

Society AND PERSONAL

The wedding of Miss Bertha Hamilton and Mr. Augustus Schulse, which occurred at All Souls' church at 11:30 last evening, was one of the most beautiful weddings which has ever taken place in that edifice. The line of carriages and automobiles filled the adjacent streets, and after the church ceremony, conveyed the guests to the reception held at the home of the bride's parents, Mr. and Mrs. J. M. Hamilton, in Summit St. There were about three hundred guests at the reception and many more at the church. The bride and groom were met at the altar by Rev. Junius M. Horner and Dr. Rodney Bush Swope, the latter reading the marriage service of the Episcopal church, after which Bishop Horner pronounced the benediction. Mr. F. F. Harker played an appropriate and beautiful musical program which added greatly to the attractiveness of the occasion. Miss Hamilton wore a charming gown of white chiffon, handsomely embroidered and looked exceedingly pretty. Her veil was of tulle attached to a coronet of orange blossoms, and her shower bouquet was of brides roses. Her sister, Miss Rena Hamilton, was her maid of honor and her only attendant. Miss Hamilton wore a white gown and a pink hat and carried a shower bouquet of pink and white carnations. The bride was given in marriage by her father, Mr. James M. Hamilton, Mr. George Arthur was the best man, and Mr. Charles Hamilton and Mr. Albert Hamilton, brothers of the bride, were the ushers. At the reception which followed, Mr. and Mrs. Schulse, standing with Mr. and Mrs. Hamilton and Miss Hamilton, received the congratulations of their numbers of friends. The house was decorated lavishly with pink carnations, all of the candles and lights being shaded with pink. A buffet supper was served. Dainty white boxes bearing the interlaced initials of the bride and groom in gold, contained the wedding cake, and were presented to the guests. Mr. and Mrs. Schulse left on the Carolina special for Cincinnati and from there will go to LaCrosse, Wis., to visit the parents of Mr. Schulse for several weeks. On their return they will occupy the attractive cottage on the Nursery road which has been put in order and redecorated. The wedding presents were unusually handsome and costly, and were too numerous to mention. Mr. Schulse is connected with the Biltmore estate in a responsible position. Of particular interest is the fact that the wedding occurred on the twenty eighth anniversary of the marriage of the bride's mother.

Miss Ethel M. Barrels, daughter of Mr. and Mrs. Barrels of North Asheville, and Mr. Charles G. Henderson were married yesterday evening by Rev. J. J. Williams at the Methodist Protestant cottage. The attendants were Mr. and Mrs. McKimble, the latter being a sister of the bride, and Mr. Harry Henderson, a brother of the groom. The announcement of this marriage will come as a great surprise to the many friends of the young people.

The Philistines of the Central Methodist church will hold an important business meeting at the residence of Miss Hattie Carr on Vance street this afternoon at 3:30 o'clock. All members of the class are urged to attend.

At the recent meeting of the executive committee of Buncombe County Sunday School association, in the home of Mrs. Lewis Collins, president, the plans for the annual convention, which should have been held in October last, were formulated. On October 6 and 7, Thursday and Friday, are the days for the convention; and the First Presbyterian church annex is the place. "The call" is now in the hands of the printer, and will go out to the 107 schools of the county on the 15th of the month. The program will be unique—a "How" program throughout; and it will be very helpful. An exhibit of Sunday school publications and helps will be prepared; and for this the class rooms of the annex afford convenient space. The annual state statistical blanks will be sent out this week to all schools. It will make some superlatively to answer some of the questions of its down-to-date items. It certainly gives notice to every school in the county that good grading is expected. Mr. Collins has a copy of bulletin No. 2 of tours to the 13th international convention to be held in San Francisco June 29-27. It tells of eight tours planned to carry workers, especially adult Bible class workers, in through all parts of the country, and a plan of a picnic, shopping at the cities for round-trip rates from St. Louis, Memphis or New Orleans, is \$57.50. Further news may be had by intending delegates from Mr. Collins, or Mr. Van Carter, general secretary, Raleigh, N. C. The annual North Carolina state convention will meet in High Point April 25-27. Mr. Martin Lawrence is to be the international expert present, the best yet. By a new ruling of the executive committee Buncombe county is entitled to send only 14 delegates—one for every township in the county, but from any part of the county. They are to be chosen by the county officers. In addition, three county officers may go. Certainly a full delegation will go, and armed with invitations from Asheville to hold the convention of 1911 here, in addition to the County Sunday School convention planned for as above, the township officers chosen last summer will meet shortly with the county officers, and plan the uniform program for 14 township conventions to be held in the summer. Possibly the one for Asheville may have its own program.

