MINOR CASES HEARD IN SUPERIOR COURT

Jury Gets Case of Automobile Company Against O. D. Revel for \$23. Other Cases Heard.

In the case of H. P. Devine versus H. O. Williams, a Superior court jury yesterday decided that neither of the parties was entitled to any damages. One sued for \$10,000 and the other for \$4,000 damages, for assault.

No cases of importance were heard during the day. Allie Davis was granted a divorce from Claude Davis and what was practically a compromise judgment was returned in the case of Nancy Barker versus Charles Stevens, for assault originating in a dispute over an entrance way to certain property. The defendant paid the costs in the case. There was much talk of motor cars and their peculiarities heard during the afternoon in the case of the O. K. Auto and Supply company versus O. D. Revel. The suit was for \$23; Mr. Revel had a counter-suit for \$170. The jury retired late in the afternoon with a more complete knowledge, probably, of automobiles, than its members previously possessed.

There are forty-six cases on the calendar and the present term will last two weeks.

DEPUTIES APPOINTED TO COLLECT TAXES

Tax List Now in Hands of Mr. Gaston Shows Increase of Nearly \$35,000.

"I'd like to see at least sixty per cent of the county's taxes paid during this month," said County Tax Collector C. P. Gaston yesterday in announcing the list of deputy tax collectors. "The total tax is about \$355,000, which is an increase of from \$25,000 to \$35,000 over last year. The tax books are now in my hands and there is a discount of two per cent for those paying their taxes during October."

The deputy tax collectors are: Black Mountain—C. M. Buckner. Swannanoa—George Bartlett. Reems Creek—Charles Roberts. Ivy—Talmadge Maney. Flat Creek—W. B. Roberts. French Broad—James Sluder. Leicester—Webb Israel. Sandy Mtn.—Henry Duckett. Upper Hominy—C. L. Byrd. Lower Hominy—E. W. Davis. Fairview—Charles Whitaker. Limestone—J. M. Rickman. Avery's Creek—Walter Johnson.

Mr. Gaston said that many people availed themselves of a substantial saving represented by the two per cent discount for prompt payment of money due the county. He thinks that the farmers, for instance, have more cash at this time of the year than they may possibly have next spring, and says that as the taxes have to be paid anyhow it is good business policy to pay them now and so save several dollars, perhaps.

CIVIL AUTHORITIES IN CHARGE.

TOKIO, Sunday, Sept. 30. (Delayed).—An official communication issued today announces that the Japanese military administration at Tsing-Tau, the former German concession in China, has been abolished. During the three years it has been in effect, it is pointed out, order has been established in the territory. The civil administration now substituted for it, the statement says, is designed to improve the administration of the territory in general and of the railways and mines and promote the welfare of the inhabitants, while bringing about more friendly relations. It is significant, the statement notes, that during the occupation the status quo of the territory has not been changed.

CLOTHING MAN

GAINS 35 POUNDS BY TAKING IRON

SAYS SIX FIFTY-CENT BOTTLES BROUGHT RELIEF AFTER TEN LONG YEARS OF SUFFERING

TELLS WHAT KIND OF IRON HE RECOMMENDS

"I was troubled with my stomach for ten years, and in that time I bought almost every kind of medicine and couldn't begin to say how much I took or paid out for medical services, yet nothing did me any good. Then I began using Acid Iron Mineral and I don't think I had taken more than six of the fifty-cent bottles when I began feeling better than I ever did. I only weighed 145 pounds when I began to take Acid Iron Mineral and now I weigh 180 pounds. It is a pleasure for me to recommend it to anyone who has symptoms of indigestion or stomach trouble and if they will try it I am sure they will find it everything I have said it to be," writes W. T. Cash, proprietor of a well known clothing, shoes, hats and men's furnishing store in Bristol, Virginia. "A statement such as the above from a merchant of integrity who knew all the agony of stomach trouble for ten years or more must convince the reader that after all is said and done, just plain, everyday natural medicinal iron, concentrated as it is in Acid Iron Mineral is the cheapest, best medicine to bring the system back to normal and purify and enrich the blood. It is unusual, helps the appetite, and costs but little, a teaspoonful in a glass of water after meals being a most invigorating dose. Whole families take it Fall and Spring as a tonic. Absolutely non-injurious, contains no alcohol, narcotic, or habit-forming drugs. Does not upset the liver, stomach or bowels, nor injure the teeth. If your druggist hasn't it send a dollar to the Parke-Davis Chemical Co., Rossford, Va., for a large bottle."

