

Society and Personal

The History club will meet at the home of Mrs. Wiley on Patton avenue this afternoon at four o'clock.

The informal dance will be omitted this evening at the Battery Park hotel owing to the fact that it is Good Friday, and will take place next week. The young people have an informal dance each evening until the orchestra ceases playing at ten o'clock but the Friday dances are the interesting feature of the season and have been very well attended.

The posters announcing the recital to be given by Mr. Edward Hines April 17 have appeared in the shop windows. Mr. Hines will be accompanied by Mrs. Evelyn Hawley, contralto, and Mrs. C. E. Collier will be at the piano. The concert will be one of the musical treats of the year, and a sentimental interest is aroused by the fact that Mr. Hines, who has so rapidly come to the front as a singer, is an Asheville boy.

The French History club meets this evening at the residence of Mrs. William L. Dunn. The subject will be "French Literature at the Time of the Renaissance." Papers will be read by Miss Ethel Ray, Miss Lulu Ray Williams and Miss Flora Gash.

There will be an Easter egg hunt at the Mayor tomorrow afternoon, arranged for the children who are staying there during the spring by Miss McChesne, of Richmond, and Miss Robertson.

Mrs. J. W. Faucett entertains with an informal bridge party this evening at her residence on College street.

Today being Good Friday there will be a few social events taking place, even were the weather propitious. The latter has very successfully put an end to any number of informal parties, which are postponed until after Easter. The windows of the flower shops are filled with the first Easter flowers, which are unusually beautiful this year. Tomorrow there will be a number of displays of flowers, ranging from the potted Easter lilies and other plants to the cut flowers and corsage bouquets. The asparagus is gorgeous in coloring and well, and for the first time the native wild variety seems to have supplanted the cultivated kind of magenta and crimson hue, so long popular at this season. The churches Easter Sunday will all be decorated elaborately and there will be special music. At St. Lawrence's the large first communion class of thirty-five children will be a beautiful sight, which will attract many visitors to the church.

The status of the Hon. George Davis will be unveiled on the 10th of April at 12 o'clock in Wilmington, N. C., by the Sons of the Confederate Veterans. All chapter officers are most cordially invited to be present. The program will be of interest. The state officers of the I. D. C. North Carolina division are as follows: Mrs. F. M. Williams, Newton, president; Mrs. M. O. Winstead, Rocky Mount, first vice president; Mrs. Josephus Daniels, Raleigh, second vice president; Miss Carry A. Leaser, Mooresville, third vice president; Mrs. Thad W. Thrash, Tarboro, recording secretary; Mrs. W. C. Feimster, Newton, corresponding secretary; Mrs. Robert Kornegay, Goldsboro, treasurer; Mrs. Robert H. Davis, Louisburg, registrar; Mrs. W. M. Cressy, Wilmington, recorder of crosses; Miss Rebecca Cameron, Hillsboro, historian; Mrs. W. O. Shannan, Henderson, assistant historian; Miss Hettie James, Wilmington, chaplain.

The children of the Confederacy will meet Saturday at 11.30 in the Confederate hall at the court house. Capt. Allright will talk on the "Seven Days' Battle Around Richmond." The following will be given certificates: Lawrence, Wilmoth, Harry and Francis Noland, Edith and Hugh Clark, Robert and Mary Wiley; Katherine Carr, Marie Rich, Hazel Billow, Christine Lee and Mildred Baird; The American Women's league will meet today at four o'clock at the Y. M. C. A.; Local "Pikes" are looking forward with great interest to the Pi Kappa Alpha convention which will be held in Knoxville on Thursday, Friday and Saturday of next week; Knoxville is a Pi Kappa Alpha stronghold and the fraternity men of that city are making preparations to entertain their visitors in great style. The committee which has the entertainment of the visitors in charge has made arrangements to hold business sessions only in the forenoon in order that the afternoons and evenings may be given over entirely to social features. Thursday afternoon will be devoted to driving the visiting frat men over the city in automobiles; on Thursday evening they will be entertained on a moonlight boat ride on the French Broad. The Knoxville clubs will entertain the visitors Friday afternoon at a reception, and Friday night will be given over to the Pi Kappa Alpha dance. Saturday afternoon other automobile drives will be had and the convention will come to an end with the fraternity banquet Friday night; Hotel Atkin has been chosen as the headquarters of the convention, and entertainment is being provided for about two hundred guests; Among the Pi Kappa Alphas who live in Asheville, the majority of whom will attend the convention, are: Dr. Charles C. Orr, Mr. G. Spears Reynolds, Mr. Ronald B. Wilson, Mr. Albert Mustin, Mr. H. Russell Deal and Mr. Theodor B. Harris.

The members of the younger set are looking forward with pleasant anticipations to the Bingham dance which will be given at the Battery Park Monday evening. It promises to be a delightful affair, and will be largely attended. The piano room will probably be used and music will be furnished by the orchestra; The Woolsey Hall Sunday school will give its Easter program tonight. The program follows: "Easter Buds"—Chorus; Recitation—"Sleepy Heads," Seldon Cooper; Recitation—"How the Flowers Tell of Easter," Edna Padgett; Duet—"Words of Love," Florence Padgett and Lorain Hamilton; Recitation—"The Easter Cake," Alice Sumner; Recitation—"Earth's Awakening," Eugene Hamilton; "Sunbonnet Song"—Three girls; Recitation—"The Boy and the Brook," Ignatius Brock; Recitation—"The Message of Easter," Sella Padgett; Recitation—"Playing Flower" Garden," Edith Welbourn; "Fair Lilies"—Chorus; Recitation—"Two Fussie Bunnies," Arnold Miller; Recitation—"Weep No More," Leola Barnard; "Praise the Risen King"—Chorus; Recitation—"The Soldiers at the Tomb," Carolina Brock; Recitation—"Lady Clare," Florence Padgett; "The Gardener's Chorus"—Boys.

