NEW TELEPHONE LINE **WILL BE CONSTRUCTED**

A stock company for the building of a telephone line from Candler to Asheville has been organized and the stockholders given permission by the county commissioners to erect poles. Work will begin on the construction of the line wthin a short while. W. H. Pearson was awarded the contract for getting out the poles. About 400 people will be required to build the line, which will accomodate the residents of the north and south Hominy valley, Beaverdam and Pole creek valley, where several telephones are now in operation. It is thought that a swithchboard will be installed either at Candler or Hominy.
