

THAW'S ATTORNEYS PLAN ACCEPTANCE OF DEPORTATION

Will Not Contest, Provided Thaw Is Allowed to Select Destination

WILL PROBABLY LAND IN VERMONT

Hearing of Habeas Corpus Proceedings Deferred Until Next Wednesday

SHERBROOKE, Quebec, Aug. 21.—Until Wednesday of next week, barring unforeseen developments, Harry Kendall Thaw will remain in the Sherbrooke jail.

This, in brief, was the status tonight of Mattewan's fugitive, arrested Tuesday near Coaticook, Quebec, and committed to jail here on a defective warrant.

Blunder Made. This incident, variously described as a blunder, a case of absent-mindedness and an error due to hurry,

arose after Superior Judge Globensky failed to specify in writing that the writ was returnable before him next Wednesday.

Meanwhile District Attorney Conger, of Dutchess county, New York, Deputy Attorney-General Franklin Kennedy, of Albany, and others, primarily interested in getting Stanford White's slayer across the border,

seized on the possibility of Thaw's immediate production and sought to find another judge before whom to arraign him.

Wednesday the Day. The sheriff, after reading the writ carefully, said that while no time for its return was stated, he had understood from the court that Wednesday

BANKERS WILL PROBABLY PROTEST AGAINST THE NEW CURRENCY MEASURE

Great Conference of Bankers From all Over Country Opens at Chicago.

250 EXPECTED.

CHICAGO, Aug. 21.—Protest against the democratic currency bill is expected to be the result of a conference of bankers from all over the country, which will begin here tomorrow.

More than 250 bankers are expected to attend the conference. Among them will be members of the currency commission of the American Bankers' association, presidents of the various state bankers' associations, presidents of banks representing clearing houses and other representative bankers.

A large delegation of eastern bankers and a number of western bankers who have been in Washington conferring with Secretary McAdoo, are expected here for the meetings.

INTERNATIONAL GOLF TOURNEY TO BE PLAYED HERE

Conference Between Asheville Hotel Men's Association and Southern Railway Officials Results in Notable Attraction for Asheville.

An international golf tournament which will bring to this city scores of golfers with world-wide reputations for several days' activities on the links of the Asheville Country club is assured, plans for such a tournament having been perfected by the members of the Asheville Hotel Men's association and the officials of the passenger department of the Southern Railway company, who have been here for the past few days.

Frank Presley in Charge. The fact that Mr. Presley is to be connected with the proposition assures its success, local hotel men and passenger representatives of the Southern believe, for he has directed numerous tournaments of this kind, none of which has had a disappointing result.

Mr. Presley, it is stated, will arrive in Asheville next week to discuss the situation with Asheville hotel men and representatives of the passenger department of the Southern who will return to this city. The plans in detail will be decided upon and Mr. Presley will immediately start communications with the leading golfers of this country and others, in an effort to have them play on the local links.

Asheville's Great Course. Asheville's 18-hole golf course is

PASSAGE OF LOAN SHARK BILL MARKED BY THREATS AGAINST REP. JOHNSTON

Kentucky Man Tells Lobby Committee His Life Was Threatened.

SLUSH FUND.

WASHINGTON, Aug. 21.—Representative Ben Johnston of Kentucky told the lobby investigators today that the passage of the federal loan shark law was marked with daily threats against his life.

"Testimony has developed that the loan sharks fought the federal law with a slush fund of \$12,000. Representative J. T. McDermott of Illinois was charged by I. H. McMichael, a former house employe, with having claimed receiving \$7,500.

Martin M. Mulhall, late "lobbyist" for the National Association of Manufacturers, refreshed by a week's vacation, took the stand before the house committee again late today. He repeated some of his testimony before the senate committee relative to efforts to control committees in congress which dealt with labor legislation.

Representative Willis of Ohio questioned the witness sharply about his statements in regard to the make-up of the judiciary committee of the house in 1909-10. Mulhall swore that through the efforts of former Representative James E. Watson two men were taken from that committee, and two others—Representatives Vreeland of New York and Bannon of Ohio—given their places.

CHARGE OF DYNAMITE DISCOVERED NEAR MAYOR GAYNOR'S OFFICE WINDOW

Enough Explosives in Package to Have Wrecked the City Hall.

FUSE FAILED.

NEW YORK, Aug. 21.—A deadly charge of dynamite, three whole ten inch sticks and two halves with a fuse and detonator was discovered this afternoon near Mayor Gaynor's office window in the city hall.

The mayor was in his office when the dynamite was discovered by a citizen passing through city hall park. Mr. Gaynor evinced little interest when told of the explosive's proximity and remained apparently undisturbed at his desk while police officers hurriedly drew a cordon about the dynamite to keep back an excited crowd.

The dynamite found today lay on a basement in a concrete moat or area within sixty feet of the mayor's window.

