ping in distress and facilities will be afforded for needed repairs and supplies

Will Use Naval Crews.

Although the plans have not been developed, it is believed in naval circles that the shipping board desires it submarine waifare was extended the continuance of the manning of its ships with naval and expressed officers and crews until private capital is organized to the limits conceded to it in the exundertake the great task of operating thousands of mer-chant vessels. The other naval establishments in Europe To give time for the preparation of chant vessels. The other naval establishments in Europe | To give time for the preparation have been ordered abandoned as rapidly as possible and evidence, the senate committee de progress in this direction has already been considered. | cided to The United States navy had twenty-seven aero stations Mitchell Palmer. along the European coast, the material from which except at Brest, Gibraltar and the Azores is being shipped home. Naval transports relieved of carrying munition ALL PRODUCTS OF will hereafter convey food supplies.

It is expected that the army also will soon be able to use a number of transports similarly on eastern voy-

Transfer to Reserve.

Demobilization of naval personnel has been ordered to proceed rapidly on the basis of the transfer to the reserve lists of men and officers of good character and physique. The needs of the new merchant marine, it is calculated, will absorb as large a proportion of such reservists as is desired.

FOUNDATION OF LEAGUE OF NATIONS INSEPARABLE

Another raw, wet day kept President Wilson indoors today except for a ride in a closed motor far. The only conference on his program was one with Gabriel Hangtaux, formerly French foreign minister.

WILSON BELIGHTED.

PARIS. Dec. 18.—President Wilson gave his personal impressions today at a meeting with repressions today at a meeting with repressions today at a meeting with repressions to the American press of his experiences thus far in France. At the same time aunouncement was made that the members of the American commission to negotiate peace would meet daily with the press. The president, in response to a suggestion said:

"I have been asked to say a few wards in regard to my reception here. The reception was so tremendous that PARIS, Dec. 18. President Wilson

The reception was so tremendous that I do not know what to say. I was delighted with it, but I was delighted for a special reason, which is not per-

"I was saying to several of our French friends that I understood it because I saw in the eyes of the crowd just the feeling that I had for them and was aware that it was but a sort of reciprocal feeling. But that moved me very much because that of moved me very much because that, of course, meant more than mere gen-erous cordiality on the part of these delightful people, it meant a thought-

VISITS HEADQUARTERS.
PARIS. Dec. 18.—President Wilson today paid his first visit to the head-quarters of the American mission, conferring briefly with Colonel House. Secretary Lansing. Henry While and others and inspecting the organization

American delegates conferred for two hours regarding general plans, maniping out work and dividing it into sections. Progress was reached in the formation of important branches of work under the guidance of American progress who never the sections of the formation of important branches of work under the guidance of American progressions who never the second of the formation of

Now a song of joy to the Service-boy From our loyal, loving lips. For four long years of darkening fears Has Christmas been in eclipse. But now at last are the dark clouds past. And the Old Song sings again,

And "Peace on Earth" has a newer birth And the brave 'Good will to men' Good will to friend, good will to friend, good will to foe. And that goodness of will shall the German know. or goodness is justice-to high and low. In the long, long years he shall make amends. As make them be shall and must

He shall know us at last as his only friends. Who have forced him to be just We have saved his soul from its worship of Might At the devil's altar of Shrecklichkeit.

We bear no malice to cot nor palace Because we have won the light. And when we punish we are not Hunnish. But the measure of Right is right So hall to the boys who have brought the joys Of the Old Song back again. And "Peace on Earth" may renew its worth And the brave "Good will to men!" Good will to the friends who win the goal!

Good will to the for who thrives his soul.

And shall pay, in the flesh, as the seasons roll.

And so, as we send our song adrift.
With our glad and grateful prayers Our hearts are full but we bring no gift Which is worthy to match with theirs What Offt could we offer our Serv'ce-men Who have brought back Christman to Earth again?
