

TRIAL OF LABOR MEN
EXPECTED TO BEGIN
NEXT WEDNESDAY

Detective Burns Will Arrive
With Suit Case at an
Early Date

MYSTERIOUS BRYCE IS
AGAIN IDENTIFIED

Expect to Call Witness Who
Says Gas Wrecked the
Times Building

LOS ANGELES, Cal., April 29.—At-
torneys for both sides in the dynam-
iting case completed arrangements for
the early arraignment of John and
James McNamara and Orrie E. McMan-
gale. The appearance of the
prisoners in court will not be deferred
later than next Wednesday, at
which time it is expected Clarence
Darrow and Assistant District Attorney
W. J. Ford, who has been named to
Assistant District Attorney Freder-
icks, will have arrived here. De-
tective Wm. J. Burns is also expected
here soon. Rob Harriman, an attorney
for the accused, said today that
Dr. J. A. Holmes, director of the
United States board of mines, will be
one of the witnesses called to uphold
the contention that gas and not an in-
ternal machine caused The Times
building explosion.
An important development today
was the identification of James B.
McNamara as James B. Bryce, by
Trehor McCachen, a bell boy who was
employed in the Hotel Argonaut, San
Francisco, last September.
J. B. Bryce, the man who is al-
leged to have purchased the dynamite
that destroyed The Times building,
lived in the hotel. James Mc-
Namara was led into the jail office
today with a number of other pris-
oners and, according to officials of
the district attorney's office, had
quickly picked out McNamara as the
man he had known as Bryce.

"GUN MAKER" DEAD
COLUMBUS, Ga., April 29.—J. P.
Murray, known as the "gun maker
of the Confederacy," died at his
home here today at the age of 86
years. At the opening of the Civil
war Murray was placed in charge of
the Confederate gun factory here and
he continued to manufacture arms
for the armies of the South until
the factory was destroyed by Wil-
son's raiders in 1864.

MOTION MADE TO QUASH
PERJURY INDICTMENTS
AGAINST THE OHIO BOSS

After Taking Up the Entire
Day Case is Continued
Until Tomorrow

SOME LIVELY TILTS

CINCINNATI, O., April 29.—A mo-
tion to quash the indictment charging
perjury against Geo. B. Cox, the re-
publican leader, consumed almost the
entire day in Judge Dickson's court
today, and at the conclusion of the
hearing the motion was carried over
until Monday. Lively tilts between
attorneys for Cox and those for the
prosecutor's office were frequent.
Judge Dickson's first action in the
case was an order striking from the
records the affidavit charging him-
self with bias and prejudice. This
was followed by a demand from Cox's
attorneys that the prosecutor name
which indictment Cox be tried upon.
Judge Dickson took this matter un-
der advisement and then called for
arguments on the motion to quash.
Attorney Lawrence Maxwell, for-
mer solicitor general of the United
States, representing Cox, argued the
defense's side of the motion, and at
the conclusion of his argument court
adjourned until Monday when Prose-
cutor Henry T. Hunt will present the
side of the prosecution.

WANT ARBITRATION

CHICAGO, April 29.—Baron Es-
tournelles de Constant, former mem-
ber of the Hague peace conference,
and William Jennings Bryan, were
guests of honor of the Chicago Peace
society tonight. "No one ever would
speak of war if people knew more
about arbitration," said Baron de
Constant.
Mr. Bryan said: "I fear the encou-
ragement of the military spirit. I fear
the building of warships will inflame
us into a passion for war, rather than
frighten us into peace. I have more
faith in the power of a good exam-
ple than in the terror excited by
thirteen inch guns."

HAS APPENDICITIS

STAUNTON, Va., April 29.—N. C.
Watts, president of the Staunton Mu-
tual Telephone company, the Newport
News company and other telephone
lines, is ill with appendicitis and an
operation may be necessary.

FARMER'S FREE LIST
GETS RIGHT OF WAY
IN LOWER HOUSE

Democratic Leaders Score Another
Point in Parliamentary Manoeuvres.—Republicans Invited Into De-
mocratic Fold.

