as advertised by the makers—in order to introduce aluminum ware.

We offer for ten days if stock holds out

A 55 Cent Sauce Pan at 30 Cents

This is under the cost price. But we believe that many who buy a sample will begin to use aluminum cooking wear in good earnest.

We are compelled to limit the sale of these to two to a customer—and to net cash only.

When buying the above kindly glance over our immense line of aluminum ware.

The most interesting announcement of yesterday was that the Asheville club would give a reception in honor of the State Federation of Women's clubs the first week in May during the meeting which is held here at that time. It has been some years since ladies' day at the club was omitted from the annual program, and the announcement of the fact that the policy of the Asheville club would be thrown open one afternoon for the reception of the fair sex caused quite a ripple yesterday. The hours of the reception will be from four until six o'clock, and the afternoon will be decided upon later.

There will be a meeting of the Woman's guild of Trinity church this afternoon at the residence of Mrs. Frank Hewitt, 311 Montford avenue, at half after three o'clock.

The cake and apron sale which will be given by the guild of Trinity church Saturday will interest women. Many dainty, useful and attractive aprons have been donated for the occasion and will be sold at W. C. Moore's drug store. The cake and bread sale takes place at Yates & McGuire's grocery store.

An interesting rumor which is at present going the rounds is that of the prospective marriage of an Asheville widow to a well known physician of the city who has been a widower for a number of years. It is said the wedding takes place June, and if it does will be of interest to a large number of Asheville people.

Yesterday was the anniversary of the battle of Shiloh, and today there will be a commemorative program given at the residence of Mrs. James P. Sawyer by the Daughters of the Confederacy. The meeting will be at four o'clock this afternoon, and will be of special interest.

This afternoon at half after four o'clock at All-Souls church, Biltmore, Mr. F. F. Harker will give an organ recital, the program of which was published in yesterday's issue. Mr. Harker's Lenten recitals have been largely attended, and have been greatly enjoyed by the community. Mrs. Elmer Westall will be the soloist.

The S. P. C. A. will meet today at four o'clock at the Y. M. C. A. auditorium. All members are urged to attend.

The invitations to the subscription fancy dress and masquerade ball which will be given under the auspices of the Country club April 20 at the Manor were received yesterday. The acceptance must be sent in to Mr. E. I. Frost not later than April 11, or otherwise the project will have to be abandoned. The ball will be one of the largest and most beautiful ever given in Asheville, and the arrangements entail considerable time and energy, therefore it is necessary that there be assurance of the support of the club. It is also requested that any member of the Country club who has not received an invitation communicate with Mr. Frost as early as possible. The invitations included the following list of patronesses: Mrs. Richmond Pearson, Mrs. Tench Cox, Mrs. A. E. Barnard, Mrs. D. C. Waddell, Jr., Mrs. Philip S. Henry, Mrs. John A. HOW TO CURE RHEUMATISM It is An Internal Disease And Requires An Internal Remedy.

The cause of rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. RUBBING with Oils and Liniments WILL NOT CURE, affords only temporary relief at best, causes you to delay the proper treatment, and allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatism than paint will change the fiber of rotten wood.

Science has at last discovered a perfect and complete cure, which is called Rheumacide. Tested in hundreds of cases, it has effected the most marvelous cures; we believe it will cure you. Rheumacide gets at the joints from the inside, sweeps the poisons out of the system, tones up the stomach, regulates the liver and cleanses and makes you well all over. Rheumacide strikes the root of the disease and removes its cause. This splendid remedy is sold by druggists and dealers generally at 50c and \$1 a bottle. In Tablet form at 25c and 50c a package. Write to Bohardt Chemical Co., Baltimore, Md. Booklet free. Tablets sent by mail.