The explosive was arranged in a lattice formation with the two small pieces on top. A partly burned four inch fuse led to a detonating cap on one of the half sticks.

Close to the explosive was a piece of Chinese punk and several partly burned matches. The dynamite and fuse were wrapped in a piece of heavy cambric secured by red and blue twine. The cloth was blue with red and white figures and resembled the fillets worn by Italian women of the working class.

Experts of the bureau of combustibles state that the only thing which prevented a disastrous explosion was the presence of a strip of cotton wool wound so tightly about the base of the fuse that a spark could not reach the detonator. An edge of one dynamite stick was slightly exposed.

A Bare Steal.

PRESIDENT WILSON PREPARING SPECIAL MESSAGE TO CONGRESS REVIEWING MEXICAN SITUATION

Will Relate in Detail Progress Made by Ex-Governor Lind, During His Stay in Mexico, and Will Outline Next U. S. Step—Penrose Wants Troops Sent into Mexico.

WASHINGTON, Aug. 21.—President Wilson was at work tonight on a special message which he probably will read to both houses of congress next Monday, relating in detail the negotiations which have been conducted through his personal representative, John Lind, with the Huerta government in Mexico.

Penrose Would Send Troops. The first refutation of this Huerta supposition came in the senate today when prominent republicans vigorously upheld the course of the president.

President Wilson reiterated to callers today that he had absolutely no intention of taking any drastic measures, denied that Secretary Garrison, of the war department, had been called back to Washington, and referred to the fact that Mr. Garrison would take a vacation after his inspection trip in the west was ended.

MIRAFLORES DIKE WILL BE DESTROYED NEXT WEEK

Two Monster Dredges Will Then Attack Debris to Clear Channel.

WASHINGTON, Aug. 21.—Another important step toward final completion of the Panama canal will be taken next Monday when preparations will be made to blow up the heavy earth dike, now the only barrier between the Miraflores locks and tide-water on the Pacific side, three miles away.

There will be nothing spectacular about the destruction of the dike. Its base will be perforated by a number of holes heavily charged with dynamite, then for five days fresh water from one of the rivers in the canal zone will be turned into the canal prism, and when the water is on the other side the charge will be set off.

REPUBLICANS ARE GETTING TIRED OF FRUITLESS FIGHT

Consideration of Tariff Bill is Proceeding Much More Rapidly

APPROVE SILK AND FLAX SCHEDULES

Paragraph on Woven Fabrics Passed at Request of Sen. Simmons

WASHINGTON, Aug. 21.—Republican senators gave evidence today of tiring over continued fruitless opposition to the tariff schedules, and rapid progress was made in consideration of the bill, the fight on free raw wool having been postponed until tomorrow.

The flax and silk schedules were approved as amended by the finance committee and the democratic caucus. Senators McCumber and Granna ineffectually sought to transfer flax from the free list to the dutiable list.

One Paragraph Passed. One paragraph relating to woven fabrics in the piece at forty-five per cent ad valorem was passed over at the request of Chairman Simmons, for revision. The schedule was disposed of in fifteen minutes.

Consideration of the paper schedule was begun but the paragraph relating to print paper and the proposed countervailing duty on paper valued at more than two and a half cents per pound, was passed over at the request of Senator Lodge until tomorrow.

When the paper schedule is disposed of tomorrow, Senator Simmons will call up the wool schedule, expecting a vote on free raw wool before adjournment for the day. The schedule was discussed in general debate today.

SENATE COMMITTEE AND THE HOUSE CAUCUS BOTH CONSIDER CURRENCY BILL

Neely Amendments Regarding Interlocking Directorates Pending.

OWEN FOR BILL.

WASHINGTON, Aug. 21.—Both the house democratic caucus and the conference of democratic members of the senate committee on banking and currency considered the administration currency bill today.

One minor amendment was voted into the bill in the caucus, which adjourned until tomorrow with the Neely amendment to prohibit any man from being a director of more than one bank, pending. Representative Wingo, of Arkansas, declared at the close of the session that if the caucus should vote down the interlocking directorate prohibition amendment, it would furnish the republicans with campaign material for a charge that the democratic party had surrendered to Cleveland H. Dodge and Cyrus McCormick, who had made heavy contributions to the Wilson campaign fund.

There was no real test of so-called insurgent strength at any time today, but all important amendments proposed were voted down overwhelmingly, the vote in one case being 21 to 103.

Chairman Owen, of the senate banking committee, issued a formal statement today reiterating that impressions that he was opposed to the administration currency bill were "without foundation" and declared "it would be stupid to say that it is impossible to improve it in any particular. I expect to do my utmost to help pass it," he added.

THE WEATHER.

WASHINGTON, Aug. 21.—Forecast for North Carolina: Unsettled with showers Friday afternoon and on Saturday, warmer weather Sunday.