WASHINGTON, April 29.—Right of
way for the "farmers' free list bill"
in the house next week was provided
for today when the house voted in
effect to put aside the "discharge cal-
endar" on Monday and to meet an
hour earlier each day until the bill is
voted on.
The democratic leaders did not ac-
complish this step until after the re-
publicans had taunted them about
setting aside "calendar Monday," pro-
vided for by coalition of insurgent
republicans and democrats last con-
gress and perpetuated by the present
congress.
No sooner had Representative Under-
wood, majority floor leader, made a
motion to keep instead of adjourn-
ing until 11 o'clock Monday
morning than Representative Daisell,
of the minority, made the point of
order that such a motion would in-
terfere with the regular order and
furthermore would displace the con-
sideration of the general service pen-
sion bill and other bill on the "dis-
charge calendar" for Monday.

Cannon Butts In.
"Would the gentleman rob the coun-
try of the benefit of the discharge
calendar wrong from an unwilling
majority in a revolution so short a
time ago?" inquired ex-Speaker Can-
non.
"We believe in the discharge calen-
dar," retorted Representative Under-
wood, "but we are now seeking to
lower the taxes on some 92,000,000
people, and we deem that more im-
portant than the discharge calen-
dar."
Mr. Daisell withdrew his objection
to the course mapped out by the dem-
ocrats.
"The contest of party leaders at the
close of the day had been preceded by
five hours' general debate on the
"farmers' free list bill."
The final speech of the day was by
Representative Heflin, of Alabama,
who took the floor to say something
about the "republican party." To the
insurgents whom, he said, "did not
"insurge long enough," he extended
an invitation from the democratic
party to "come ye out from among
them and be ye separate from them."
He described the standpatters as a
dying race, never going forward but
always backward. He likened the

"new nationalists to a dog that smelt
game but could quite locate it."
Charges Pretense.
Representative Heflin accused the
republican party of pretending to be
the friend of the American laboring
man and then bringing in hundreds of
thousands of foreigners to supplant
him in his labor.
He referred to the immigrants as
including bomb throwers and anarch-
ists that "strike at our western civil-
ization, but permitted to land because
the steamship companies find their
transportation a profitable business
and contribute to the republican cam-
paign funds. The Alabama con-
gressman ridiculed the free list of the
Payne-Aldrich tariff law. Mr. Heflin
concluded with the statement that
the democrats of the house, like the
tribe of Judeus in keeping the cov-
enant of the Ark, had kept the faith
alive, until today the democrats of
the entire nation stood together a re-
united party sure of victory in 1912.

CHIEF OF POLICE IN
THE NET OF LAW

NEW ORLEANS, April 29.—Ed-
ward S. Whittaker, former inspector
of police of New Orleans, who has
been in the parish prison for the past
month in default of \$35,000 bond,
on serious charges involving young
girls, was today denied a change of
venue by Judge Chetien of the crim-
inal district court. Many citizens of
the city testified that the feeling
against Whittaker is so strong that
he could not get a fair trial in Or-
leans parish, but after hearing three
score of witnesses the court overruled
the motion of Whittaker's attorney.
The former police chief will probably
be tried next week.

CONVICTED OF MURDER

WINSTON-SALEM, N. C., April 29.
F. G. Southern and his 12 year old
son, Herman, today were convicted of
the killing of the former's son-in-law,
John Wall, near Pilot Mountain last
November. Southern was sentenced
to nine years in the state prison, while
the son was given four months in the
reformatory. The killing was the re-
sult of a dispute over the storing
of tobacco in the basement of Wall's
home.

