

ATTACK ON JUAREZ IS POSTPONED FOR ANOTHER 24 HOURS

Arrival of Senlor Madero Puts End to Storming of City Without Further Delay

TELEGRAM FROM GOMEZ MAY HAVE HELPED SOME

Not to Make Good on His Demands Would Place Leader in Curious Place

MADERO'S CAMP, Near El Paso, Tex., April 21.—Simultaneously with the arrival in camp tonight of Francisco Madero, ar. and his peace missionaries, Gen. Madero said that he would make no attack on Juarez for another twenty-four hours.

This decision was due partly to the arrival of his father as advance agent of the dove of peace but principally to a code telegram from Dr. Vasquez Gomez at Washington insisting that an attack on Juarez at this time would be unwise and probably would be the signal for American intervention.

Dr. Gomez insisted that public sentiment at this time was in favor of ending the strife, and the certain heavy loss of life in an attack on Juarez would turn the tide of moral support away from the rebellion.

The leader of the revolt was plainly perturbed at the situation in which he found himself.

Not to attack would make him a greater laughing stock than was Orozco, who marched to the city gates several weeks ago only to retreat without firing an offensive shot. Incidentally one of his principal leaders has told him that if the present campaign ends in a fiasco he will leave the general's forces and operate independently.

On the other hand Diaz has made a great concession in changing his cabinet ministers and granting political reforms and Washington and members of his own family urged Madero to desist.

The peace emissaries arrived at 9 o'clock tonight, the party consisting of Francisco Madero, ar. his brother, Ernestino, his son Alfonso; Rafael N. Hernandez and Frederico Moy, a merchant of Chihuahua, who joined the mission at that city.

NEGOTIATIONS ARE OFF

EL PASO, Tex., April 21.—All negotiations between the insurgents and the Mexican government were officially called off late today. Oscar Brasit and Esquivel Obregon of Mexico City, who have been trying to get Madero to accept peace proposals, received a telegram this afternoon calling off all negotiations.

BREACH GROWING WIDER BETWEEN REGULARS AND INSURGENTS IN SENATE

Insurgent Senators Demand Recognition as Distinct Organization in Senate

GET TURNED DOWN

WASHINGTON, April 21.—Formal demands made today by insurgent republican senators that they be recognized as an organization distinct from the republican majority of the senate and that they be given one-fourth of all of the majority membership of the committees and control of those assignments were rejected by a vote of seven to four at a meeting of the senate committee on committees.

Representatives of the regular republican organization determined to check the insurgent demands after it was learned that President Taft resented the insurgent attitude in opposing his policies and the activities of this minority faction in putting barriers in the way of his re-nomination for the presidency in 1912. This was the real reason for the widening of the breach between regulars and insurgents and was freely stated by some of the majority members.

The contest today was in connection with a resolution introduced by Senator LaFollette citing that Senators Clapp, LaFollette, Bourne, Borah, Brown, Dixon, Cummins, Brewster, Crawford, Gronow, Poindexter and Works constitute a separate progressive republican division public questions and pledging the committee on committees to accord the progressives their proportionate representation of one out of every four republican members on all committees, these progressive members to be designated by the four progressive republican members of the committee on committees.

CHESS TOURNAMENT ON. NEW YORK, April 21.—The British chess players who have but one more leg to capture on the Newnes trophy before it becomes their permanent property, started the thirtieth annual Anglo-American cable chess match today by gaining the first victory.

CONGRESS PASSES RECIPROCITY BILL BY A DECISIVE VOTE

Now up to Senate.—All Amendments Voted Down.—Democrats Almost Solidly for Measure.—Gudger Voted Against it.

WASHINGTON, April 21.—President Taft's Canadian reciprocity agreement, supported by all but a handful of democrats, and opposed by a majority of the republicans, passed the house of representatives early this evening by a vote of 265 to 89. With nearly 200 democrats in control, and their action endorsed by a large body of the republicans, the bill to put the agreement in force was adopted with no amendments, and in almost identical form in which it passed the house in the last session of the preceding congress.