At a meeting this afternoon at 4 o'clock at the residence of Mrs. C. P. Amber, 412 Merrimon avenue, the Rector's Aid society will be re-organized for the purpose of raising funds for the re-building of Trinity church. All interested are cordially invited to attend the meeting.

Miss Mildred Courtney has issued invitations to a Valentine party which she will give February 14 at her residence in Montford avenue.

Fairfield Inn in the Sapphire country will open under the management of Mr. H. R. Robertson April 1 for the season. Mr. Robertson has been in the inn for a term of three years and anticipates one of the best seasons in the history of the well-known mountain resort. The Sapphire cottages at Sapphire will not be opened at all this summer which will leave only Fairfield and Toxaway to accommodate the many summer guests. The trout fishing at Fairfield lake is unusually fine and it is in order to accommodate the spring fishing parties that Mr. Robertson is opening the inn. Fairfield is one of the most beautiful scenes in the North Carolina mountains, and the handsome and spacious inn on the banks of the

Do You Enjoy Your Meals?

DO YOU ENJOY YOUR MEALS? One of the Most Important Questions to Consider in the Search for Happiness and Health.

The burning question to you is, "Are you getting out of life all the pleasure and the health you are entitled to?"

No matter whether every organ and member of your body is in a sound state of health and strength, if your stomach is in any way disordered, you are not going to be "yourself." You are going to be a worried, out-of-sorts, nervous or sullen individual, whose action will reflect your condition inside, and people will naturally avoid you.

The world wants to smile and be cheerful, and unless your are cheerful and amiable, at least occasionally, you will have few friends, fewer opportunities, no success, and you will go down in defeat—defeated by dyspepsia and its effects.

A good and thorough digestion has a quick, wonderful reaction upon the brain. You must have noticed it many times, for the brain and stomach are an intimately connected organ. If your stomach is not in good order, it is to your disadvantage without the other. If your stomach is slow and lazy in digesting your food, it will produce an acid, a slow, lazy and cloudy influence upon your brain. Mark it! Your stomach has absolutely quit work, and fermentation is poisoning your vital organs. Surely your brain is going to be sluggish and correspondingly depressed. No one need tell you that.

But why continue to suffer all the miseries and torments that a disordered stomach brings you?

If your stomach cannot digest your food, what will? Where's the relief? Where's the cure?

Stuart's Dyspepsia Tablets are the relief and the cure. Why? Because, as all stomach troubles arise from indigestion and because one ingredient of Stuart's Dyspepsia Tablets is able to thoroughly and completely digest 2,000 grains of any kind of food, doesn't it stand to reason that these little Dyspepsia Tablets are going to digest all the food and whatever food you put into your stomach? Science nowadays can digest food without having to use the stomach for it. And Stuart's Dyspepsia Tablets are the result of this scientific discovery. They digest and digest thoroughly and well, anything and everything you eat.

So, if your stomach refuses to work, or can't work, and you suffer from eruptions, blot, rash, fermentation, biliousness, sour stomach, heartburn, irritation, indigestion or dyspepsia of whatever form, just take one or two of Stuart's Dyspepsia Tablets and see the difference. It doesn't cost you much to provide it. Then you can eat all you want, what you want whenever you want, if you use these tablets, and you can look the whole world in the face with a beaming eye and you will have a cheerful spirit, a pleasant face, a vigorous body and a clear mind and memory and everything will look and taste delicious to you. That's life.

Get a package of Stuart's Dyspepsia Tablets at any drug store on earth for 50c a package.

Splendid Variety of Spring Dress Goods

Our showing this season is far in advance of any this house has yet attempted. We were very much encouraged by last fall's dress goods sales; hence, believing that the women of this vicinity appreciate our efforts in giving them large city stocks to choose from, we have gathered together this comprehensive assortment.

In the newer effects, mannish weaves take the lead. Neat pin and pencil stripes are greatly in evidence. In fact it seems that it will be a hard matter to distinguish between men's and woman's suitings.

Pay us a call today and see the new styles. Plenty of salespeople to show you, but not one to urge you to buy.

Blue serge, in several widths, for 50c to \$1.75 yard. New materials, in grey, tan, green and brown, solid and fancy fabrics, for \$1.00 to \$2.00 yard.

Black and white checked wool fabrics, for 50c to \$1.50 yard.

White serge, with pencil stripe, for \$1.25 to \$1.75 yard.

White serge, several widths, priced reasonably for \$1.00 to \$2.00 yard.

Several of the pretty Lingerie Dresses now selling from \$7.50 to \$15.00 remain of lot put on sale.

We invite you to inspect these Lingerie dresses and at the same time endeavor to find their equal at twice the price.