MOVEMENT OF TROOPS MAY
CAUSE AN EARLY ATTACK ON
JUAREZ BY THE REBELS

If Report is True Madero
Says He Will Begin
Operations at Once
INSURRECTOS BUSY

EL PASO, Tex., April 29.—The
Chihuahua bulletin stating that 1,000
troops left there today for Juarez
caused great excitement in the revo-
lutionary camp.
"If the report is true and we can
confirm it, that moment we will at-
tack and take Juarez," General Fran-
cisco I. Madero, Jr., said. "It may be
that Chihuahua has not been in-
formed that the armistice was extended
for another five days yesterday and
that the troops, if they have been
dispatched, will be recalled as soon
as the mistake is discovered."
General Navarro in Juarez was
without information as to the al-
leged reinforcements. General Ma-
dero telegraphed to the City of Mex-
ico and in reply was told that the
government knew nothing of the
movement of troops from Chihuahua.
General Madero was unable to get a
telegram of inquiry through to
Chihuahua. According to General
Madero a movement of troops from
Chihuahua in any direction would be
a violation of the armistice.
"It makes no difference in what
direction they were sent," General
Madero said, "even if to a point out-
side the quadrilateral covered by the
truce. Chihuahua itself is within
the quadrilateral and there is within
military movement to or from that
city under the terms of the armis-
tice."
Madero has scouts stationed at
twenty miles intervals between here
and Chihuahua, but even by the fast-
est riding, relays could not bring the
information to camp in less than
72 hours, it is said.

DINNER FOR O'GORMAN

NEW YORK, April 29.—Two hun-
dred and fifty members of the Man-
hattan club gave a dinner tonight to
their fellow member, the recently
elected senator, James A. O'Gorman.
Among others present were:
Wm. F. Sheehan, a defeated can-
didate for the senate. It was ex-
plained that it was a club affair.
Charles T. Murphy, leader of Tam-
many, who is not a member of the club.
Supreme Court Justice Victor J.
Dowling, presided.
Congressman Martin W. Littleton
who was a late and self announced
candidate for the senatorship, came
up from Washington for the dinner.

JUMPS TRACK AND IS DESTROYED BY FIRE

Seven Are Believed to be Dead And Fifty Are Injured.—Imprisoned Passengers Per-

EASTON, Pa., April 29.—A special
train carrying 159 school teachers
and their friends from Utica and
Syracuse, N. Y., bound for Wash-
ington for a holiday, was wrecked on
the Belvidere Delaware division of
the Pennsylvania railroad at Martin's
Creek, N. J., eight miles north of
this city this afternoon. Seven per-
sons are missing and they are be-
lieved to be dead. Charred bones
have been found in the burned ruins
of the train. The injured number at
least fifty, some of whom, it is
believed, will die. Aside from three
members of the train crew and one
male passenger the missing and in-
jured are women. The more serious-
ly injured are in the Eastern hospi-
tal.

Burned to Death.
Hardly had the train come to a
stop before fire started and spread
so rapidly that some of the impris-
oned passengers were burned to death.
As the train left the track it side-
swiped and broke a tank of oil
which ran over the wreckage and
added to the fury of the flames. The

INSURGENT MEMBERS OF
LEGISLATURE STILL OUT

Say They Will Remain in
Alabama Until New Ap-
pointments Made

BIRMINGHAM, Ala., April 29.—
The insurgent members of the Ten-
nessee legislature who have been in
Birmingham for the past two weeks
reached a decision today, it is stated,
to remain here until May 8, at which
time the general election board of
Tennessee will name new session
commissioners. Whether they will
continue their stay here after that
date, it was asserted, depended largely
on the legislative situation at Nash-
ville. Representative McDonald to-
day received many messages of con-
gratulation for his exposure of the
alleged attempt at bribery, in which
he declared he had been offered
\$15,000 by Judge E. C. Goodpastor
to vote with the "regular" democrats
for the repeal of the election and
state liquor laws.

BOAT IN COLLISION

MOBILE, April 29.—The pilot boat
Louise Harper was struck on the port
quarter today by the steamship Agnel-
la from Puerto Cortez and sank within
a short time. The pilot boat crossed
the bow of the Agnelia to put a pilot
aboard. The vessel was taken in
tow by the Agnelia and afterwards
by a coastwise steamer, the Manteo,
and towed to shallow water where
she sank. A government boat con-
veyed the crew to Fort Morgan.

MARRIED TO JAY GOULD

NEW YORK, April 29.—Miss An-
nie Douglas Graham, daughter of Mr.
and Mrs. Hubert Voe, and related to
the former royal family of Hawaii,
was married in St. Thomas Episcopal
church late today to Jay Gould, sec-
ond son of George Gould. Compared
with the other recent marriages in
the Gould family, the Gould-Drexel
and the Gould-Decies weddings, to-
day's ceremony was simple and there
was no crush of the curious.

SHOWERS

WASHINGTON, April 29.—Forecast
for North Carolina. Unsettled,
probably occasional local showers
Sunday and Monday. Light to mod-
erate south winds.

