FOR A TONIC NOTHING EQUALS S.S.S.

The need of a tonic in the Spring is almost universally recognized. We have learned that a weakened, run-down system means more than "Spring Fever," as we are accustomed to refer to the physical disturbances which come at this season. Bodily fatigue, fickle appetite, poor digestion, nervousness, lack of energy, etc., prove that the proper amount of nourishment is not being supplied to the body through the circulation. The stomach, bowels and digestive members are sluggish from lack of stimulating nutrition, and in consequence the entire body suffers from the effects of a poorly nourished constitution.

The recognized importance of pure blood in preserving health emphasizes the danger of a weakened circulation. The use of a real blood-purifying tonic when the system is deranged from lack of nourishment, will often prevent the development of some serious sickness, because weak systems cannot resist disease, while healthy, well nourished constitutions are able to ward it off. No medicine is of value as a tonic except one which purifies and enriches the blood, for until this is done the body will not receive its required stimulus and disease-resisting powers.
S. S. S. is the best Spring tonic because of its genuine ability and worth as a blood purifier. It builds up the depleted system in the true way, by purifying the blood and supplying an increased amount of nourishment to every portion of the body. S. S. S. removes all accumulations and impurities from the circulation, enriches the blood, and overcomes the unpleasant physical ailments that afflict at Spring time. It aids and improves the appetite, reinvigorates every fibre and tissue of the body and imparts healthful energy to all who are run down. S. S. S. is for sale at drug stores.

Your S. S. S. in my opinion, is as good a medicine as can be had; it simply cannot be improved upon as a remedy to purify and enrich the blood and to invigorate and tone up the system. Last Spring my blood was bad and I was run down in health, and having seen your medicine highly advertised, I commenced its use. Today my blood is in fine condition and my general health is of the best. Am alling position as beforeman of a large concern here and it was not in good physical condition it would be impossible for me to fill the place.

MISS ROWENA CARTER WINS EASTMAN KODAK

Popular Democrat Girl Had 194,570 Votes—Citizen Gives an Extra Prize in Contest.

In listing the prize winners Monday night the judges made a mistake in the winner of the Eastman kodak. Miss Estelle Justus, of Biltmore, R. F. D. 3, was reported as the successful candidate in district 2. Miss Rowena Carter, of Democrat, however, had 194,570 votes as against 174,625 votes for Miss Justus. The official count showed these figures, but in listing the winners Miss Estelle Justus was awarded the \$20 Eastman kodak in place of Miss Carter.
Miss Carter is therefore declared the winner of the kodak in district 2, but Miss Carter and Miss Justus will both be given kodaks, as it is the desire of The Citizen to have every one pleased with the conduct of the great popularity contest.