Reduces Tariff Rates. The bill seeks to put into effect the formal agreement reached between President Taft and members of the Canadian cabinet for a reduction of tariff rates on many articles and free trade in many others, across the Canadian border. Added to it by the democratic leaders is a section which "authorizes and requests" President Taft to make further efforts to secure still freer trade relations with Canada in the form of additional reciprocal relations.

The passage of the bill marked the close of a fight that had raged in the house for six days. Amendments were admitted in the house today for almost every section of the bill, and in each case they were rejected by an overwhelming vote given by the friends of the measure on both sides of the house on the ground that any amendment would nullify it.

Gudger Voted Against It. Ten democrats voted against the bill on its passage, while 197 democrats voted for it. As in the case when the bill passed at the preceding session of congress a majority of the republicans were found against it, the party vote being 67 for and 73 opposed.

Among the democrats voting in the negative were Gudger, Webb and Doughton, of North Carolina.

The attempt to amend the agreement began with the final reading of the bill at three o'clock. The threats of republicans opposed to the measure to make the democrats vote against amendments for free meat, free lumber and free agricultural machinery, were carried out, but as the party leaders declared that any amendment would defeat the whole trade agreement they cheerfully voted these amendments down.

The republicans, who taunted them with opposing free admission of these important products, were met with the assertion that the democrats would lay the new farmer's free list bill before the house next week, and that an opportunity would then be given to

vote for free meat, machinery, lumber and a score of other things. This defense was met by republican stand-patters with the charge that the democrats knew the free list bill could not pass the senate nor secure the president's approval.

Was Sharp Discussion. The section of the bill relating to free admission of pulp and paper provoked the sharpest discussion, drawing from Representative Mann, of Illinois, the republican leader, the statement that it was in exactly the terms agreed upon by the two countries. Former Speaker Cannon bitterly attacked this section of the bill. "Let's bring Canada down here and surrender the halls of congress to them," exclaimed Mr. Cannon.

"I challenge the statement that we are going to pass the free list bill later on with the expectation that it will not become a law," said Democratic Leader Underwood in reply to statements from republican opponents of the reciprocity bill. "The free list bill will become a law, or the republican senate that kills it or the republican president that vetoes it will never be heard from again."

CANADA IS MUCH PLEASED. OTTAWA, Ont., April 21.—News of the heavy majority given reciprocity at Washington was received with much satisfaction by the government and liberal members who are supporting the measure here. The Canadian opponents of the pact are now placing their faith in the hope that the United States senate will long delay the bill or kill it.

"The vote at Washington today will be a great aid to the Canadian friends of reciprocity," said a member of the Dominion government. "I expect to see the opposition at Ottawa collapse in the course of a few days, and I believe the measure will be finally passed by parliament as soon as it is finally dealt with at Washington."

RECIPROCITY A SWINDLE. BOSTON, April 21.—Reciprocity with Canada was dubbed a swindle, the tariff was upheld, New England was characterized as a traitor to the West and Gov. Potts, of Massachusetts, was called a "demagogue who should be treated with a bed slat" in an address by Senator Lafayette Young, of Iowa, before the Boston City club tonight. "The Future of the Republican Party" was the announced subject of Senator Young's remarks, but he took advantage of permission accorded him of "speaking on anything I please."

PATIENCE NOW REQUIRED IN ARRANGING TERMS OF AN ARMISTICE IN MEXICO

If Madero Can Be Restrained From Attack on Jurez May be Arranged

GOMEZ USING WIRES

WASHINGTON, April 21.—Mexican revolutionists may yet find it necessary to attack Juarez and an armistice within a few days between the federal and insurgent forces is still a strong probability. This was the inference drawn from tonight's activities of Dr. Vasquez Gomez, head of the confidential agency of the Mexican revolutionists here.

Dr. Gomez sent several telegrams tonight to Mexico but the only information as to their contents was given in a statement which he issued. "It is impossible for me," said Dr. Gomez, "to reveal the nature of negotiations in which I am tonight engaged. All I can say is that within a few days I may be able to communicate something of great interest to the Mexican people. It is absolutely essential, however, that these negotiations be kept secret as we are dealing with some delicate points."

