

THAT RAILWAYS OF NATION TAKE OVER EXPRESS BUSINESS

Recommendation to This Effect Virtually Made to Railroad Commissioners DISCUSSION OVER COMMITTEE REPORT "Express Business Should be Conducted as Department of Railroad Business"

WASHINGTON, Oct. 10.—That the railways of the country take over the express business was virtually recommended today to the twenty-third annual convention of the National Association of Railroad Commissioners in session here by the committee on express rates and express service.

Objections Made Objection to the adoption of the report was made because of the opinion expressed therein that the so-called postal or ounce rates of express companies are discriminatory and should be either eliminated or raised.

R. Hudson Burr, of Florida, president of the association, in his annual address declared that the interstate commerce commission should have enlarged powers with ample authority to require the most exacting supervision over the manufacture of products entering into the equipment of railroads.

N. C. REPUBLICANS ARE OUT LOOKING FOR A GOVERNOR

Are Making Eyes at Hon. Thomas Settle And Are Talking About Local Option Plank as Bait For Votes.

While the friends of each of the four candidates for the United States senatorship are busily engaged within the ranks of the democracy, and while the last traces of opposition to the candidacy of Hon. Locke Craig for the governorship are fast disappearing, the republicans of the state, and particularly of Western North Carolina, are not idle.

For Local Option For instance, one of the leaders high in the councils of the party in this section has intimated that the next state convention of the republican party will declare outright in favor of local option.

Want Hon. Thomas Settle As the leading candidate on this proposed platform there has been made the nominal selection of Hon. Thomas Settle. It will be readily recalled that Mr. Settle was the leading interpreter in the last campaign of what was meant by local self government.

proposed to pit him against Hon. Locke Craig for the governorship. It would be at least a merry war while it lasted, and rather an unique one. Two men from the same city aspiring to the same office, the highest within the gift of the people of the state, on opposite political platforms, would make things more than unusually interesting.

As to John Grant Aside from this proposed fight for the governorship, nearer at home there are also interesting rumors. These are in connection with the seat in the house of representatives from the tenth congressional district.

WESTERN NORTH CAROLINA FAIR EXHIBITS BEYOND ANTICIPATIONS

Despite Rain and Slush and Postponement of Formal Opening Hundreds of People Went Out Yesterday to View Displays—Parade This Morning at 10.30. Opening Address at 12 O'clock.

Regardless of rain and slush and notwithstanding the postponement of the Western North Carolina fair's formal opening until today, about fifteen hundred people entered the grounds yesterday.

If this is a criterion of the interest in the first annual event of the kind in this city, thousands of people will witness the numerous exhibits and special attractions before the week ends.

According to the new arrangement the parade which was to have occurred yesterday afternoon at 1:30 o'clock will be given this morning at 10 o'clock and later Justice R. A. Guder's opening address will be delivered today at 12 o'clock.

The exhibits were all in place at the appointed hour yesterday and to say that everyone was impressed at the excellence is but expressing a very conservative opinion.

Women Make Record Immediately upon entering Riverside park the women's department is in evidence. The ladies, under the direction of Mrs. S. E. Dilworth, have done themselves proud.

The individual exhibits are numerous and varied, and several industries are adequately represented.

There is a very interesting collection of old books, some of them having seen the light of day in the sixteenth century. The fancy work includes many hundreds of pieces, from the smallest and finest button-embroidery to the most handsome pieces of embroidery work.

One especially interesting article is a rug, worked into a design of a farm scene, including the old oaken bucket, the trees and the flower garden.

St. Genevieve's convent has an exhibit a varied collection of fancy work. Christ school industries has many articles of handwork.

Ray's studio is represented by numerous pieces of photographic work, including enlargements and colored pictures.

Nichols Shoe company presents an unique idea, showing the style of shoes worn ten decades ago as compared with the more modern styles.

Some of the individual exhibitors have an array of more places exhibited and even though the building is commodious, every inch of space is occupied.

The pantry exhibit is in the building formerly occupied by the box-ball alleys and many a mouth watered at the beautiful jars of jellies, preserves, jams, pickled and canned goods.

Mrs. R. E. Morgan, of Candler, has over one hundred varieties, Mrs. W. B. Taylor and Mrs. J. A. Lyerly come next with ninety-five varieties.

Ray's studio is represented by numerous pieces of photographic work, including enlargements and colored pictures.

PERPLEXING PROBLEMS PRESENT THEMSELVES TO PURE FOOD BOARD

Must Define What Beer, Vinegar and Soft Drinks Should Compose "DOPE IN DRINKS"

WASHINGTON, Oct. 10.—An order for the immediate consideration of the perplexing questions.