Mr. and Mrs. J. H. Pillney, of Washington, are in the city for a short stay, and are guests at the Swannanoa hotel; Dr. and Mrs. Roy Engel, of Charlotte, are in Asheville for a short stay, and are guests at the Battery Park hotel; Mr. Allright Chambers, of the A. and M. college, has returned to spend the Easter holidays with his parents, Mr. and Mrs. E. C. Chambers; Mr. and Mrs. F. G. Murphy, who have been visiting friends in the city for a few days, have returned to their home in Atlanta, Ga.; Mr. and Mrs. John Upgrove, of St. Louis, Mo., who have been spending some weeks in the city, have returned to their home; Miss Louise Hill has returned to Chattanooga, after a several weeks' stay.

MANY PEOPLE GAVE ADVICE

To Pauline Korn, of San Gabriel, About Her Severe Illness—and Finally She Took It.

San Gabriel, Tex.—"For two years," writes Pauline Korn, of this place, "I suffered with womanly trouble every month."

"I always suffered so much with headache and the backache and other pains."

"So many people would tell me to take Cardui, the woman's tonic, so at last I tried it and found it to be a very nice medicine, as it relieved my pains."

"Cardui did me a great deal of good, for now I am well and healthy and do not suffer from any pains."

"Of course Miss Korn could have taken a drug to kill her pains, but that would not have made her 'well and healthy' as Cardui did."

"The great thing for you to remember about Cardui is that it is a perfectly harmless, gentle remedy, with no dangerous after-effects whatever."

"It does good, that stays good. It helps, not hinders, other medicines."

"It has no habit-forming ingredients, nor is safe for young and old."

"As a tonic, there is nothing in the drug store like it."

"As a remedy for women's ills, it has no equal."

"Try it."

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for special instructions and 54-page book, "Home Treatment for Women," sent in plain wrapper, on request."

The Easter millinery exhibition at the Webb millinery shop on Haywood street attracted a large crowd yesterday in spite of the incessant drizzle that lasted during the day. The hats were exceedingly smart, and the most charming combinations of color imaginable. There were any number of picture hats shown which were sufficient to transform the plainest visage beneath. There was a small white hat, closely fitting, trimmed with an egret which flouted its expansive stiffness from a double rosette of pink rose buds, which attached it to the hat. This was one of the prettiest dress hats. There were others trimmed with waving willow plumes of sapphire shade, masses of orchids and delicate mauve colorings and a large black hat which depended for trimming entirely upon a splendid sable plume. One white hat of medium size was covered with pale lavender lilacs of the valley and small roses of equally delicate shade of pink. There were dozens of others all deserving mention in the early part of the day, but the late afternoon found the shop denuded of the picture hats, which will be shown each day this and next week, which have been ordered for the Easter display.

Here is the formula for treating seed potatoes to prevent scab: soak the whole seed for two hours in a mixture of one-half pint formalin (formaldehyde) and fifteen gallons of cold water; dry the seed, cut and plant in ground that has not recently grown potatoes.

CHURCH IMPROVEMENT AT HENDERSONVILLE

FIRST BAPTIST CHURCH TO BE ENLARGED SHORTLY.

Political Candidates Are Being Asked Pooled Question by the City Voters.

HENDERSONVILLE, N. C., April 14.—At a cost of \$12,000 the First Baptist church is to be remodeled and enlarged. The architect's plans have been accepted, and the contract will be let at once. Under the pastorate of Rev. W. K. Cawthon, the First Baptist church has wonderfully widened its usefulness to the entire community. Mr. Cawthon came to Hendersonville from Union, S. C., about six months ago.

"Do you, or do you not, favor the appointment of a business manager for the town of Hendersonville?" is the pointed question now being hurled at the different candidates for municipal honors here. The business men of the town intend placing the candidates of both political parties on record—and those favoring this modified form of commission government for Hendersonville will stand most chance of being elected, it is said. It is claimed the salary of \$600 now paid the mayor, the commission paid the city tax collector and the salaries paid the chairman of the different committees will be ample to pay the salary of a thoroughly competent man and his clerk. It is believed, also, that this business manager, who would be directly responsible to the mayor and aldermen, would be able to save the town thousands of dollars annually.

The convicts on the Henderson county chain gang, who are busy all the time making good and better roads, will be given a feast on Easter Sunday by the charitably inclined women of the county. The menu calls for most anything you have in mind, including chicken and fried eggs and hot biscuits and country butter—and plenty of it. Road Supervisor Patton is somewhat alarmed over the prospects of his men being able to work at all on Monday.

The people of Hendersonville will vote shortly on the issuing of \$15,000 bonds for a new school building. There is no doubt as to the result of the election. The bonds will be voted. The present school property will be sold and the proceeds added to the bond issue, making an estimated total of \$21,000 to be expended for a modern school building to be erected on land already owned by the city.

If you are planning to grow your own asparagus—plants sow the seed as soon as the ground can be worked. Palmato is a splendid variety and you will make no mistake in planting it. Be sure to get seed from a reliable grower. Make the drills wide enough apart to permit cultivation with a horse. Thinning the plants to two inches in the drill, and thorough shallow cultivation are necessary to secure strong, well-rooted plants by fall.
