**PENNANT WINNERS IN FOUR CLASSES NAMED**  
ALL-LEAGUE TEAMS ANNOUNCED BY THE MANAGEMENT.

Boys of Y. M. C. A. Meet Tuesday Night for Selection of Members of Governing Board.

The big athletic event of the past week in Y. M. C. A. circles was the closing of the Bible class and basketball leagues, the four classes bringing the season to a close with the following pennant winners: Class A, Roy Jordan's team; class B, Charlie Thomas' team; class C, Everett Wilkinson's team; class D, Hampton Smith's team. The players making up the four winning fives are among the best to be found in the city and in them the management of the association believes that it has some talent which will reflect great credit on the organization on the basketball court in the future. All-league teams have been selected as follows: Class A—Rockey Newton, captain, r. f.; Albert Wood, l. f.; Roy Boling, c.; Philip Randolph, r. e.; Cecil Arthur, l. e.; Charles Tennent and Stephen Adams, utility men. Class B—Perry Tomlin, p. f.; Roy Donahoe, l. f.; Dewey Cline, captain, c.; Robert Paster, r. e.; George Mears, l. e.; Eugene Ooston and Harry Courtney, utility men. Class C—Bertney Smith, r. f.; Morris Morrett, l. f.; Everett Wilkinson, captain, c.; Frank DeYoung, r. e.; William Reynolds, l. e. Class D—Hugh Pite, captain, r. f.; Frank Mims, l. f.; Clyde Gentry, c.; Hampton Smith, r. e.; Frank Jackson, l. e.

The season which has just closed has been by far the most successful in the history of the organization and the management of the Y. M. C. A. and the boys who have taken part in the games are delighted with the success of the past season. The games have been close and interesting and the attendance at the various meetings of the Bible class has been a third larger this year than ever before. The rules for playing have been strict, profanity, the use of tobacco and numerous other habits having been under the ban. Not once during the season has it been necessary for an official to chase one of the players from the court, the youngsters having observed the rules of the league to the letter. They have shown keen interest in the games and although many times the officials at the contests have been boys of the association, the referees have had no trouble enforcing their rulings. As has been the case since the organization was formed, eligibility to participate in the games has been established only through attendance upon the meetings of the Bible classes.

The boys of the association will meet tomorrow night at 7:30 o'clock for the selection of members of the board of governors to serve during the approaching six months. The meetings will be held at the auditorium of the association building and all of the boys of the institution are urged to be present. Following the meeting of the younger members of the association, picked teams of classes A and B of the association league will play for the Y. M. C. A. basketball championship. Last year, the B players grabbed it winning the game by two points. Since that time the B players have held the association championship. The team winning it this year will remain champion of the association until next year.

**CLOSE GAME.**  
MOBILE, Ala., March 22.—The Detroit Americans defeated the Mobile Southern association team here today 2 to 1. Three double plays by Mobile featured Cobb, at bat three times doubled twice.

Score: R. H. E.  
Mobile ..... 1 4 3  
Detroit ..... 2 6 0  
Williams, Cullom and Schmidt, Brown, Cavet, Hall and McKee.

Miller Huggins says his Cardinals will not be crippled by the desertion of Evans to the Federal since he has planned to can Steve anyway. It must be true that all of the players who jumped to the Feds were ready for the scrap heap when they flopped.

**RELIGIOUS CENSUS TO BE TAKEN TOMORROW**  
CITY IS DIVIDED INTO EIGHT DISTRICTS.

Two Hundred Church Workers will Compile Asheville's Religious Statistics.

For the purpose of securing information relative to the religious affiliations of the residents of this city in the hope that Asheville's church attendance may be increased and the members of various churches who are no longer regular attendants may be brought to the realization that their presence at the local houses of worship is desired, 200 church workers, under the direction of Rev. Lewis Collins tomorrow will take a religious census of the city. All preparations for the compilation of the census have been completed and the members of the Asheville Ministers' association and the local members of the Buncombe County Sunday school association are firm in the belief that the taking of the census will result in great good here. A similar census was taken about four years ago and the results were very helpful, the reports of the pastors of the various churches showing that the attendance at their houses of worship was materially increased. The visitors have been instructed to ask only the questions necessary to obtain the information desired, to distribute the invitation cards without doing any personal soliciting, to include no transcripts in their reports, to finish their sections promptly and to report to local headquarters for more work.

The visitation record contains space for the name of the person visited, the place of residence, number of persons included in the record, number under eighteen years of age, number attending Sunday school, church membership or preference, name of pastor if church attended, no preference, information refused, not at home, vacant house and any remarks that might be considered appropriate.

The city has been divided into eight districts, each with fourteen to twenty-four sections. All of the sections have been platted on the cards ready for the pairs of visitors. They will not have to cross the street unless both sides of it are in the plat. District No. 1 includes the depot neighborhood from Phillip street south, with both sides of South French Broad avenue and Southside avenue. District No. 2 includes West end from Ann street to the river, between Tryon street and Courtland avenue. District No. 3 covers the territory from North Main street and the mountain and south of College street. District No. 4 extends from Ann street to Oak with Woodfin, Hiwassee and Haywood streets as the northern boundary; Phillip and College streets as the southern boundary. District No. 5 takes in all between Montford avenue and the river from Courtland avenue north to Woodfin and College streets.

