**CHAIRMAN CATHEY CALLS UPON ALL PEOPLE TO HELP.**

**Buncombe County's Quota to Save 200 Lives Declares the Leader—\$5 Feeds Orphan a Month.**

In sending out an appeal to all the Sunday schools, civic and religious organizations and lodges in Buncombe county, outside of the city, John H. Cathey, chairman Armenian and Syrian relief for the county, yesterday said that he was anxious for this county to make a report which will compare favorably with those from the other counties in the state and in order to do that the people must get busy at once and raise funds for the relief of the people in the near east.

Chairman Cathey last night presented this matter to the Rotary and Kiwanis clubs, and during the week has taken it up with the superintendents and teachers in various Sunday schools of the city.

"Buncombe county's quota is to save 200 lives," said Chairman Cathey yesterday in reference to sending out the following letter:

"Dear Superintendent:—  
"Christmas will soon be here. Of course our children in this good land of ours will have plenty to eat, plenty to wear and in lots of cases will get more candy and toys than is good for them.

"But listen, over 400,000 orphan Armenian and Syrian children will not get even enough to keep them warm, nor enough to keep hunger away, much less get all they actually need. These poor helpless children of the oldest Christian land in the world are looking to America to carry them through another fearful winter. A winter of cold, desolation and death for hundreds of them unless we answer their cry for help. They only ask for enough to keep body and soul together.

"Five dollars will feed one of these helpless orphans for a month. How many lives will your Sunday school save for the coming year?"

"Present this to your school and report not later than January 1. The subscription and collection so taken can be paid through your regular missionary channel if you prefer, but we want to know the total amount your school will give for the following year.

"Subscriptions are payable at so much per month, if you prefer, or you may pay all cash down when you subscribe.

Yours,  
"JOHN H. CATHEY."

**Land Company Alleges \$350 is Due It For Selling Certain Property.**

A suit to recover \$350 said to be due as agents' commission for selling land, was instituted in superior court yesterday when J. H. Grogg, Jr., G. G. Grogg and S. Davis, trading under the name of the North Carolina Realty company, filed complaint against Frances and Thomas McCullough.

The plaintiffs complaining, allege that they entered into a contract with defendant to sell certain property and that they were to receive a five per cent commission for effecting the sale, and that they have not received said commission.

The oldest active blacksmith in Michigan is still pounding his anvil in the town of Homer—thanks to my internal method for treating piles.

Mr. Jacob Lyon, Homer, Mich.

I wish that you could hear him tell of his many experiences with ointments, salves, dilators, etc., before he tried my method. Here is a letter just received from him:

Mr. E. R. Page, Marshall, Mich.  
Dear Sir: I want you to know what your treatment has done for me. Although I am 88 years old, and the oldest active blacksmith in Michigan, I feel years younger since the piles have left me. I will surely recommend it to all I know who suffer this way. You can use my letter any way you wish and I hope it will lead others to try this wonderful remedy.

Yours truly,
