LIGHTS AND SHADOWS OF THE POLICE COURT

Cases of Every Variety and Hue Tell Their Own Tales of Human Frailty and Shortcomings.

Few heavy sentences were imposed by Judge Junius G. Adams at yesterday's session of the city police court, the majority of the defendants who appeared for trial for Labor day offenses being held on charges of a minor nature. Persons charged with drunkenness were in the majority and from the number of cases of this kind which were called yesterday, it appears that joy water was plentiful on the holiday. Those who were adjudged guilty of imbibing too freely were: Henry Boyle, colored, fined \$10 and the costs; W. M. Gentry, fined \$5 and the costs; Annie Bailey, colored, sentenced to the county jail for fifteen days; Sue Jones, colored, sentenced to the county jail for thirty days; Booker Maxwell, colored, fined \$5 and the costs; Maud Hill, colored, fined \$5 and the costs; Jim Murray, fined \$5 and the costs. Maud Hill and Jim Murray were not at all satisfied and appealed to the superior court. The former was required to give bond in the sum of \$100 while the latter was called upon to furnish bail in the sum of \$200.

Jessie Buckner was adjudged guilty of larceny, although judgment was suspended upon payment of the costs until October 2. Sue Payne, colored, paid \$20 and the costs for interfering with an officer.

On assault charges, Hubert White was found not guilty; Bob White was taxed with the costs; H. C. Wilson was found not guilty in one case and paid the costs in another; Maud Hill, colored, was fined \$25 and the costs and appealed to the Superior court, bond being named in the sum of \$250; Annie Bailey, colored, was found not guilty; Sue Jones, colored, was found not guilty.

Willie Williams, colored, was found not guilty of riding a bicycle through a funeral procession and C. R. Watkins paid the costs for allowing his dog to run at large without a muzzle. Prayer for judgment was continued in the case of Annie Bailey, colored, charged with disorderly conduct; on a similar charge Sue Jones, colored, was sentenced to the county jail for thirty days; Maud Hill, colored, was found guilty of disorderly conduct and was fined \$10 and the costs. She appealed to the Superior court and was required to give bond in the sum of \$100.

George Gaston paid the costs for running a motorcycle without the proper lights.

J. C. Wallace, formerly of the American Wagon Co., has moved to his old stand on the corner of Lexington Ave. and Willow street and will be glad to have his old customers to call and see him.

BOOKLETS ON ASHEVILLE ARE IN GREAT DEMAND

Order for 10,000 Booklets is Placed by the Board of Trade to Supply Many Requests.

The many requests for literature concerning Asheville and the Land of the Sky, during the summer season just ending, having been so great the supply on hand is about exhausted and the board of trade is soon to order 10,000 more booklets. It is estimated that at least 100,000 pieces of printed matter advertising Western North Carolina were sent to the four corners of the United States during the present season.

The requests for literature continue to roll in by almost every mail. R. H. Graham, now ticket agent for the Southern railway in Milwaukee, formerly with the company here, writes that he is receiving many requests for Asheville printed matter. A letter has also been received from G. C. Blackburn, division passenger agent for the Queen and Crescent route with headquarters in Cincinnati asking for literature. Both have been supplied.

Birmingham is contemplating building a municipal auditorium and a request for information concerning Asheville's building has been received and supplied.

BUSINESS OUTLOOK IS GOOD IN THE SOUTH

M. J. Keenan, a prominent hardwood manufacturer of Chattanooga, is spending a few days in Asheville. According to Mr. Keenan the business outlook throughout the entire country, especially in the south, is quite encouraging. "We expect a tremendous fall and winter business," said Mr. Keenan. "There is a general feeling of prosperity in the air and this is bound to mean a good sign. The manufacturers are satisfied. I think, with the outlook at this time."

OHIO MEDICAL ASSOCIATION.

CEDAR POINT, O., Sept. 2.—The local hotels are crowded to their full capacity with members of the medical profession from all parts of Ohio who have gathered here for the annual convention of the Ohio State Medical association, which opened here today for a three-days session. Dr. Charles F. Erdman of New York and Dr. Charles F. Hoover of Cleveland are scheduled to deliver the principal addresses and scores of other members of the profession will read papers on various medical, surgical and hygienic subjects of interest to the profession.

The easy Resinol way to get rid of pimples

PIMPLES and blackheads disappear. Unightly complexions become clean, clear, and velvety, and hair health and beauty are promoted by the regular use of Resinol Soap and an occasional application of Resinol Ointment. These soothing, healing preparations do their work easily, quickly and at little cost, when even the most expensive cosmetics and complicated "beauty treatments" fail.

For 15 years Resinol has been a doctor's prescription and household remedy for eczema, ringworm, rashes and other skin eruptions, dandruff, burns, sores, etc. Stops itching instantly. Resinol Ointment (50c and \$1) and Resinol Soap (25c) are sold by all druggists. For sample of each, write to Dept. 31-S, Resinol Baltimore, Md.

TRYON COMPANY HAS FILED BANKRUPTCY PLEA

Petition is Filed in Federal Court by The Tryon Supply Company—Liabilities and Assets Given.

In the federal district court yesterday afternoon a petition in voluntary bankruptcy was filed by the Tryon Supply company of Tryon, Polk county, through its president, George A. Gash. The sum involved in the bankruptcy proceedings is the largest of any petition that has been filed with the clerk of the United States court for sometime past.