Dr. Gomez gave the impression that he had set to work on some new plans and that an adjustment of the situation satisfactory to General Francisco I. Madero, jr. may yet be effected. He was optimistic and it is believed that he had received some assurances or promises which caused him to advise the rebel leaders in the field to be patient.

MEXICO IS BUYING GUNS.

BERNE, Switzerland, April 21.—The Swiss arms manufacturer at Neuhausen is now turning out a big order of modern arms for the Mexican government. A Mexican army officer recently left, accompanying the first consignment of rifles to Mexico. Several other Mexican officers have arrived at Neuhausen to watch over the execution of the remainder of the order.

NEGRO MAKES DESPERATE ATTEMPT TO MASSACRE ENTIRE BRISTOL FAMILY

As They Slept He Went From Bed to Bed Slashing Their Throats

WRECKED THE HOME

BRISTOL, Tenn., April 21.—In a desperate attempt to massacre the entire family who slept, an unidentified negro late tonight entered the home of John Marshall, an aged citizen, living close in and going from bed to bed slashing the sleeping occupants so that one or more may die, while the condition of all is critical.

Mr. Marshall's throat was cut and his windpipe completely severed. His aged wife was feebly stabbed while a seven year old boy was stabbed half a dozen times while he slept. The negro then went to the bed of a daughter of the aged couple and stabbed her several times but she got away. There is great excitement over the wholesale butchery of the family and bloodhounds are on the trail.

The negro is understood to have gotten a large sum of money which Mr. Marshall drew from the bank today. The negro literally wrecked the house, tearing down stoves and breaking up furniture. The noise of his fearful assault awakened the neighborhood but he got away unnoticed. The negro entered through a rear window and went from room to room stabbing the sleeping occupants.

NEARLY BURNED EXPOSITION.

ROME, April 21.—The celebration of the opening of the ethnographic exhibition in connection with the jubilee exposition came to a spectacular end tonight when a bursting rocket, sent up during the fireworks display from the top of Monte Mario, set fire to the mountain forest. Before the eyes of thousands of spectators the flames spread rapidly along the mountain ridges. Inhabitants of nearby villas fled from their homes in great alarm while troops and firemen were rushed to fight the flames. The damage was small.

MRS. MATTHEW T. SCOTT AGAIN HEADS DAUGHTERS OF AMERICAN REVOLUTION

Re-Elected President-General of Society by Substantial Majority Along With Entire Administration Ticket.—Mrs. Edwin Gregory of North Carolina One of Vice-Presidents.—Session Will Close Today.

WASHINGTON, April 21.—Mrs. Matthew T. Scott, of Illinois, tonight was declared re-elected president general of the Daughters of the American Revolution for the next two years. She received 614 votes of the 1,086 votes cast and 148 more than her opponent, Mrs. Wm. C. Storey of New York, who received 466 votes. The tellers spent almost 24 hours in counting the votes which were cast yesterday.

Entire Ticket Selected. With Mrs. Scott was selected the entire administration ticket except one vice president general, who received ten votes less than the number necessary to elect and in which position a new ballot will be taken tomorrow.

When Mrs. Scott entered Continental, as the vote had been announced, preceded down the aisle by a dozen young pages and followed by a score more bearing great baskets and armfuls of flowers, she was received with wild applause. Scarcely had she mounted the platform before Mrs. Storey asked recognition. She declared that she had no bitterness in her heart because of her defeat, and urged all daughters to uphold, as she intended to do, the hands of the newly elected president general.

Others Elected

The others elected were: Vice president general in charge organization of chapters, Mrs. Henry L. Mann; chaplain general, Miss Elizabeth Pierce; recording secretary general, Mrs. Howard T. Hodgkins; corresponding secretary general, Mrs. Wm. Dennis; registrar general Mrs. Gatus Brumbaugh; treasurer general, Mrs. Wm. D. Hoover; historian general, Mrs. Chas. Bassett; assistant historian general, Mrs. Eleanor S. Thompson; and librarian general, Miss Amarillis Gillette, all residents of the District of Columbia except Mrs. Bassett, Maryland, and Mrs. Thompson, Massachusetts.