"What is beer?" "What is vinegar?" and "What is a soft drink?" were passed this afternoon by the board of food and drug inspection at a meeting held in the office of Dr. Harvey W. Wiley, chief of the bureau of chemistry and chemical board.

"Vinegar" was the first subject considered by the board. Long hearings were recently held on the subject of pure beer, and hearings have been held on both the vinegar and soft drinks investigations.

Action against soft drinks sold at soda fountains can apply only to the drinks as they are shipped in interstate commerce.

The government police power will give Dr. Wiley the opportunity, however, to enforce his rulings in the city of Washington by confiscating impure drinks at the local soda fountains.

NEGRO STRUNG TO POLE BY ONE FOOT AND BODY RIDDLED WITH BULLETS

After Chase of 100 Miles, Sheriff is Overtaken and Overpowered NEAR GREENVILLE

GREENVILLE, S. C., Oct. 10.—A long distance telephone message from Homea Path, 35 miles south of Greenville, says that at 11:25 o'clock tonight Willis Jackson, a 17-year-old negro, who assaulted a 11-year-old white girl there this morning, was strung to a telephone pole by one foot and his body shot to pieces by a mob.

Following one of the most sensational man chases in the history of this section, extending over one hundred miles, a mob overpowered the sheriff and his deputies six miles north of Greenville late this afternoon and secured possession of the negro.

After the commission of the crime the negro was taken into custody by officers and spirited to Anderson by automobile. A mob followed closely, but on arriving at Anderson found that the negro had been taken to Greenville. Then followed a 37-mile race across country between an automobile bearing deputies in charge of the negro and a score of machines filled by the mob.

BULLETS BOUNCED OFF PHILADELPHIA, Oct. 10.—In a dispute at his home, Henry Lewis, a negro, was shot four times in the head at a range of less than five feet. The bullets flattened out and dropped to the floor. Lewis was taken to the Samaritan hospital, but was soon permitted to return home. The man who shot him escaped.

BOTH SIDES EVIDENTLY INTENT UPON PREPARING FOR LENGTHY STRUGGLE

Preparations Being Made For Accommodating the Strike-Breakers BOTH SIDES PLEASED

NEW ORLEANS, Oct. 10.—The strike situation in this city was unchanged today. Both the railroad and the striking employes of the Hariman lines gave evidence of preparations for a long drawn-out struggle.

Extensive preparations for accommodating strikebreakers are being made by the Illinois Central officials. On the other hand strikers are receiving financial aid from union men of crafts not affected.

The first contribution to the strikers today was \$200 from the local street car men's union.

QUIET AT M'COMB CITY M'COMB CITY, Miss., Oct. 10.—The strike situation here is quiet. The incompetent men among the strike breakers in the Illinois Central shops have been weeded out and last night were furnished transportation to their homes.

"We are well pleased with the situation," said Superintendent Hill of the Louisiana division of the Illinois Central. The strikers express themselves as being equally pleased with the outlook.

PROBE TAKES NEW TURN CHICAGO, Oct. 10.—John A. Peffer, of Aurora, former secretary of Former U. S. Senator Albert J. Hopkins, gave a new turn to the testimony in the Lorimer investigation before the senate committee late today, when he named four men whom he said he suspected of voting improperly or corruptly for Senator Lorimer.

Peffer began by naming Former Senator Dowling. "Did you have any suspicion at that time that Mr. Downing voted corruptly?" asked Attorney Haney. "Yes, I did," replied the witness. "He was the sort of man that the Lorimer forces were getting right along. He was drinking and was easily influenced."

LYNCHING REPORTED NEAR MACON SATURDAY NIGHT

Strung up With Rope and Body Riddled With Bullets—Admitted Crime

MACON, Ga., Oct. 10.—Advice received today state that Andrew Chapman, a negro, was taken from Bailiff W. T. Cowen and lynched by a mob of forty masked men Saturday night, near Irwinton, Wilkinson county, Ga. The negro had just been bound over to the grand jury on a charge of attempted assault on a well known young white woman of Wilkinson county, who it is stated is prostrated as a result of shock.

Deputy Cowen was escorting the negro to the county jail when the mob overpowered him and took the prisoner. Dragging the negro to a pine tree near Butler's bridge the infuriated men strung him up with a rope and riddled his body with bullets.

The body remained hanging to the tree until Monday afternoon when the sheriff ordered it removed. It is stated that the negro admitted his guilt and expressed no regret for the alleged crime.

