

SOCIETY AND PERSONAL

The Children of the Confederacy, and any other children who are interested, are asked to meet this afternoon at four o'clock in the Confederate hall. The Smith Greater shows, whose tents will be pitched on the Orr lot, between Liberty and Bridge streets. The children who assist in the tagging will be remunerated, and their help and that of all of the children of the Confederacy is asked. At the meeting this afternoon the arrangements and plan will be discussed, and all children interested are invited.

This afternoon at All Souls' church there will be an organ recital by Mr. F. P. Harker at half after four o'clock. The following is the program:

1. Prelude in Fugue in B minor. Bach
2. Pastoral in F. Bach

The Woman's guild of Trinity church will meet with the Misses Stevens Thursday at 2.30 o'clock at 15 Bearden avenue.

Mr. A. W. Green, president of the National Biscuit company, arrives today in his private car "Republic," accompanied by his two daughters and Mr. L. Iselhardt, traveling manager of the National Biscuit company. Mr. Green and his party will drive over the city today and also go over the offices of the company in this city. The car will remain in the passenger yard throughout the day, leaving tonight for the South. Mr. Green is one of the most prominent of the visitors of the spring, and it is rumored that his stay in Asheville will not be longer.

The grand opera season this spring in Atlanta offers irresistible attractions and will doubtless be attended by a number of Asheville people, who will take advantage of the rates it is rumored will be made by the various railroads. There will be four operas given, beginning April 27 with "The Girl of the Golden West," founded upon the play written by David Belasco (as present in Asheville), with music by Puellini; Humperdinck's "Kontschinker"; "The Children of the King," with Gerhardt; and "La Gioconda" with Carl Torn. Mr. Green and his party will be the second opera: "Il Trovatore" and "La Gioconda" will complete the program. The entire Metropolitan Grand Opera company, including Caruso, Scotti, Herbert Witherspoon, Emmy Destinn, Fremstad, Farrar, Rappold and seventy-five or more lesser talents, including the four conductors, Fiora, Podetti, Tommasini and Pasternack, and the splendid chorus, ballerina, etc. The two first operas have been the sensation of the winter, and much interest is centered in them.

Mountain Meadows Inn, which has proved so popular in past seasons, will be opened very soon, probably in the early part of April. So many reservations have been made by parties desiring to enjoy the hospitality of the well-known resort that the date for the opening has been moved forward considerably, and the announcement that the inn will be opened so soon will be received with pleasure by many people. The inn this year will be in charge of Miss Tempe Harlow, who for the winter has been at Clearwater, Fla. She is expected to return to Asheville within the next few days, and preparations will at once be started for the opening of the inn. Many improvements in the building and in the grounds will be made to add to the comfort and attractiveness of the place. The road between Asheville and Mountain will be this year in better condition than ever, and this resort will, no doubt, be even more popular than in the past.

Miss Lucy Pennington has had the honor of being elected president of the sophomore class at Vassar yesterday announced the names of the members of the class she had selected for the famous daisy chain, one of the time-honored customs of

the class. Miss Marguerite Wright, Miss Mozelle Neely, Mr. Bowdye Phinney, Messrs. Robert Neely, Jr., Alvin Neely, Archibald Blackhear, Henry Garret and Mr. W. H. Doble, of Waynesboro.

The following special dispatch to The Citizen from Boston last night tells of the honors received by two of Asheville's girls. Miss Agnes Lockwell 17, of 48 Church street, Asheville, and Miss Mary E. Rogers, 12, 43 Grove street, are among the happy students at Wellesly college who were today honored with scholarship awards. Each received a Wellesly scholarship, the second highest distinction which the faculty bestows. The competition was keen among the thousand senior and juniors for the honors.

The graduating exercises of the nurses of the Mission hospital will be held tonight at the auditorium of the Y. M. C. A., the exercises being at eight o'clock. There are this year four members of the graduating class to receive their diplomas, and the occasion of the presentation of these will be very interesting. The following will be the program: Praeludium, Dr. R. F. Campbell, solo; Mrs. Joseph Mearns, annual address; Dr. C. W. Byrd, piano solo; Miss Mae Kimberlin, address on behalf of the city; Mrs. J. H. Martin, music; Mrs. Joseph Mearns, presentation of diplomas; Dr. W. L. Dunn, president of the board of managers; benediction, Dr. W. M. Vines.

Hancock will obtain a several months' furlough, and will be in Asheville with Mrs. Hancock.

Today is the last day for entering the women's singles' handicap, "one club" match, twelve holes, model play, which takes place at the Country club shortly. All desiring to enter the contest must give their names to Miss Ethel Reeves not later than four o'clock this afternoon. The entrance fee is twenty-five cents. Judging from the number of entries already in, this match will be a most popular one, and should afford those playing a great deal of fun besides being excellent practice. It is sincerely hoped that all members who have at any time played golf will enter. The committee will arrange the time of play for those who are also entered in the tennis tournament now being played at the Country club in order that they will not conflict.