One Failed in Votes. Ten vice president generals were to be elected, but only nine received enough votes. All elected were Scott candidates, as also was Miss Harriet I. Lake of Iowa, who although tenth in point of numbers, had ten votes too few to elect. The nine declared elected, in the ordered selected, were: Miss Sophie Waples, Delaware; Mrs. Clayton R. Truesdell, Ohio; Mrs. Allen P. Perley, Pennsylvania; Mrs. James P. Brayton, Michigan; Mrs. Ben Gray, Jr., Missouri; Mrs. James M. Fowler, Indiana; Mrs. Edwin O.

Gregory, North Carolina, Mrs. Chas. B. Bryan, Tennessee, and Mrs. R. H. Edmundson, West Virginia.

Mrs. J. Morgan Smith of Alabama, was elected an honorary vice-president general. Mrs. Elroy M. Avery was re-elected editor of the American Monthly magazine, the official organ of the D. A. R.

D. A. R. Heart Beats True. In thanking the society for the honor of her re-election, Mrs. Scott declared that while the members sometimes differed "in interpretation of questions of privilege or points of order, when it comes to questions of vital patriotic principles, the D. A. R. heart beats true."

A session tomorrow morning will bring the congress to a close. SUIT FOR \$4,000,000.

PENSACOLA, Fla., April 21.—Depositions were taken today before the United States commissioner in the suit for four million dollars damages which was recently brought jointly against the Louisville & Nashville and Southern Railroad company by foreign cotton brokers for alleged conspiracy on the part of the agents of the roads with the bankrupt cotton firm of Knight, Yancey & Co.

NEW JERSEY LEGISLATURE FULFILLED ALL OF PLEDGES

So Extraordinary That Governor Wilson Makes Special Comment Upon it

TRENTON, N. J., April 21.—The 1911 New Jersey legislature ended a fifteen weeks session tonight with a record of much progressive legislation and with Governor Wilson as the effective force bringing about such a result. The governor issued a statement this evening in which he said that the session had closed was one remarkable for good feeling and achievement. "I think it will always be remembered," he said, "as extraordinary in this that it witnessed the fulfillment by the legislature of every important legislative pledge."

The governor then recites the more important legislative enactments, including the employer's liability bill, the primary election reform act, the corrupt practices act and the law for greater regulations of public utility corporations. These and other measures which the governor mentions, constitute "one of the most remarkable records of legislation. I venture to think, that has ever distinguished a single legislative session in this country."

LAUNCH CAPSIZED WITH PASSENGERS AT FERRY

Twenty or More, Including Women, Thrown in Water and Two Drowned

TAMPA, Fla., April 21.—The Owl, a launch doing ferry duty across the Hillsborough river at Lafayette street, capsized tonight at 8 o'clock, precipitating between twenty and twenty-five passengers, many of them women, into the water. It is thought that two persons were drowned, but this had not been established at a late hour.

The accident was due to overcrowding on the launch. The bridge at this point is temporarily out of commission and the city established a line of ferries. Many passengers climbed on the top of the cabin of the Owl and when it careened there was a rush for the opposite side. The boat capsized in 20 feet of water with the tide running out at a rapid rate.

OIL IN MILK WAS JOKE

COSHOCTON, O., April 21.—Twenty girl students of West Lafayette college were taken ill early today and President Beck feared that an epidemic had broken out until it was discovered that college boys as a prank, had put oil in the milk of the girls' dormitory. Physicians worked with the girls all day. Eighteen of them recovered. The other two are still very ill. Expulsions will follow if the guilty young men are discovered.

IMPENDING STARVATION MADE FAMILY DESPERATE

Father, Mother and Two Children Took Strychnine and Two Died

CHICAGO, April 21.—Fear of impending starvation today caused a father and mother to administer strychnine to themselves and their two children, both under four years old. The mother, Mrs. Honor Dzulgot and the older child, Joseph, are dead. The father and baby are in a hospital. It is said that both will recover. Dzulgot tonight told of the poverty which followed long illness and then related the desperate agreement with his wife that the two should poison themselves and their babies.

