#### INTERESTING CONTESTS CONDUCTED AT MARION.

The second annual meet of the western division of state high schools was held at Marion, Friday. Eleven counties were represented. Thirteen schools entered the contests. Several of the schools sent large delegations to root for their respective teams. Hendersonville leading with a delegation of twenty. Each event was hotly contested, the contestants showing results of much training on the part of their teachers.

The first event was in composition. "Evangeline" being the subject chosen. Miss Georgia Hampton, of Bryson City, won first honor, but inasmuch as she had won this medal last year, the medal was awarded to Miss Alice Gray, of Sylva.

The next event of the day was the track meet. The university sent J. P. Hoffman, Jr., the well known track man, to manage the events. The results follow:

100-yard dash—Gibson, Bryson City, first; Grant, Bryson City, second; Cherry, Hendersonville, third; time, 11 seconds.

The track was thirty-five feet short owing to conditions.

The cup was awarded to the Bryson City school, having won 30 1/4 points. This school also won four first places. Hendersonville was second, having won 21 1/2 points and capturing two first places. Marion won 15 points with one first place, and Bald Creek 5 points, with one first place. The officers were: Starter, J. F. Hoffman, Jr.; scorer, W. T. Brothers; timer, W. M. McNairy; judges, J. W. Winborne, Z. V. Moss and E. M. Coulter.

A great crowd gathered at the school auditorium at 8 p. m. for the contests in recitation, declamation and spelling. Six girls contested for the reciter's medal, and it was the unanimous opinion of all present that this was one of the closest and most interesting ever held in this section of the state. Each recitation was good, and every contestant deserved mention. The committee awarded the medal to Miss Frances Wood, of Marion, who recited "Naughty Zella." Miss Lucile Sandigo, of Bryson City, was a close second. Miss Hattie Phoenix kept the audience in a continuous uproar with her recitation, "How (the) Rube Played." She also received special mention by the committee.

Then came the spelling contest. Seven contestants entered. Miss Lois Gilkey, of Marion, won the gold medal and Jack Franklin, of Bryson City, won the dictionary, the second prize.

There were eight boys in the contest in declamation. Thurston Crane, of Hendersonville, won the medal, and John Elliot, of Marion, second honor. Superintendent, J. C. Griffin, secretary of the association, called the winners of medals and prizes to the stage and introduced them to the audience and presented the medals.

Intense excitement prevailed during the entire evening, and there were many applause and roars at the

### PASTOR THORNTON EXPOUNDS BELIEF

Speaking on the subject, "Christ's Second Coming; Why? How? When?" Pastor T. H. Thornton, of New York yesterday expressed the belief that Jesus visited the earth to save mankind from death and the grave. He asserted that He will never come again in the flesh and expressed the belief that all Christian people will be advised as to the time for the coming. However, he warned his hearers that the time is near at hand and closed his lecture with a plea for his hearers to trim their lights without delay and keep them burning.

The speaker came to Asheville as the representative of the International Bible Students' association and his remarks were in line with the beliefs of that organization.

Honors were announced. All college men present were reminded of campus life as the students gave their yells and engaged in friendly rivalry.

All the visitors expressed their hearty appreciation of Marion's hospitality. The representatives and their teachers were entertained by the citizens, and no expense or pains were spared to make their stay pleasant.

The contestants gave a vote of thanks to Mr. Hoffman for the excellent service rendered in managing the track meet.

### Men Pay Homage to Mother's Friend

"I am not surprised to observe the number of men who come into the store to purchase 'Mother's Friend,'" remarked a leading druggist. "It is a happy thought to have a good hubby to the drug store. 'Mother's Friend' is applied externally over the abdominal muscles. It is a gentle, soothing lubricant, penetrates to the finest network of nerves beneath the skin and has a marked tendency to relieve the muscular strain to which these broad, flat abdominal muscles are subjected. The cords, tendons and ligaments are thus permitted to stretch without the corresponding surface area of often involved during the period of expectation. This in part accounts for the entire absence, in many cases reported, of nausea, morning sickness and other distressing so-called effects of the epiphora so often the case when this gentle form of friction is applied."

"Mother's Friend" has been highly recommended by a host of women who know from experience and by men who know from observation. Write Bradford Regulator Co., 293 Lamar Bldg., Atlanta, Ga., and we will send you a valuable little book in expedient postpaid.

### ILLNESS KEEPING PLAYERS FROM GAME

#### THREE PITCHERS ONE CATCHER OUT OF LINE-UP.

Pitchers Smith and High Taken Out of City by Sickness and Death in Families.

Sickness and death are hurting the Mountaineer battery prospects at the present, when no less than three of the pitchers and one catcher are out of the running on account of either illness or death in their families. Pitcher Smith was called to his home in New York several days ago, when his father died suddenly and he is not expected back on the scenery for several days yet. Pitcher High was called to Columbia, S. C., Saturday morning on account of the serious illness of his brother and may not be back until after the first game against Charlotte Thursday. Pitcher McKelthan and Catcher Rowe are both laid up with attacks of tonsillitis, although it is stated that they will both be able to get in the line-up in a day or two. Both were operated on Saturday, having their tonsils removed and both are reported to be improving.

It is fortunate that the local staff is still well supplied with material to do battle with the Hornets next Thursday. There are eight hurlers at present and every one of them gives promise of developing into a capable man. Therefore the only thing worrying Manager Cook in connection with his sharpshooters is just who to keep and who to let go. The outfield is giving him the greatest trouble just at present, but it is thought that the evident weakness in one of the gardeners will be plugged up when Hasty, the recruit from Oak Ridge college arrives. Hasty was ordered to report not later than Friday, but so far has not put in an appearance. He is expected today at the very latest and will be given a chance to show what he can do at once. He is touted as being one of the best men in college baseball developed in the state this year. It is stated that he can run the bases well and field the ball besides hitting when hits are needed. The axe of the manager is due to fall again in a few days since several of the men have been given every opportunity to demonstrate and have failed to come up to the standard set for this league. Only four of the pitchers will be carried through the season, which means that at least four of them will be cut adrift, probably two within the next few days. There are also three catchers on the staff at present and one of these will have to go.

### INDOOR PRACTICE WILL BEGIN TODAY

### MINISTERS REFER TO CLOSING MOVEMENT

Pastors of Several Local Churches Urge Adoption of Proposed Shorter Hours.

In pursuance of the request of the chairman of the committee from the Asheville Merchants' association which is urging all of the proprietors of retail stores to endorse and observe the early closing movement, many pastors of Asheville churches yesterday referred to the movement in their pulpits and asked that the members of their congregations use their influence in behalf of its adoption. The Asheville Ministers' association, some time ago, adopted resolutions in favor of the movement, their action being based on the belief that the members of the sales forces of the various stores here will be greatly benefited by having more time for recreation and to spend with the members of their families.

Saturday several of the members of the Baracas-Philathea movement called at some of the stores whose proprietors have failed to endorse the movement, asking that they take favorable action. In some instances they met with success, although it is stated that a very few merchants are still opposed to the observance of shorter hours.
