

# At Seven Tonight Second Period Closes

The End of Subscriptions is Never Reached by Candidates of Energy and Persistence.

Quicker than a wink this week has passed. Next week will speed by with almost greater rapidity. Put on your shoes of witness now and try not to be left behind by any one. Before your eyes the prizes are dangling—just out of reach. On next Saturday night they will drop into the hands that are held highest, to receive them.

**HAVE YOU THOUGHT OF ALL?**  
With just one week more in which to secure subscriptions you cannot put off any longer making sure that you have not overlooked some one from whom you might gain a nice little pile of votes.

It may not look like much to you to take or leave one subscription, but on that very one may depend your winning or losing the prize you have set your heart on.

Never mind where you stand on the list, one subscription might put you ahead of the candidate who wants the same prize as you do.

If you have even a few more votes, you get the prize before your competitors. Now don't let it happen that you are the one just a few votes behind. It's much more fun and much better business to be just a little ahead.

You know that votes can only be gained by securing paid subscriptions. You know that the prizes are going to be awarded strictly on the number of votes which the candidates have to their credit.

Under the circumstances, can you afford to lose a single opportunity of raising your vote? Better go out this minute and see what you can get. **BE SURE TO GET EXTENSION.**

By all means be careful to write the fact plainly on your subscription slip when you secure an extension. We have no other way of recognizing it as such, for you can readily see

that it would be impossible for us to remember at a glance the names of all those who have subscribed on the contest.

The slips turned into us must be marked, and if the extension is taken on a subscription given originally to another candidate, the name of that candidate must be supplied.

Look over your stubs. Find out who gave you a short-term subscription earlier in the contest. Any subscription already paid to a contestant is counted as a short term.

Go to all of these early subscribers and see if they will not be pleased to help you out a little more, especially when they know that a six-months subscription from them now means almost as much as a whole year from some one who waited until later in the contest to oblige you.

**MR. SUBSCRIBER,**  
This is your last chance to do a kindness to a candidate.

Remember that a year's subscription to The Daily and Sunday Citizen is worth 1,800 votes.

Remember that 1,800 votes may well turn the scales in favor of a candidate winning the desired prize.

Remember how much it would mean to you to win what you have been striving for for five long weeks. Put yourself in the candidate's place and **DO AS YOU WOULD BE DONE BY.**

**THE LAST APPEAL.**  
Candidates, wear a smiling face when you make your last calls. It is much pleasanter to help a good-humored person. Let people see that you expect to win **IF THEY WILL HELP YOU.**

Few will resist the last appeal. Will you make this appeal to yourself, or allow some more enterprising candidate to call and secure the subscription?

## NEWS AND GOSSIP FROM CAPITAL OF OLD NORTH STATE

**Southern Directed to Stop  
Two Daily Trains at  
Glen Raven.**

**MAN USES SNAKE  
TO CHASE RATS**

**North Carolina to Be Well  
Represented at Conserva-  
tion Exposition.**

RALEIGH, N. C., Aug. 21.—The corporation commission made an order today directing the southern railway company to stop trains Nos. 21 and 144 at Glen Raven, a growing station between Burlington and Elon colleges. There was a petition from the citizens of the section urging that they're being deprived by the Southern of both passenger and express service. The order is prepared by Commissioner Bell.

The Reynolds Brothers Lumber company, of Franklin, Macon county, is chartered with \$50,000 capital authorized and \$10,000 subscribed by Gordon E. Reynolds and others for general lumber and timber land business. There is also a charter for the Roseman Improvement company of Roseman, N. C.; capital \$125,000 authorized and \$1,000 subscribed by A. M. White and others.

In order to rid his premises of what rats that have come to be very much of a plague in several sections of the city, B. C. Beckwith has turned loose three big king snakes that are allowed the run of his premises. He says the rats have completely disappeared and the snakes are perfectly harmless.

Indications are that a mail service will be put on the passenger trains of the Raleigh, Charlotte & Southern division of the Norfolk & Southern, Raleigh to Mt. Gilead, thereby providing a much-needed improvement that will give people on this line mail twelve to twenty-four hours earlier than at present. The train that will carry the new service leaves Raleigh for Mt. Gilead at 4:15 p. m. daily. This road is being pushed as rapidly as possible on to Charlotte and will then provide a short line quick schedule, Raleigh to Charlotte, that will be a big advantage to the people all along the line.

Raleigh police are making a special run just now against violators of the speed law and that as to driving always to the right. T. B. Mosley, David Fort, Jr., and G. R. Norris paid the costs today in the police court for driving on the wrong side of the street and Reto Fowler was fined for fast driving.

Collector of Internal Revenue J. W. Bailey has appointed E. F. Dixon a special deputy collector to serve for ten days as successor to W. G. Staples, who was dismissed by Collector Wheeler Martin just before Collector Bailey came in office. Dixon has charge of the records of the South Carolina division until this is transferred to D. C. Haywood, the newly appointed collector for South Carolina.

Judge J. Crawford Biggs has returned from a meeting of the creditors of the Newton-McArthur Lumber company, Elizabethtown, at which it was decided to continue the business under the direction of Judge Biggs as receiver and to build three additional miles of railroad to make accessible all of the thirty million feet of timber the company controls. Clerk A. L. Blow, of the federal court, recently appointed to succeed Major H. L. Grant, will have completed his appointments of deputy clerks for all the courts of this district very soon now, there remaining appointments to be made for Raleigh, where George L. Tonoffski has been the deputy for a number of years, and at New Bern, where George Green is deputy. He has made re-appointments at all the other points, these being Samuel B. Collier, Wilmington; Harry T. Greenleaf, Elizabethtown; and Arthur Mayo, Washington.