"With my last 25 cents," he said, "I bought the poison at a drug store. My wife and I mixed it in the little milk we had left. Some was given to the children, my wife drank some and I drank the remainder. There was not enough for me if I would have died with my wife and my boy."

SCATTERED MONEY ALONG BROADWAY.

NEW YORK, April 21.—Throwing dimes, quarters and bills to the winds of Broadway, A. P. Ennis, who says he is a mining man, created so much excitement in the theatre district tonight that a fear riot resulted among the thousand youngsters who collected to gather in the coins. Ennis does not know what he actually threw away but he does know that he stopped the excitement when his pocket was picked of a \$100 bill.

UNCLE JOE CANNON STOOD AND SPOKE OVER THREE HOURS

Which Was Going Some for Man Who Has Passed Three Score and Ten Mark

WAS IN OPPOSITION TO RECIPROCITY BILL

Cannon in Acton Is Speaker Who Is Well Worth Hearing and Watching

Citizen Bureau, Congress Hall. By H. E. C. Bryant.

WASHINGTON, April 21.—A most remarkable thing took place in the house the other day. Uncle Joe Cannon, formerly speaker of that popular body of law makers, stood upon the floor and spoke for three hours and thirty minutes without a break. Just considered as a physical feat that was a grand performance. Mr. Cannon is far beyond three score and ten. Those who differ with the old man in politics cannot but admire his ability and courage. His speech was full of meat, logical and, at times, eloquent. It was delivered from an aisle—one end of it to the other—on the republican side.

Uncle Joe is a wonderful performer. In action he is a live wire. He thinks rapidly, talks fluently and moves about like an acrobat. One of his favorite ways of driving home a point is to pound upon the table with his left hand. He marches up and down, waves his arms, bows and poses, storms and shouts. He is considered one of the greatest debaters in congress. For the last three years he has abused him but last Wednesday when he spoke so forcefully against the Canadian reciprocity bill they were delighted with him. The old man was so in earnest, so clever, and so entertaining that dozens of members crowded in the aisle to hear him. Some of the new men stood throughout the speech and never missed a word. Every now and then Mr. Cannon would pause, pour a little water from a glass into his hand and bathe his perspiring brow. Clad in dark outworn suit, linen shirt, standing collar and string tie, he looked like a relic of the past. But his argument, his language and his alertness proved him a statesman of today. He may be wrong in his position, but he has vigor, convictions, courage, intellectuality and ability far in excess of the average congressman.

Mr. Cannon spoke in opposition to the Canadian reciprocity bill. "This," said he, "is the most important matter before this body since the Spanish-American war. By way of introduction I will say that I represent my district. But, when voting here, I vote for legislation that goes into every American home. I try to represent the whole people. I have never arrayed class against class, or section against section.

"Ought this treaty to be ratified? The bill was not prepared, except one section of it, under the constitution. It came in here with the president's message and was introduced formally by the gentleman from Massachusetts.

MALFEASANCE IN OFFICE IS CHARGED AGAINST THE MAYOR OF PETERSBURG VA.

In Opening of Trial Every Contested Point Favors the Defendant

IN PREVIOUS TERM

ROANOKE, Va., April 21.—The case of Mayor Joel H. Cutchin, of this city, charged with malfeasance and misfeasance in office, was called in the corporation court today, with Judge Mullen of Petersburg, presiding and throughout the day almost every point of law was decided in favor of the defendant.

The first question discussed at the opening of the case was whether or not the mayor should be given a trial by jury, and this was ruled in favor of the defense, the commonwealth having objected to a trial by jury.

Attorneys for the defense argued throughout the day the question of quashing the indictment charges. One of the grounds for the argument to quash is that the greater portion of the alleged misconduct of the mayor is said to have transpired during his term of office previous to the present one. When court adjourned late this afternoon Judge Mullen asserted that he would have several rulings to give tomorrow morning. The morning will be given up to the empanelling of a jury.

FIVE NEGRO CHILDREN BURNED
