Master Beryl Rubenstein gave a very fine recital last evening at the home of Miss Emma Austin on South Main street, which was attended by a large percentage of the musicians and music loving public of the city. Master Rubenstein played magnificently. He has just finished a most successful winter in Florida, where he was entertained for two weeks at the Royal Poinciana hotel by Mr. Henry M. Flagler, who also asked that he give a private recital at his home. Master Rubenstein is very much interested in this boy-musician. Master Rubenstein leaves today for Newport, R. I., where he will give several recitals before his departure for Europe, where also will follow him the good wishes of a great many Asheville friends.

The temple on Spruce street has undergone extensive improvements and has been entirely done over and redecorated. The first service since the completion of the interior work will be held this evening at 8 o'clock, when Mr. Morris Larson, of Cincinnati, will hold services. This choir will be composed of children's voices this summer, an innovation which will be pleasing. This evening Miss Ida Hamilton will be the soloist, singing Laddell's psalm, "The Lord is My Shepherd." Mr. Stables will be at the organ, which will lend interest to the occasion. The public is cordially invited to attend the services.

A rumor is current in Washington that the residence of Senator Quay on K street, which it was supposed was leased by Mr. George Vanderbilt as a winter residence, has been purchased by him for his niece, the Duchess of Marlborough. The transaction was made through the Union Trust company, of Pittsburg. The house of Senator Quay is an old one, in the neighborhood of those of Senator Knox, former Senator Hale and Admiral Dewey, and it is thought that the purchaser will erect a new house on the site.

Woman's Happiness

The highest point of woman's happiness is reached only through motherhood, in the clasping of her child within her arms. Yet the mother-to-be is often fearful of nature's ordeal and shrinks from the suffering incident to its consummation. But for nature's ills and discomforts nature provides remedies, and in Mother's Friend is to be found a medicine of great value to every expectant mother. It is an oily emulsion for external application, composed of ingredients which act with beneficial and soothing effect on those portions of the system involved. It is intended to prepare the system for the crisis, and thus relieve, in great part, the suffering through which the mother usually passes. The regular use of Mother's Friend will repay any mother in the comfort it affords before, and the helpful restoration to health and strength it brings about after baby comes. Mother's Friend is for sale at drug stores. Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

CANTON NOTES.

CANTON, July 12.—An audience which nearly filled the auditorium greeted the I. O. O. F. Orphanage class from Goldsboro, last night and thoroughly enjoyed the program rendered. While all the children did well, "Peggy," by a quartette, and "Just you, dear you," a duet, were particularly good.

The recitation, "The Bad, I Deserve I," by Lizzie May Stanley, the smallest member of the class, was highly appreciated. The Misses Arabella Delmar and Mary Corbell, who sang two duets, have excellent voices, well trained, for girls of their age, and with further efforts may make their marks in the musical world. Miss Corbell also rendered a beautiful solo, "Carmena." The class, which is on a two months' tour, goes from here to Clyde.

HOW TO CURE RHEUMATISM

It is An Internal Disease And Requires An Internal Remedy.

The cause of rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. RUBBING WITH OILS and Liniments WILL NOT CURE, affords only temporary relief at best, causes you to delay the proper treatment, and allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatism than paint will change the fiber of rotten wood.

Science has at last discovered a perfect and complete cure, which is called Rheumacide. Tested in hundreds of cases, it has effected the most marvelous cures; gets at the joints from the inside, sweeps the poisons out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide strikes the root of the disease and removes its cause. This splendid remedy is sold by druggists and Dealers generally at 50c and \$1 a bottle. In Tablet form at 2c and 5c a package. Write to Bobbitt Chemical Co., Baltimore, Md. Booklet free. Tablets sent by mail.