North Carolina is to have a very creditable representation at the National Exposition for Conservation at Knoxville, to be in progress during the month of September. The following prominent North Carolinians have been especially commissioned by Governor Craig to represent the

state: J. M. Forehand, of Tyner; J. J. Laughinghouse, Greenville; C. W. Mitchell, Aulander; J. A. Evans, Ahsokie; J. E. Peterson, Goldsboro; William Dunn, New Bern; Ashley Horne, Clayton; W. A. Simpkins, Raleigh; John S. Cunningham, Durham; A. L. French, Byrdsville; J. E. Currie, Fayetteville; J. A. Brown, Whiteville; H. B. Varner, Lexington; W. J. McLenahan, Wadesboro; P. B. Beard, Salisbury; William Haddock, Sale; W. A. Grier, Dixie; J. R. Self, Lenoir; R. P. Hayes, Asheville; W. J. Cocks, Asheville; Clarence Poe, Raleigh.

Chief Justice Walter Clark has indicated to those state officers especially interested in the arrangement for remodeling the old supreme court building as their quarters, that he sees no reason why the court cannot move into the new building any time that it is ready without waiting for the conclusion of the fall term in December, as it has been claimed it would be necessary to do. The chief justice has concluded that the court can move the library within possibly three days, between district arguments, and that in this way delay in the remodeling of the old building and its occupancy by the department of education, corporation commission, insurance, department of labor and printing and state board of health can be avoided. It looks now like it will be possible to get the remodeling work in the old building under way within thirty days. This will include the construction of vaults, installation of an elevator and a general remodeling of the interior of the building.

## MONTREAT ATHLETIC CLUB STUNT RIGHT

Annual Event Handled in Splendid Manner This Year—New and Novel Events Staged.

The Montreat Athletic club gave its annual stunt night on August eighteenth in the large Auditorium at Montreat. The opening number on the program was a drill and ensemble of the entire club, the boys dressed in uniform. The stage was brilliantly lighted, and decorated in Red and Black, the club colors. A "Song without music" was given by eight of the small boys. The two black-face comedians Mr. Vincent Archer and Mr. James Phillips gave a laughable minstrel act, introducing the Pushmobile, Mary's Lamb, and Duck Shooting. Mr. David Cooper gave a startling "Crack Shooting" stunt; after which, in company with Mr. Samuel Peltzer, he presented the Negro Thief and Outlaw. "The Lovers" was then given by two of the club-boys, Mr. Andrew Anderson as the man and Mr. Archibald Young as the lady.

"The Apulush Society Circus" was given by five of the club's most skillful acrobats, Stuart Gilchrist, whose acrobatic and juggling work was the feature of the evening, in company with Messrs. Joseph Roddy (the president of the club), Melano Long, Samuel Keaster and W. L. Rod-

dy Jr. The memory of Mr. Samuel Keaster as the clown will linger; he afforded the audience one of its greatest laughs when he did the act of "Camp Fire Girls" with a tiny pink parasol and a watering pot.

As a finale a mock "Business meeting" of the Directors of the Montreat Association" was held; twelve boys participating, each one representing one of the directors. Mr. Hugh Finley as Dr. R. C. Anderson (the president of the association) provoked laughter with his "City responses" to the addresses of the "Directors"; while the hit of the meeting was the speech made by Mr. Robert Reid as Dr. Walter Lingo (who manages the program of the Montreat Auditorium). This speech was loudly cheered; the quarrel between Dr. Anderson (Mr. Hugh Finley) and Dr. Lingo (Mr. Robert Reid) over the one hundred thousand dollars was greatly amusing; the plea made by Mr. William Allen as Mr. C. B. Graham was very funny. Mr. Nathan Cocks, who was president of the club last year) was a good representative for Judge Murphy of Asheville; Mr. George Hudson had the part of Mr. F. L. Jackson, the secretary of the meeting. Much of the success of the affair was due to the work of Mr. R. C. Lipscombe, the beloved director of the Boy's club.

## Good Time Now for Blood Health

Warm Days and Proper Help do Wonders for the Blood.

A few doses of that wonderful blood purifier S. S. S. will start activities in the cellular tissues of the body and soon show decided changes in the skin. The skin is but a fine network of tiny blood vessels, and the specific action of S. S. S. is declared to be a pronounced stimulation of the activity of these cells. Certain it is that in a surprisingly short time any skin eruption shows a most remarkable change; it begins to dry up; the skin scales off in tiny beads, and soon a layer of clear, healthy and firm tissue results. The reason for this is in the peculiar stimulation of S. S. S., which enables the cells in the skin to select from the blood the nutriment it requires for regeneration.

This fact has been demonstrated year in and year out in a wonderful number of cases of severe skin diseases that had seemed to be incurable. You can obtain S. S. S. at any well stocked drug store, if you insist upon it, but be sure you are not talked into something "just as good." S. S. S. is prepared by the Swift Specific Co., 130 Swift Bldg., Atlanta, Ga.