The petitioners list liabilities at \$45,059.55, with assets amounting to \$9,921.47. The liabilities include secured claims to the amount of \$4,888.12 and unsecured claims amounting to \$9,790.17, according to the petition.

Of the assets, \$3,000 is listed as stock in trade; \$3,148.51 as debts due on open accounts, and \$3,500 in fire insurance. The petition states that the creditors are located in Richmond, Norfolk, Philadelphia, Winston-Salem, Tryon, Atlanta and elsewhere. The company is represented legally by the firm of Smith and Shipman, of Hendersonville.

HEATING PLANT NOW BEING SET IN PLACE

The work of installing the new heating system in the federal building is now under way. In order to make the improvements it was necessary to remove a part of the stone work on the Patton avenue side of the government building. It was also necessary to remove some of the iron fence. The work will be completed before cold weather comes.

CRACKERS CREEP CLOSE.

ATLANTA, Sept. 2.—Atlanta today reduced Mobile's lead in the Southern league pennant race to two games, winning an exciting contest 4 to 1. While odds tonight favored Mobile in predictions of the pennant winner, Atlanta was much enthused over the improvement in the local club's chances to win out by a sensationally close margin. In order to win the pennant, Atlanta must take all three of the remaining games to be played against Mobile here.

ELECTRIC LIGHTS AT BLACK MOUNTAIN

"Juice" Turned on for the First Time Last Night—Big Improvement to the Town.

BLACK MOUNTAIN, Sept. 2.—Like stepping into the sunlight from a dark cellar was the effect here Tuesday night when the long looked for electric lights were turned on for the first time. A large crowd filled the down town streets as early as 7 o'clock to be on hand for this wonderful occasion, Monday night had been the time set for the initial illumination of the town and great preparations had been made for the event. A speakers stand was prepared with American flags and bunting, many prominent men of the county were on hand to deliver addresses and the Black Mountain band ready with many national airs. When 10 o'clock came and the crowd was still in darkness a message came from the plant that the machinery had gone wrong and there would be no lights until the sun came up in the morning. The installing of electricity in Black Mountain means much for the future of the town. It shows that the people are going to be up-to-date. It means a great inducement for visitors both in summer and winter. It is the foundation on which to build up our town and make the metropolis of the county hustle to keep ahead of us. It is going to light the path by which the town of Black Mountain is going to reach a future, the wonders of which none can realize. With this as a guide we are on the trail to the grand mountain of prosperity.

ROAD MATTERS ARE HEARD BY THE BOARD

Road matters packed the court room of the board of county commissioners practically all of yesterday. The Newfound road was the real bone of contention and there were representatives of three different factions on hand to present their views as to the rebuilding of this roadway. After hearing all of the arguments the county officials took the matter under advisement. Other matters were transacted including the award of the contract for painting the court house to R. E. Bowles. The Union Plumbing company will install two fountains in the courthouse yard. Damages amounting to \$50 to W. C. Salea, and \$100 to Mrs. J. Arthur, for certain road construction was awarded by the board. Chairman N. A. Reynolds presided over the meeting.

Hi Larity has never been counted a handsome man, but since the Ivy vine, which took root in the soil that had collected about the end of his peg, has threatened to envelop his entire anatomy, Hi has been able to add to the picturesqueness of the lawn.—Pleasant Valley item in Kansas City Star.

W. P. STAFFORD DIES AFTER SHORT ILLNESS

Charlotte Traveling Man Passes Away At Local Hotel—Body to be Taken to Huntersville.

Following an illness of about a week, W. P. Stafford, a traveling salesman employed by Armour and company, with headquarters at Charlotte, died here yesterday afternoon at 1 o'clock at the Langren hotel. The body was immediately removed to the parlors of the Red Cross Undertaking company and will be taken to Huntersville, N. C., the former home of the deceased, for burial today.

Mr. Stafford was twenty-nine years of age and is survived by a wife, who is now at Charlotte. She has been advised of the death of her husband and will go to Huntersville immediately to attend the funeral. Mr. Stafford was well known among the traveling men of this state and the news of his passing will be received with sincere regret. He had visited Asheville on frequent occasions and had many friends in this city. The news of his death will come as a shock to his acquaintances, for while it was generally known that he was ill, it was not realized that his illness was of such a nature that it would result fatally.

SERIOUSLY BURNED.
CANTON, Sept. 2.—Archie Russell and Charles Mease two well known young men of this place were seriously burned and narrowly escaped being burned to death last Saturday evening when a carbide plant exploded at Wildwood, a country boarding house some distance from here. The young men were working with the lighting plant when it exploded and they were very seriously burned. Had they not been given medical attention at once it is likely that both would have suffered permanent injuries. As it was, they received burns about the face and neck.

The rates at Grove Park Inn have been persistently reported by many to be prohibitive.

It has been stated repeatedly that accommodations can not be had for less than \$10.00 a day per person.

While Grove Park Inn cannot receive guests at the rates made by the average non-fireproof hotel, we take this occasion to correct the false statements mentioned and to say that our rates on the American plan are from \$5.00 a day up.

Grove Park Inn is the finest resort hotel in the world. Special attention given to Luncheon and Dinner parties, price \$1.50. Phone 3000
