LOCAL YOUNG MEN MAY PARTICIPATE IN FIGHT

ASHEVILLE WELL REPRESENTED IN THE NAVY.

Friends Here are Greatly Interested in the Present Crisis—Many Have Joined Lately.

With war clouds gathering in Mexico and indications leading Ashevilleans who are interested in the situation to believe that the services of Uncle Sam's navy are going to be required before many days have elapsed, it is interesting to note that this city has many young men in the navy ready to fight for old glory. Many Asheville men have joined the navy within the past few years and no small number of them doubtless will be sent to Mexico within the very near future.

Their friends here are greatly interested in the situation and relatives of the members of the navy are showing much concern over the present crisis.

Among the Ashevilleans who may take part in the fight are: Ed McCoy, Carl McCanness, Maurice Alexander, Albert Bunn, Owen Moore, Puett Lottain, J. J. Britt, Jr., Lon Wagner, Brooks Duckett, Vernon Whitehead, William Robinson, Calvin Robinson, Paul Wright, Gilbert Thompson, Harry Hood, Everett Frady, Claude Parks, Fred Jewell and Floyd Jewell.

The exact location of all of the Ashevilleans is not known although of those mentioned, Mr. McCoy is on a torpedo boat, Mr. McCanness is in the marine band, Mr. Alexander is one of the marines, Mr. Bunn is in Panama, Mr. Wagner is an electrician in the navy, Mr. Robinson is a gun sighter, Mr. Thompson is on the transport Franklin, Mr. Frady is here on a furlough, Mr. Parks is a member of the marines. Messrs. Jewell are on the transport Franklin.

Friends of these men are greatly interested in the present conditions and already several of them have been heard from.

M. R. Beaman, secretary and rate expert of the Western North Carolina Lumber and Timber association, has a brother, H. A. Beaman, who is boatswain on the Connecticut. He has been in Mexican waters for the past two years during which time his brother here has received several letters from him. It is thought that he was a member of the party of marines that landed when the United States seized Vera Cruz. For the past three years he has been the champion shot of the navy.

INQUIRY.

Since I became a candidate for Constable inquiry having been made whether or not I was the magistrate or the express agent James, I am not either. I am a son of the late Thomas R. James, deceased, of Leicester township of this county and as stated before, a loyal democrat and a total abstainer from strong drink. As to my efficiency I refer you to the city officials under and with whom I served as policeman for five years—L. M. Bourne, S. G. Bernard, Judge Thomas A. Jones, C. H. Bartlett, Chief Lominae and others. I solicit your support and need the work. If chosen will establish an office and pledge my best service and thank you.

Respectfully,
H. B. JAMES, Candidate for Constable May 1

VARIETY OF CASES IN CITY POLICE COURT

Colegians Easy for the Locals Yesterday With High in Form Backed by Great Fielding.

A variety of cases constituted the proceedings in police court yesterday morning, defendants facing charges of exceeding the speed limit, retailing, feeding horses in the street, leaving horses unattended, gambling and cases of a disorderly nature.

On the testimony of Press Litteral, Lonnie Boss, colored, crew a sentence of six months on the county roads on a retailing charge. Litteral appeared to be determined to make good his resolution to turn over a new leaf stating several days ago that he intends to stop drinking. He says he is "turning up" the people who sell him whiskey. Boss appealed from the decision of yesterday, bond for his appearance at the approaching term of the Superior court being named in the sum of \$500.

AGED HAYWOOD WOMAN IS FATALLY BURNED

CANTON, April 22.—Mrs. Jake Evans, an aged resident of the Beaverdam section of Haywood county, died this morning as the result of being burned yesterday in attempting to extinguish a fire in a field near her home.

The deceased was a member of a well known family and her death was an unusually sad occurrence, the aged woman being horribly burned in an effort to protect property which surrounded her home.

While at home yesterday, Mrs. Evans noticed a blaze in a field and seeing that it was of such proportions that it would spread rapidly she ran to the scene to try to extinguish it. In fighting the fire she fell into the flames and sustained horrible burns. Her clothing was ignited and before aid could be summoned she was fatally burned. Living a day, she suffered severely and death this morning put an end to her agony.

GOOD PROGRAM BY THE "SWISS BELL RINGERS"

Advance copies of the program which will be rendered by the Swiss bell ringers at 8:30 and 9 o'clock this tonight at the Galax theatre indicate that the entertainment will be of unusual interest. Selections include numbers on the cello, violin, harp, saxophone, mandolin, xylophone, musical aluminum tubes and musical flowers. The Swiss hand bell trio promises to be one of the features of the musical program.