Mrs. Frederick Ball Pope, of Augusta, Ga., has been a conspicuous figure at the various receptions and garden parties given for President and Mrs. Taft and Miss Helen Taft, recently in Augusta. The president was entertained at the home of Mr. and Mrs. Pope during his former visit. At Mrs. Landon Thomas' garden party Mrs. Pope assisted in receiving the guests and wore a beautiful imported gown, with a wrap of ermine. Her flowers were orchids. The following account, taken from an Augusta paper, will be of interest to the friends of Mrs. Pope in Asheville:

"The presidential party were the guests of Mr. and Mrs. R. C. Neely Friday afternoon on a delightful trip to Waynesboro.

"On their arrival they motored to the home of Mr. and Mrs. William A. Wilkins, who entertained for them with an informal but very beautiful tea. The party was greeted on their arrival by Mr. and Mrs. Wilkins, who were assisted in receiving by Mrs. Frederick Ball Pope and Mrs. Edward Burwell. The entire lower floor was thrown open, in each of the big open fire places blazing logs added to the cheer of the scene and furnished a welcome warmth, for the day was cool in spite of the brilliant sunshine. Beautiful roses, hyacinths, violets and daffodils were in bowls and vases in every available spot, and the quantity of jessamine and other wild flowers brought the beauty and fragrance of the woods within the lovely rooms.

"In the dining room the tea table was an exquisite picture with its perfect appointments of silver and cut glass. Cluny lace covered the rich mahogany and massive silver candelabra were filled with pink shaded candles. Kiln-baked roses were used in the center and the candies and cakes were in the pink rose design. Mrs. Robert Caldwell Neely poured tea. Delicious refreshments were served, and the afternoon was thoroughly enjoyed by all present. The guests motored back to the city about dark.

"Mrs. Wilkins was an ideal hostess, making everyone delightfully at home. She was extremely handsome in a black net gown and wore handsome pearls and a carriage bouquet of pink violets.

"The guests of Mr. and Mrs. Wilkins at tea were: President and Mrs. Taft, Mr. Charles Norton and Major Butt, Mr. and Mrs. Robert C. Neely, Mr. and Mrs. Landon Thomas, Mrs. Frederick Ball Pope, Miss Mabel Boardman, Miss Anne Thomas, Mr. and Mrs. John Herbert, Mrs. Henry Alvah Strong, Mrs. Helm, Mr. and Mrs. Edward Burwell, Miss Lucy Al-

len, Miss Marguerite Wright, Miss Mozelle Neely, Mr. Bowdye Phinney, Messrs. Robert Neely, Jr., Alvin Neely, Archibald Blackhear, Henry Garret and Mr. W. H. Doble, of Waynesboro.

How to Make Better Cough Syrup than You Can Buy

A Family Supply, Saving 25 and Fully Guaranteed.

A full pint of cough syrup—as much as you could buy for \$1.25—can easily be made at home. You will find nothing that takes hold of an obstinate cough more quickly, usually ending it inside of three hours. Excellent, too, for whooping cough, sore lungs, asthma, hoarseness and other throat troubles.

Mix 1 pint of granulated sugar with 1/2 pint of warm water and stir for 2 minutes. Put 2 1/2 ounces of Pinex (50 cents worth) in a pint bottle, then add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

This is just laxative enough to help cure a cough. Also stimulates the appetite, which is sure to be upset by a cough. The taste is pleasant.

The effect of pins and sugar syrup on the inflamed membranes is well known. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in gulfic acid and all the natural healing pine elements. Other preparations will not work in this formula. The Pinex and Sugar Syrup recipe is now used by thousands of housewives throughout the United States and Canada. The plan has been limited, but the old successful formula has never been equaled.

A guarantee of absolute satisfaction, or money promptly refunded goes with this recipe. Your druggist has Pinex, or will get it for you. If not send to The Pinex Co., Ft. Wayne, Ind.

CAMORRA MEMBERS CLAIM EVIDENCE AGAINST THEM HAS BEEN MANUFACTURED

Effort to Destroy Police of Naples is Unique Defense Set Up

TRIAL PROCEEDING

VITERBO, Italy, March 22.—The probable defense of the Camorristas on trial here was made apparent today. When Guiseppe Salvi, one of the six alleged assassins of Cuocolo and the latter's wife was confronted with a ring which belonged to Cuocolo and which the authorities had found hidden in the mattress of a bed at the home of a woman known as a friend of the accused, he declared that it had been placed in the bed in a deliberate effort to make evidence against the Camorristas by the legion of Carbonari of Naples, who while accomplishing the apprehension of the defendants sought to discredit the police of Naples and make the latter appear to be hand in glove with the criminal organization. During the day Prof. Ottolingo of the faculty of medicine at the university of Rome arrived here to examine the Informer Genero Abbatmeglio. He has been retained by the defense which will attempt to prove that Abbatmeglio is mentally irresponsible. When the prisoner was told that he was to be examined he remarked calmly:

"Professor, you are losing your time."