SOLDIERS ARE HELD TO SUPERIOR COURT

Charged With Stealing Automobile and Probable Cause Is Found. Others Sent Back to Greenville.

C. E. Thompson and W. M. Madden, the soldiers who are charged with stealing a Ford automobile belonging to J. B. Ledford, of West Asheville, were yesterday bound over to Superior court by Judge Glenn, and bond set at \$200 each. Being unable to furnish this amount, they were committed to jail to await hearing.

It is said that these young men, who are members of the North Carolina national guard contingent at Camp Sevier, in Greenville, were using the stolen machine for a joy ride. The police department received a call from the owner to the effect that it had been stolen, and chase was immediately begun. The chase was all in favor of the soldiers until they became reckless and drove the machine into a ditch.

Jesse Wilson, Jim Featherstone and Earl Sorrells, who are also members of the training camp at Greenville, were called for by a member of the sheriff's office at Greenville. These men are charged with taking a Ford car in Greenville and bringing it to this city, where they were captured. They will be tried by the civil authorities of the South Carolina county.

DIVIDE DOUBLE BILL.

BOSTON, Oct. 2.—Boston and Washington divided their double-header today. Washington won the first game 9 to 7 in ten innings by hitting Leonard freely. Harper started for Washington, but was hit hard and was wild. He was followed by Gallia, who later gave way to Ayres.

In the second game Ayres and Mays, who are after bonus money were the pitchers and Boston won 3 to 2. The game was called in the eighth inning on account of darkness. It was bat and ball fund day, and Manager Griffith, of Washington, presented the several camps of the department of the northeast with baseball paraphernalia.

EACH GETS ONE.

PHILADELPHIA, Oct. 2.—Philadelphia and New York broke a tie today, New York winning the first game in twelve innings, 5 to 2, and the home team getting the second, 3 to 2. A muffed fly ball by Fletcher with two men out in the ninth inning set the opening scene, prevented Philadelphia from getting a shut out and caused the score to be tied. New York won this game in the twelfth inning on three hits and two errors. The second game marked Alexander's thirtieth victory of the season. It was the third successive year that he reached this mark. In 1915 he won thirty-one games while in 1916 he won thirty-three. With New York leading by 1 to 0 in the fourth inning the visitors sent in many substitutes while Benton who took Demaree's place in the fifth inning was pounded hard. Ciccotte, Eddie Collins and Gleason, of the Chicago White Sox, watched the contests.

CHICAGO WINS.

CLEVELAND, Ohio, Oct. 2.—Chicago defeated Cleveland 8 to 5 today in the first of a series of two games to prepare the American league champions for the world's series. Cleveland played listlessly in the field and Chicago's run-getting was made easy. Bens did the best work of the three pitchers used by the White Sox. A rally by Cleveland netted four runs in the ninth.

GOULD MADE SERGEANT.

CAMP DIX, WRIGHTSTOWN, N. J., Oct. 2.—Kingdon Gould, a private in the national army, according to an official announcement today, is to be named as a member of the headquarters company. The appointment will carry with it the rank of first sergeant. Eventually he will become a lieutenant. Raymond Belmont, of New York, in the same company, was made a second lieutenant.

SLIDING SCALE DISCUSSED.

WASHINGTON, Oct. 2.—Methods by which wages in navy yards and arsenals during the war would be based on a sliding scale dependent on increases in the cost of living, were discussed today at a conference between presidents of international trade unions and the joint army and navy wage adjustment board. No decision was reached.

Representatives of the several trades at the Norfolk, Philadelphia and Washington navy yards also were heard by the board today on what they claimed to be injustices in the wage scales recently fixed by the board. The conferences will continue tomorrow.

WOULD REMOVE AGE LIMITS.

WASHINGTON, Oct. 2.—A bill to remove the age limits in the lower grades of the officers reserve corps was passed today by the House. It was urged by the war department because 150 candidates who have satisfactorily completed the aviation course are over age for lieutenant's commissions while 2,000 others will be ready for commissions within three months. The department estimated that the bill would affect a saving in pay of \$1,500,000 a year.

NINETEEN NORWEGIANS SUNK.