ITALIAN SHOTS DOWN
DRIVER WHO KILLED BOY

Father Takes Summary
Vengeance on Man Whose
Horses Trampled His Son

NEW YORK, April 29.—Giuseppe
Brougari, an Italian cigarmaker who
saw his three-year-old boy trampled
beneath the hoofs of truck horses to-
night took summary vengeance upon
the driver, Wm. Krupman, by pour-
ing four bullets from a revolver into
his seat almost into the arms of a
policeman, and a mob of 2,000 per-
sons, bent on punishing him first,
stood aghast at the shooting, then set
furiously upon the slayer. Officers
rescued him unconscious and he was
taken to a hospital, then lodged in
jail on a charge of murder. The child
died late tonight.

IT'S AN OLD YARN.

LAREDO, Tex., April 29.—Today's
dispatch from Chihuahua reporting
the movement of 1,000 Mexican fed-
eral troops toward Juarez bears the
date of April 25 and was detained
four days in transmission. Owing to
the inadequate means of transmitting
news in Mexico, due to disarranged
telegram service, interrupted train
schedules and other mediums reliable
news of the armistice probably
did not reach Chihuahua until a later
date than today's dispatch bears. It
is, therefore, not improbable that a
forward movement of federal troops,
if made as indicated by today's Chi-
huahua advices, has been counter-
manded.
In the event of the Mexican troops
being sent for Juarez it is unlik-
ely that they would be heard from for
many days, as the march would take
them through a trackless desert for
many miles. It is estimated the
march from Chihuahua to Juarez
would require at least nine days.

SUPFRAGETTE SAW KING

CHRISTIANIA, Norway, April 29.—
Mrs. Carrie Chapman Catt, president
of the International League of Woman
Suffragists, who has been lecturing
here on behalf of votes for women,
was given an audience by King Haakon
today. She was introduced by
Herbert Peirce, the retiring American
minister.

WHAT IT COST HIM.

CHICAGO, April 29.—Charles E.
Merriam, Chicago university profes-
sor, spent \$123,254.80 in his recent
efforts to become mayor of Chicago,
according to a final statement of cam-
paign receipts and expenditures made
public today. The total receipts were
\$134,191.65. The contributions ranged
from \$10,000, by Julius Rosenwald,
to one cent from an anonymous con-
tributor.
Victor F. Lawson, Harold McCor-
mick and James A. Patten also con-
tributed \$10,000 each. Women proved
a strong aid to the republican candi-
date in financing his campaign. Mrs.
Nettie F. McCormick gave \$10,000,
Louise D. K. Bowen gave \$1,000 and
women's clubs gave a number of con-
tributions.

RICHMOND, Va., April 29.—At a

stockholders of the Chesapeake &
Ohio Railway company unanimously
adopted a resolution authorizing the
issue of bonds to an amount not
exceeding \$125,000,000.

ONE KILLED AND ONE IS
FATALLY HURT IN WRECK

Spreading Rails Caused
Disaster to Coast Line
Passenger Train

TAMPA, Fla., April 29.—William
Hagens, of Chicago, was killed and
T. F. Cool, baggage master, was fat-
ally injured when Coast Line train
No. 39, from Jacksonville to Tampa,
was wrecked near Odessa tonight.
Twelve passengers were more or less
seriously injured.
The wreck was due to spreading
rails. The tender, baggage car,
express car turned over, 240,
and other coaches ran 42, 240,
right, although derailed.
Hagens, who was but 22 years
old, was in the baggage car at the
feeding a pet dog. When the
train turned over he fell out of an op-
en door and his head was crushed.
Baggage master Cook was injured in
trying to save the lad. Hagens is the
son of Mr. and Mrs. A. L. Johnson,
of Chicago, who own considerable prop-
erty at Largo.
Of the passengers injured none is
considered serious.
A. L. Brickman, of Birmingham,
had a leg broken. A relief train was
sent out from Tarpon Springs.

WEALTHY CONCERN

ST. PAUL, April 29.—Continuing
the investigation of the Wells-Fargo
Express company today, Attorney
General Geo. T. Simpson introduced
evidence tending to show that the
company enjoys an earnings ability
equal to that of any other company
in the United States.
