At a meeting of the Woman's club the first of the week, Mrs. Robert S. Carroll, president; Mrs. William J. Carroll, first vice-president, and Mrs. A. W. Calloway, second vice president, were re-elected unanimously. Mrs. C. A. Mitchell, secretary, and Mrs. Beardslee, treasurer of the Asheville school, declined re-nomination on the ground of the inconvenience of attending the meetings of the club regularly on account of the distance from town. Mrs. J. E. Craddock was elected treasurer. Mrs. Mary C. Robinson, recording secretary, Mrs. Elizabeth Bolton, corresponding secretary, Mrs. Charity Rust Craig was elected to the board of directors, taking the place of Mrs. George Jackson, whose term has expired. The club will take up as its study next year, "Moral Leaders." Mrs. Craig, Mrs. Robinson, Mrs. Bolton and Mrs. Mitchell were again appointed a program committee. Mr. Edward Origas will again visit the city for a series of lectures, some of which will bear upon the moral leaders. The final meeting of the year is held with Mrs. C. A. Beale, in Arden, May 30th.

Capt. and Mrs. W. H. Bird entertained with a card party Monday evening in honor of Mr. R. M. Bates. The residence was attractively decorated with daisies and daisy chains were fashioned from the chandeliers. A supper was served after the card game. Capt. and Mrs. Bird's guests were Mrs. Pearl Shops, Miss Mable Miller, Miss Lillian Dougherty, Miss Minnie Bird, Mr. Bates, Mr. Frye, Mr. Ramsour Worley, and Mr. Holter.

This afternoon at the Country club the finals in the tennis and golf tournaments will be played. The rain of Saturday afternoon was responsible for the postponement and it is hoped that inclement weather will not again interfere. Weather permitting the tournaments will begin at 4 o'clock. Mr. and Mrs. Alfred S. Bernard and Mr. Lawrence Jones and Miss Lawrence will play off in the golf tournament. Mrs. Harold Rees will serve tea at five o'clock. The afternoon will be one of the most interesting of the spring and an unusually large crowd is expected out.

TERRIBLE TRAIN OF SYMPTOMS

Followed in the Wake of the Trouble Which Overtook Mrs. Fournier of Lake Charles

Lake Charles, La.—"I was so sick as a result of womanly trouble that I thought I would die," writes Mrs. Fournier of 116 Kirby street, this city.

"I used to suffer every month, and no doctor could relieve me.

"The month before I took Cardui, I could hardly walk, and could not wear my corset.

"I had backache, headache, pain in my legs, chills, fainting, spots, sick stomach, dragging feelings, and no patience or courage.

"Since taking Cardui, I feel like a different woman. I have no more pain, can walk as far as I want and feel good all the time.

"I advise all sick ladies to try Cardui, the woman's tonic."

You can buy many medicines and tonics, for men's and women's ills, but only in Cardui can you get the benefit of the combination herb medicine, peculiar to Cardui alone.

The principal herb ingredients having been found of remarkable efficacy for women's ills, are now grown abroad, especially for us, and used by us exclusively, in the preparation of Cardui, which every druggist sells.

Try Cardui.

ALBEMARLE PARK CO. BUYS MORE FARMLAND

The Albemarle Park Co. has closed a deal with Mr. Ballard for 25 acres of land on Spook branch in the Reardam section, the consideration being \$1,000. This property is about three miles from town and adjoins the 18-acre tract the Albemarle Park Co. purchased from Erwin Wilson during the past winter for \$2,500. Improvements have been made on the first tract purchased and a considerable amount of labor will be expended on the 25-acre tract in order to put it in excellent trucking condition.

The object of these investments is to enable the company to grow its own vegetables and meats to a considerable extent for consumption at the Manor hotel and the company's cottages. Although the season is growing late, efforts will be made to grow a good-sized crop of vegetables this summer. In view of the great amount of fruit and vegetables used by this hotel, the Albemarle Park company believes that the truck farm can be run to great advantage in connection with the hotel. The company now has on the farm a good herd of full breed Berkshire hogs.

SHE TRAVELED ACROSS STATE FOR HUSBAND

BOUGHT CLEMENCY OF GOVERNOR FOR CONVICTED MAN.

Raleigh, N. C., May 23.—After traveling nearly three hundred miles from Tryon, Polk county, to Raleigh, Mrs. Lee Fisher found this morning that Governor Kitchin was out of the city and would not be back until Friday. She came to plead for a pardon for her husband, who is serving a fifteen year sentence in the penitentiary for murder. She had left two young children in Tryon and could not wait until the governor's return. Her friends advised her to go to Greensboro where the governor is today attending the State Normal commencement and attempt to get a conference with him there, and this she did. Mrs. Fisher's husband was sentenced seven years ago for killing R. W. Alston. A plea of self defense was set up, but the jury returned a verdict of manslaughter. Now all the members of the jury give Mrs. Fisher a recommendation for pardon and the trial judge and the solicitor recommend pardon. It is a notable fact that Fisher is a nephew of State Senator L. C. Fisher and that Mrs. Fisher is a niece of J. S. Rhodes, who was a member of the lower house of the 1909 legislature.
