

MEMORIAL OF ELKS IMPRESSIVE EVENT

LARGE AUDIENCE AT AUDITORIUM YESTERDAY.

Eulogy by Robert H. Reynolds, Memorial Address by Fred W. Thomas—Splendid Music.

A large audience gathered at the Auditorium yesterday afternoon for the memorial ceremonies of the Benevolent Protective Order of Elks and was greatly impressed with the music, the speeches and the order of the exercises.

The stage was beautifully decorated with ferns and potted plants and the officers of the order and the members of the grand lodge occupied seats on the stage.

The front seats in the Auditorium were reserved for the members of the Asheville lodge.

The musical program consisted of a violin solo by James Westall, a piano solo by Miss Minnie Westall, a vocal solo by Mrs. O. C. Hamilton and selections by a quartet composed of J. G. Hinkle, Mrs. O. C. Hamilton, Mrs. Julia Burdick and Thomas A. Jones.

The eulogy to the members of the order who have died since the Asheville lodge was founded was delivered by Robert H. Reynolds and was a pleasing address, being similar to his splendid effort at the memorial exercises of the Eagles in which were held during the early part of last winter.

The speaker said that the day was being observed by Elk lodges throughout the country, which had assembled for the purpose of giving an hour together in prayer and thought for the members of the order who are still alive and whether they are remembered by the departed brothers is a question which will never be solved.

Mr. Reynolds declared that it was with difficulty that he restrained his emotions and stated that the eulogy was but the lamentation for departed Elks. During the past year, he remarked, God has not removed from earth a member of the order and for this the Elks of Asheville are grateful.

LOST CONTROL OF HIS WHEEL, WAS INJURED

WILL GARREN SUSTAINS SOME SERIOUS HURTS.

Taken to Mission Hospital Where He Was Operated Upon and Will Likely Recover.

Will Garren, an employee of the J. R. Kitch Plumbing company, was the victim of a rather serious accident yesterday afternoon at about 3 o'clock, when the bicycle which he was riding collided with a stone wall at the corner of Flint and Cherry streets, and the young man was thrown to the ground.

According to reports, Mr. Garren was riding the bicycle down the incline on Flint street from Haywood street, when he lost control of the wheel near the intersection of Flint with Cherry.

The scene of the accident is near the bottom of the long hill on Flint street, which is a popular coasting place for bicycles and automobile riders. It is presumed that Mr. Garren was coasting down the incline, when his brakes failed to work and all control over the bicycle was lost.

The Swannanoa Lumber company, who recently bought the Swannanoa Lumber Company, are making many improvements on the road to the mountain, and work will soon be begun.

CONFESION SAVED \$1,000,000. SALISBURY, N. C., Dec. 3.—Upon hearing of the confession of the McNamara, accused of blowing up the Times building in California, a well known labor leader here remarked that the confession has saved organized labor more than one million dollars.

The justice, which is embodied in the principles of the order, does not imply a justice which is only applicable where wrong has been done, for it has a wider meaning and prevails to make men allow no act of injustice which springs from selfishness.

The journey through life, the speaker remarked, is a short one and the destiny of the human soul has been an unsettled question for ages. Brotherly love demands that members of the order follow the dictations of their consciences in dealing with their fellow men, and it is not the belief of the members of the order that God created man to go only to dust, at the end of life.

The fidelity which is embodied in the principles of the order, he said, demands that the members must be faithful to their sense of duty and their public and private obligations.