INFORMAL EXCHANGE OF IDEAS AND EXPERIENCES

Commercial Secretaries of Southern States Are Meeting in Memphis

MEMPHIS, Tenn., Oct. 10.—After hearing the annual address of president M. R. Tricevant, of New Orleans, and the disposal of routine preliminary to the organization of the convention, Commercial Secretaries of the southern states devoted the first day of their annual meeting day to an informal exchange of ideas and experiences. Tonight the delegates were entertained at a banquet. The principal business sessions will begin tomorrow when officers will be elected and the meeting place of next year selected.

Houston, Tex., and Pensacola, Fla., are bidders for the next convention. James E. Warren, industrial commissioner of the business men's club of Memphis is mentioned for the presidency and Adolph Holtz, of Houston, as secretary. Governor E. O. Osborne of Michigan was the first of the governors to reply to the telegrams sent to the chief executive of the different states by a committee of the Southern conference, which was in session yesterday, inviting the people of the country to "come south" in their travels. Governor Osborne endorsed the movement.

ALLEGED SHORTAGE WASHINGTON, Oct. 10.—The navy department has been notified by Rear Admiral Thomas, commandant of the Pacific fleet of an alleged shortage of about \$2,000 in the accounts of Cruz A. Gibbons, paymaster's clerk on the battleship California. The department of justice has been requested to locate and arrest Gibbons. Gibbons is said to be a native of North Carolina and to have a wife and child in San Francisco.

TURKS WON'T GIVE UP TRIPOLI UNTIL THEY ARE MADE TO

Bands of Horsemen Reconnoitering in Vicinity of the Italian Outposts ENGAGEMENT REPORTED. TURKS LOST HEAVILY Looks Now as if Some Real Fighting Has Probably Taken Place

TRIPOLI, Oct. 10.—The Turks apparently do not intend to abandon Tripoli to the Italians without further determined resistance. For several days bands of horsemen have been reconnoitering in the vicinity of the Italian outposts. Several times at night they have been discovered by the searchlights of the warships and then their groves thence again into the hills.

About 1 o'clock this morning a force of about 3,000 Turkish troops with field guns was discovered advancing in two columns, with the evident intention of reconnoitering the town. A large body of natives marched with the troops, and presented a formidable array. The Italian commander, however, had an intuition that such an attempt would probably be made and his men were simply prepared.

The Italian guns were well placed and the Turks were met with a heavy artillery and rifle fire, to which they replied with equal energy. It was moonlight and the moon turned their movements on the contending forces. When the engagement was at its height the batteries and machine guns joined in with their smaller batteries, directing the shells to cover the Italian front and flank.

For more than an hour the firing on shore was continuous but about 12 o'clock it slackened and gradually ceased.

The Turks retired, but in good order, although it is reported that they suffered heavy losses.

Another body of Turks tried to reach the Italian machine guns, but without success. The Italian casualties were slight. The fleet pursued the retreating Turks with a heavy shell fire until six o'clock in the morning.

ANOTHER ENGAGEMENT ROME, Oct. 10.—This semi-official announcement was made this afternoon: "The first contingent of the army corps of occupation composed of infantry, artillery and one company of engineers, left Naples on the night of the 8th instant, disembarked today at Tobruk. They established a post for defense after which the troops re-embarked."

It is presumed that the foregoing means that after disembarking in forces most of the troops again embarked leaving a sufficient garrison to protect that point while the other soldiers proceeded to other places. According to an undated dispatch printed here an Italian squadron shelled the fort at Tobruk soon afterward landing parties from the warships advancing to occupy the fortification were fired upon but rushing forward, took possession of the smoking ruins.

In the absence of dates it is presumed that this incident took place before the arrival of the troop ships as described in the preceding semi-official announcement.

TORPEDO BOATS SURPRISED LONDON, Oct. 10.—A dispatch to a London news agency from Pera says that the Turkish torpedo boats Tokat, Hamid, Abed, Alparat and Anisla, while returning from the London sea, were surprised by an Italian squadron near Mytilene, October 9. A smart engagement followed and three of the torpedo boats were severely damaged.

CALIFORNIA AGAINST WOMAN SUFFRAGE

SAN FRANCISCO, Cal., Oct. 10.—With returns from little more than one-tenth of the state it is hard to indicate at 9 o'clock tonight where California had refused to grant equal suffrage to women, but had by an emphatic vote made the initiative and referendum and the recall, the latter including the judiciary, part of its organic law.

Twenty-three proposed amendments to the constitution of the commonwealth were voted on today.
