With a hold upon his audience that plainly showed the power of the orator, Rev. W. M. Vines delivered an address at the Y. M. I. yesterday af-ternoon that will long be remembered. Beginning by paying a tribute wide and wholesome influence that the Y. M. I. is exerting in the community, he for the next thirty ninutes spoke on his recent trip to He gave a vivid picture of life and customs of that people and also of the manny changes for better that have been brought aince the Spanish-American And in the course of his ad-WAT. after telling of the improved manitation, of the moral and industrial awakening, he outlined the posi-tion and attitude that the true christian should take on all questions that have to do with betterment in our city. In no uncertain tones he impressed upon his hearers the work they should do by way of co-operain helping to raise the moral Stress was laid upon the clean life of the young men and young woand of the proper home-training.

DON'T SAY YOU'RE OLD

ou only feel old Digestive organs are weak-don't assimilate food as they used to Other organs act more slowly and less effectively.

Blood is thin and sluggish. Renewal of strength does not equal the wear and tear of your system. That's what makes you feel old. Nothing in the world will tone up and invigorate those weak, backslid-ing organs, make rich blood and create strength so quickly as Vinol. Vinol is not a secret nostrum, simply the medicinal elements of the cods' livers, with the useless nauseating oil eliminated an. tonic iron add-ed. Try a bottle of Vinol with the understanding that your money will be returned if it does not make you stronger, feel younger and give you an added interest in life. Smith's Drug Store.

ital stock of \$50,000 to manufacture the player in Asheville.

Prompted through an interest in local industries, the directors of the board of trade visited the plant last week and after hearing and seeing the instrument played highly commended the player, which has the reputation of commanding the expression, time, etc., as found in no other player manufactured.

It is understood that plane manufacturers in Cincinnati are endeavoring to have the Asheville factory move to that city, and that other manufacturers of the players are anxious to take stock in the local company. Th new player can be attached to

any modern make plane with a Bos-ton fall board. The factory is steadily at work on the players ,and has a capacity for turning out about fifty