All visitors from Bethel Methodist, South French Broad Baptist and Ora Street Presbyterian churches will start from Bethel Methodist at 9 o'clock and canvass the first district. District No. 2 will be cared for by the visitors from West End Baptist, Haywood Street Methodist, First Methodist Episcopal churches and the Salvation army. Districts No. 3 and 4 will be worked by the men of the First Baptist, First Presbyterian, Central Methodist and Trinity Episcopal churches, starting from Central Methodist church. Certain sections will be done by the mature women of Central Methodist church. It is announced. Districts No. 5 and 8 will

**SAND HILL SCHOOL WINS COUNTY MEET**  
ANNUAL EVENT A SUCCESS IN SPITE OF WEATHER.

Team from Fairview High School Wins Second Honors and Leicester School Third.

In spite of the inclement weather which prevailed Saturday the track and field meet of the Buncombe county high schools at Riverside park was a decided success. Although the track was not in the best of condition several of the dashes were made in excellent time and all of the events were strongly contested. On account of the chilly atmosphere the athletes encountered some difficulty in keeping warmed up for the different races but taken as a whole the meet was declared to be a great success.

For the second time the honors were carried off by teams representing Sand Hill school. Last year the team from this school took first place in the meet and won the silver cup presented by the Asheville Merchants' association. This cup was given with the understanding that it is to become the permanent property of the school winning it three times.

The Sand Hill team won the meet Saturday with a total of twenty-four points while the team from Fairview high school was a good second with nineteen points. Third place was taken by the Leicester school with a total of fifteen points. Eleven schools participated in the meet and every one of them made a good showing. Much interest had been aroused over the county and a good crowd was in attendance.

The meet began promptly at 1 o'clock and lasted until some time after 4 o'clock. Some difficulty was met in arranging the different events since some of the schools had not prepared for certain of them but this was finally adjusted. Nine events were held with results as follows:

1. Running high jump—Roy Crowell, of Sand Hill school, first; Walker, of Barnardville, second; Will Ray, of Sand Hill, third.
2. 220-yard dash—N. Alexander, Leicester, first; C. Ralston, Grace, second; H. Walker, Barnardville, third.
3. Half-mile run—Earl Fletcher, Sand Hill, first; G. Goldsmith, Fairview, second; Waldrop, Leicester, third.
4. Shot put—George Jordan, Sand Hill, first; W. Cathey, Sand Hill, second; W. Cathey, Sand Hill, third.
5. Two boys and a jump—Hutchinson, Fairview, first; W. Cathey, Candler, second; H. Walker, Barnardville, third.
6. 440-yard dash—V. Alexander, Leicester, first; Reggie Holcombe, Sand Hill, second; Earl Fletcher, Sand Hill, third.
7. Running broad jump—Walker, Barnardville, first; G. Hutchison, Fairview, second; F. Waldrop, Leicester, third.
8. Mile race—C. Estalon, Grace, first; M. Jones, Fairview, second; J. Ralston, Grace, third.
9. 100 yard dash—G. Hutchison, Fairview, first; W. Cathey, Sand Hill, second; H. Walker, Barnardville, third.

**HANDSOME CUPS ARE OFFERED FOR WINNERS**  
Victors in First and Second Flights Will Receive Handsome Trophy Cups—Handicap Tournament.

The men's handicap golf tournament of the Asheville Country club is creating keen interest among the many lovers of the game here and visitors to Asheville and the links are drawing large crowds daily. Grove Park Inn is offering a handsome cup for the winners in the first flight while the Manor gives a similar prize for the second flight victors. The management of the inn announces that in addition to the cup which is to be awarded to the wearers of the laurel, the less fortunate players will receive a trophy, this cup being given to the "beaten giant."

The women's handicap tournament begins today.

First flight—S. F. Hodgman, Jr., G. H. Leslie; E. F. Bourne—A. A. Beebe, G. Sticklethorpe—J. B. Potter, L. H. Jones—A. H. Paolier, F. S. Coleman—Dr. T. P. Chesborough, Dr. C. L. Minor—W. F. Mouring, S. P. Davidge—W. E. Ortoy, Dr. C. S. Jordan—S. A. Brown; second flight—C. H. Clarke—H. S. Firestone, W. H. McQuiry—G. A. Harris, N. L. Doyle—C. A. Rich, George Richardson—E. I. Frost, C. A. Palmer—Ewing Hill, W. Halbrook—A. Sperry, A. S. Barnard—E. D. Schibie.

The cups which are to be awarded to the winners are handsomely engraved and present a beautiful appearance. The contestants doubtless will work hard for them in both flights and the winners will prize them highly.

Fairview, first; N. Alexander, Leicester, second; George Gordon, Sand Hill, third.

**"CORONA DRY" Arsenate of Lead**  
Patented June 19th, 1913

Eliminates gnawwork. Standardizes the strength of the spray mixture. Saves work in mixing—no straining needed.

Spray with a mixture that always has the same strength. You cannot use a paste arsenate and be sure of uniform strength. Large and practical usage in all sections, for all purposes, has proved that in "Corona Dry" you do get this very thing plus highest poisoning power, and absolute safety from "burning."

Largest and Most Progressive Growers Everywhere say that "Corona Dry" has proved efficient—has always the same high efficiency—is more simple, cleaner and easier to handle than a paste arsenate—is easily mixed and needs no straining—can be managed easily and conveniently. "Corona Dry" positively kills and exterminates Coddling Moth, Curculionid and all leaf-eating insects of both fruit and shade trees. One pound of "Corona Dry" will do the work of three pounds of paste and cost but one-third. Write for booklet. Ask for "Corona Dry" Free Insurance Policy. Address: CORONA CHEMICAL CO., Dept. Milwaukee, Wisconsin.
