Who Can Doubt Sworn Testimony of Honest Citizens?

Some time ago I began the use of your Swamp-Root with the most remarkable results. For years I was almost a wreck and was a great sufferer. The doctors who treated me made me believe that my great sufferings were due to female troubles. I was so bad at times I would faint away and had sinking spells. Finally a new doctor was called in and he said that I had kidney trouble and gave me medicine, of which I took several bottles. I obtained some relief from this but I was getting weaker all the time. I could not sleep and suffered so much pain that my husband and children had to lift me in and out of bed. After this time two friends sent me word to try Swamp-Root, which I did, and I am glad to state that the first dose gave me great relief. After taking the third dose I was helped into bed and slept all of the night.

I took several bottles of Swamp-Root and I feel that I owe my life to this wonderful remedy. The two family doctors said that I could not live three months. I would have died if I had not been helped in and out of bed ten to twenty times every night. After taking Dr. Kilmer's Swamp-Root for two days I was entirely free from getting up and could sleep soundly.

MRS. D. E. HILEMAN, Tunnelton, W. Va. Personally appeared before me, this 11th of September, 1909, Mrs. D. E. Hileman, who subscribed the above statement and made oath that the same is true in substance and in fact. JOSEPH A. MILLER, Notary Public.

Jack Shope has been in Atlanta for about two years, leaving Asheville for that place.

Clark, when Miss Maud Irma Lee Clarke became the bride of Mr. J. Harvey Carpenter, of Clinton, N. C., Rev. R. H. Herring, pastor of the Rutherfordton Baptist church officiating in an impressive manner.

SOUTHERN WILL GET REDUCTION IN TAXES

Will Pay This Month and Thereby Save Two Per Cent or Something Like \$300

County Tax Collector R. C. Crowell stated yesterday that the officials of the Southern Railway company had notified him that the company would take advantage of the two per cent reduction of taxes allowed if paid during this month.

The taxes of the Southern, collectable in Buncombe county, amount to practically \$18,000 for the past year, ranking next to those due by George W. Vanderbilt, which amount to about \$24,000.

Mr. Crowell said that the new ruling providing for a reduction was producing results and had begun the means of collecting taxes early.

SUCCESSFUL OPERATION

The following from the French Broad Hustler will be read with interest here, in view of the fact that Mr. Edwards spent some time here last fall and has many friends in this city:

"Orme Edwards, who has been with the Radcliff Lyceum bureau for the past month, was operated on last Monday in the St. Joseph hospital in Philadelphia for appendicitis. The operation was successful and Mr. Edwards is reported to be getting along nicely. As soon as he is able he will return home where he will recuperate from the rather sudden attack coming upon him in a distant city."

JUST A SMALL BLAZE

A fire alarm turned in from Madden's lane yesterday morning shortly after 10 o'clock called the department to that section of the city, where it was discovered that a house belonging to Slayden, Pakes & Co had had a chimney burned out. No damage was done, it is said, and the "ladies" were not called upon to get very busy, as the blaze was extinguished with little trouble.

HOTEL CHANGES HANDS AT HENDERSONVILLE

NEW YORK MAN WILL MANAGE HOTEL GATES

J. H. Willford of Greenville becomes the New Owner of Popular Hostelry

HENDERSONVILLE, N. C., Oct. 19.—It was announced here today that A. A. Gates has sold the Hotel Gates to J. H. Willford, of Greenville, who, it is said, paid about \$40,000 for the hostelry. Mr. Gates and family will leave Hendersonville at once for Greenville, where they will reside in the future.

O. H. Foster, of New York, who has had considerable experience in the management of hotels in both New York state and North Carolina, has leased the Gates from the new owner and will conduct it in the future. It is announced that it will be conducted through the winter as Hotel Gates, though it is quite probable that the name of the hotel will be changed at the beginning of the next summer season. Mr. Foster is a brother of R. P. Foster, of Asheville, and spent a part of last summer in that city as a guest of his brother. It was at that time that he became interested in acquiring the management of the Hendersonville hotel. Mr. Foster will take charge of the Gates at once, it is understood.

AMUSEMENTS

"THE WINNING WIDOW"

The new and successful musical comedy "The Winning Widow," which is booked at the Auditorium for Saturday matinee and night, is not a one part play; neither is it a mere excuse for a series of vaudeville acts and a few choruses. The piece is the joint work of Frank Kennedy and Will Heelan, with music by Seymour Furth, and it has a well defined plot and an excellent reason for the many laughable and amusing complications. The reason is that it excites laughter, and is a cure for all ills, if taken in time and in sufficient doses. One does not have to be told to laugh. Ridiculously funny situations, punctuated by the witniest of dialogue, bring to the surface the comedy. The comedy tells a story of complications which are apparently serious to the characters involved; a seriousness that is an absurdity to the audience.

The play is in two acts. Act one is laid at the home of Mrs. Townsend "The Winning Widow" on Riverside Drive, New York; act two takes place at Atlantic City showing the boardwalk and the beach.

The cast numbers forty people supporting Marie Burt, Joe M. Fields and George B. Scanlon and with the carloads of special scenery carried, it is safe to assume that a performance much above the ordinary will be witnessed.

Tickets go on sale this morning at Whitlock's Clothing Store. A big rush is expected.

"THE GIRL IN THE TAXI"

Next Tuesday matinee and night is the time when all roads theatrical will lead to the Auditorium Theatre, there to catch a glimpse of the fascinating young woman of whom we have heard and read so much. "The Girl in the Taxi" Reported from New York and other cities where play and players have delighted thousands, indicate that this engagement should prove the banner attraction of the season. "The Girl in the Taxi" has proved that "laughter" and not "bread" is the staff of life. Tickets sale opens Tuesday morning at Whitlock's.

ONLY ONE MAN WORRIED

The doctor had just concluded his daily examination and the gouty old gentleman felt none too pleased. "Well," he asked, in the manner of one who demands an ultimatum, "how do you find me today, eh? Better or worse?"

"Oh, better, much better," said the medico and rubbed his hands. "You are improving rapidly. The only thing that's really wrong now is that your legs still remain swollen. But that doesn't worry me in the least."

The irascible old invalid drew in a quick, sharp breath. "No, of course it doesn't," he blurted out. "And if your legs were swollen, it wouldn't worry me."—Answers.

SLEPT SIX WEEKS

When the strange case of the Iowa woman who had slept constantly for forty-three days was reported, many people who could not sleep at all wished that they might have a similar experience.

You would be surprised to know how many people there are right around here who hardly ever get more than two or three hours' sleep at night, owing to bad health, general weakness and worn-out condition. Miss Louise Ludwig, Newark, N. J., who went through all this has written a letter saying:

"Having felt weak, tired and badly run-down, with little appetite, and inability to sleep well, I began to take Vinoli which I had heard was the best remedy for that condition. It has done me great good by building up my strength, improving my appetite and enabling me to sleep soundly. If you are worn-out and weak and want new strength so you can eat well, sleep well, and be well, Vinoli, our delicious cod liver and iron remedy is what you need, and we guarantee it to satisfy you.