The performers will close with a melody of popular airs by the organ echime trio.

PROCEEDINGS FILED TO RECOVER \$25,000

J. A. Gentry Seeking to Recover Damages from Southern Railway For Personal Injuries.

Suit to recover \$25,000 damages for alleged personal injuries sustained last January has been filed by J. A. Gentry, through his attorneys, Fortune and Roberts, against the Southern Railway company. The complaint was filed yesterday morning in the office of the clerk of the Buncombe county Superior court.

It was set forth in the paper filed that the plaintiff was employed by the defendant company as a switchman in the Asheville yards for several years up to the time he was injured last January, and that while engaged in his duties he was caught between two cars, sustaining internal injuries and three fractures of the collar bone. It was set forth that the injuries are permanent and that the plaintiff will probably never regain his health.

The suit was brought under the United States Federal Employers' Liability act, and the ground is taken that the defendant company is responsible through negligence in allowing defective cars in the trains and not providing the plaintiff reasonable space in which to work. It was stated that the cars between which the plaintiff was caught had been allowed to bulge out at the sides until they almost touched in passing.

ROBERT R. REYNOLDS RETURNS FROM RIDE

After a whirlwind campaign over the western counties of the district Robert R. Reynolds, candidate for congress, returned to Asheville yesterday and immediately began preparations for a similar trip through the eastern counties of the district. Mr. Reynolds in an interview with a Citizen representative said:

"I have been riding eighteen days on horseback and I feel better than I have in many months. I have covered 120 miles in this manner, made fourteen speeches and have visited more than 1,000 homes in Buncombe, Haywood, Transylvania, Cherokee, Clay, Graham, Macon and Jackson counties. At the various stops along the route I have shake hands with more than 2,000 voters and I feel absolutely confident of victory.

"I feel that I will carry Haywood county by 600 votes and that I will have a safe margin in all of the other counties in which I have been. In Macon county will receive a majority over both Mr. Gudgeon and Mr. Harrison.

PROGRAM ARRANGED FOR PYTHIAN MEETING

PLANS COMPLETED FOR BLACK MOUNTAIN GATHERING.

Social and Business Meetings Will Feature Monday's Convention to Be Held There.

District Deputy Grand Chancellor J. C. Sales, of the thirteenth district, Knights of Pythias, has completed the program for the annual meeting which is to be held at Black Mountain Monday and at which the local lodges will be represented by large delegations. Prominent Pythians have accepted invitations to deliver addresses at the approaching gathering and the members of the Black Mountain lodge have made elaborate preparations for the entertainment of their guests. As was stated in The Citizen of yesterday, Pisgah lodge No. 32 will be represented by fourteen or more members, that number of Pythians already having expressed a desire to make the trip.

The first business session will be held at 2:30 o'clock Monday afternoon the opening ceremonies being started at the hour for the opening. The calling of the roll of the delegates is the next thing on the program following which the various lodges of the district will submit reports of the activities of the past year. Suggestions for the good of the order will be heard after all the reports are in, the presiding officer announcing that he will call on various Pythians to make suggestions which will result in the future progress and continued welfare of the Pythian lodges of the district. The afternoon session will come to a close with the exemplification of the secret work by State Deputy W. W. Wilson, of Raleigh.

At 7 o'clock the banquet will be served by the members of the Black Mountain lodge, complimentary to the visiting Pythians and it will be followed immediately by a social session to which the public will be invited. Mr. Sales will preside over this gathering which will be called to order at 8:30 o'clock. Rev. F. C. West will deliver the invocation and L. W. Morgan will make the address of welcome. H. M. Roberts will respond, after which the following will make speeches dealing with the work and principles of the order: Allen T. Morrison, Judge J. D. Murphy, and State Deputy Wilson.

The music will be a feature of the social meeting being in the hands of the quartet.

ASHEVILLE MAN APPOINTED

Frederick Rutledge, of Asheville, N. C., has just received the appointment as general agent for the Franklin Fire Insurance company of Philadelphia, one of the best of the old Philadelphia companies, for the states of North and South Carolina. Mr. Rutledge is now general agent for the Girard Fire and Marine Insurance company and the City of New York Fire Insurance company.

This appointment will come as a great surprise to the insurance world as appointments of this kind generally go to Atlanta, New Orleans or Richmond.
