mr. Taft expressed regret, but said that important matters of public business would claim his attention from now until the coming of Congress.

The president did not give a definite answer today to Governor Dummer of Minnesota, and a delegation of fifteen men of St. Paul, who came to urge him to accept the invitation to speak before the National Conservation congress in that city September 1.

Mr. Taft is inclined to accept this invitation. The president is anxious that his position on conservation shall be fully understood.

An eye on Roosevelt. As to the influence of Colonel Theodore Roosevelt in New York, it is every reason to believe that the state leaders fully recognize its potency.

AMERICANS LEAD LATIN REPUBLICS IN REVOLUTIONS

Bonilla's Revolt in Spanish Honduras Fomented by Americans

MADRIZ KEEPS UP HIS FIGHT WITH HORNET

Steamers Captain Arrested For Breaking Neutrality Laws

NEW ORLEANS, Aug. 1.—That the revolution which former President Bonilla is promoting in Spanish Honduras will be fought largely under the leadership of Americans, is the belief of passengers arriving here today on the steamer Bluefields from Cuba.

General Gabe Conrad, the young American who was badly wounded while fighting for Estrada in Nicaragua, has joined Bonilla's forces. Declaring that Estrada was longer needed him, Conrad was a small force of American sympathizers left Nicaragua for Honduras a week ago, landed near Ceiba and made his way into the interior.

MANAGED HIS MISTRESS WITH KNIVES TO PROVE THAT HE WAS INNOCENT

Jap. Follows Ancient Custom of His People and Terrifies Household

ENDS IN POLICE COURT

GREENWICH, Conn., Aug. 1.—A Japanese drama in a Connecticut setting, with pretty little Matsuo Mayeda as heroine; Tatsuhiro Mayeda, her stepfather, the villain; Mrs. Adelaide Butler, widow of a member of the firm of Butler Brothers, and Mrs. Winfield, an American resident of Yokohama, as first and second walking ladies, occupied the attention of the police court at Greenwich today and created a sensation. The only thing wanting was a hero.

Mayeda has for the last three years been butler to Mrs. Butler. Last May Mrs. Winfield, returning from Yokohama for a short stay, brought with her Matsuo, a flower-like little Japanese beauty of sixteen. Matsuo is the child of a woman who works for Mrs. Winfield, and Mayeda is her stepfather.

It was not long before Mrs. Butler thought she detected Mayeda paying too much attention to Matsuo. Then, too, Matsuo was a source of worry otherwise.

"I can't do anything with her," Mrs. Butler told Judge Hubbard today. "She's stubborn and she stamps her little feet at me and talks what I am sure is most disrespectful language. Only I can't understand it, because she speaks only Japanese."

DOCTOR ADMINISTERS PASTEUR TREATMENT WITHOUT FLINCHING

Was Bitten by Mad Horse and Takes Treatment Without Anesthetic

NO SIGN OF RABIES

NEW YORK, Aug. 1.—Scientists of the country are interested in the case of Dr. Robert A. McAuslin, a veterinary surgeon of No. 397 Carlton avenue, Brooklyn, who was bitten two weeks ago by a mad horse and has since been giving himself the Pasteur treatment.

When seen by a reporter Dr. McAuslin treated the case as trivial. He was reluctant to speak about it, saying that he was afraid his friends might "jolly" him, but was finally persuaded to tell of his experience.

"While I have never heard of a similar case, I believe there have been many. Horses afflicted with the rabies are nothing unusual. I have seen many."

"On July 16 I was summoned to the Long Island State hospital to attend a horse that had been acting queerly several days. I found the horse foaming at the mouth and biting itself.

CANALEJAS DEMANDING GREATER CONCESSIONS THAN VATICAN CAN GIVE

Immediately on Receipt of Notice Spanish Ambassador Leaves Rome

ISSUES INVOLVED

ROME, Aug. 1.—One hour after presenting the note of Premier Canalejas to the vatican officially, announcing that Marquis De Ojeda had been "called to Madrid for a communication from the government," the Spanish ambassador to the vatican left Rome.

The statement issued by Premier Canalejas yesterday bearing on the controversy between the church and the state has been carefully perused by the vatican officials who wish it to be clearly understood that that part of the statement in which it is declared that the Holy See intended to concede to the Spanish government is without foundation in fact.

In answer to this the Holy See returns that it deals with the Spanish government, not with parties in the Cortes. The concessions between the Holy See and the Spanish government agreed to in 1904, it is pointed out, had already been approved by the senate and were about to pass the chamber of deputies when the Maura cabinet fell.

CARLISLE'S FUNERAL TO BE HELD IN WASHINGTON

Will Take Place at Old Home There and Will be Buried in Kentucky

NEW YORK, Aug. 1.—The funeral of the late John G. Carlisle, former secretary of the treasury, will be held in Washington at 2 p. m. on Wednesday, it was announced here today.

At a meeting tonight of the association of former office holders under the Cleveland administration, David Robinson, former commissioner of immigration at Savannah, Ga., and William Curtis, former assistant secretary of the treasury, were elected delegates to represent the organization at the funeral.

Was So Proud that He was Taking Trip in His Car Called up Papers

NEW YORK, Aug. 1.—Theodore Roosevelt left New York early this afternoon on a four-days' automobile tour of New Jersey and Pennsylvania.

An enterprising automobile agent was the cause of the Colonel's discomfort. He called up every newspaper office in town and asked that photographs be sent to the Colonel's editorial office to make pictures of the departure.

SWANSON WILL FILL SEN. DANIEL'S SEAT

BALLINGER CALLS HIS ENEMIES DEMAGOGUES

Declares Pinchot et al, are Fanatics Who Are Trying to Cause Trouble

ST. PAUL, Minn., Aug. 1.—In an interview which he gave out tonight at Minneapolis, Richard A. Ballinger, secretary of the interior, bitterly arraigned his enemies as "demagogues," and charged that not only are they seeking to make a scapegoat of, but that they are also trying to foment trouble between President Taft and Theodore Roosevelt.

There are a lot of demagogues that would like to see a breach forced between Theodore Roosevelt and President Taft. It's just the way of things. But President Taft has been wise. He has taken a broad and liberal stand for constructive and up-building policies.

YOKUM DECLARES CROPS WILL BE ABOUT AVERAGE

After Trip Through West Finds Reports of Damage Were Exaggerated

STIR UP STUDENTS

WASHINGTON, Aug. 1.—Through unofficial channels the state department has learned how President Farnado, of Salvador, nipped in the bud a plan concocted by agents of Madrid to incite the students of Salvadoran universities to anti-American demonstrations.

NEW YORK, Aug. 1.—B. F. Yokum, president of the St. Louis and San Francisco railroad company, says it is his belief tonight on his return from a short Western trip, that the crop yields this year will be about equal those of last, despite the damage in some quarters.

"Anxiety over crop reports from the southwestern states has greatly subsided," he said, "on account of good rains for one thing and for the fact that the damage was exaggerated in the first place. This year's Kansas wheat crop is estimated at 47,000,000 bushels against 47,000,000 last year, but large crops of hay and oats will probably bring the total crop yield up to that of last year's yield. The crops in Missouri are as good as last year and in the southwestern part of the state exceptionally good. The one crop is estimated at 5,000,000 bushels more than last year."

"Cotton in Arkansas and Mississippi is in good condition with from 15 to 20 per cent more acreage. The Oklahoma corn crop has been damaged considerably, but the wheat crop will run 25 per cent greater than last year. There will also be a splendid yield of hay and oats. Texas now expects a better cotton crop than last year and a good crop of rice and corn. All things considered the crop conditions this country view indicate a better yield this year than last."
