

BISCUIT CONTEST WAS VERY SUCCESSFUL

Miss Myrtle Quackenbush, of Emma School, Won First Prize in the Contest Yesterday.

The biscuit contest held at the board of trade rooms yesterday at noon under the auspices of Mrs. Rachel T. Hannaman, home demonstrator for Buncombe county, for the past 3 years, was a success.

Miss Robbins stated to those present that the decision was reached from three standpoints, that of appearance, which carried 60 points, texture, 25 points and flavor 35 points, and that one of the biscuits measured up to the highest standard, or the 100 points.

The first and second prizes were feather pillows presented to the board of trade for the prize winners by Mr. Friedman, of the Susquehanna Furniture company, and the third and fourth prizes, two pairs of hose, presented by J. W. Neely and company.

He stressed the value of modern improvements in the home, such as electric lights, which could now be had with small expense, sanitary plumbing for hot and cold water, and sewerage, paved walks around the house and to the barn and other outhouses, which would make life in the country even more attractive than in the city with its consequent rush and turmoil.

He added that the board of trade had great pride in the advancement of agricultural life of the county in the past ten years, and that it would continue to give its hearty support and co-operation to the home and farm demonstration work in the future, believing that the growth of Asheville depended on the growth of the county contributory to it.

ASHEVILLE LOSES TO SPARTANBURG 'Y'

Score Was Even Up to Last Three Minutes, But Local Boys Lost 39 to 34.

The Asheville Y. M. C. A. quintet met defeat in the opening game of the season played here last night with the Spartanburg 'Y' aggregation, by a score of 39 to 34.

Up until the last three minutes of play the local boys kept an even score, but during the last minute of play the South Carolinians got away with two goals and made good a foul.

The game was fast from the beginning, and at times a little rough, but clean. Florence and Tennent held the goal record for Asheville, and Langford and Vogel did the shooting for Spartanburg. Florence made the highest number of points of any player, rolling up a total of 21 to his credit.

Manager Dill, of the local team, announced last night that a game between the local quintet and Spartanburg would be played in Spartanburg January 3, and that he is making efforts to get a game with Greenville, either the day before or after the other game in South Carolina.

The line-up was: Asheville—34. Spartanburg—39. Position. Florence—forward. Langford—guard. Vogel, R. Randolph—center. Vogel, R. Randolph—center. Vogel, R. Randolph—center. Vogel, R. Randolph—center.

ASHEVILLE BUREAU LEADS ALL IN STATE

Jobs Found For 94 Per Cent. of All Who Applied.

Reports made by Raleigh, Charlotte, Wilmington and Asheville, to the federal director of employment bureaus for the past week show that Asheville again took the lead in the work of finding jobs for soldiers and others.

COAL PRODUCTION IS INCREASED IN SEVERAL STATES

(CONTINUED FROM PAGE ONE) ment and the miners were lining up their respective arguments in the contempt cases set for Tuesday, and the government agencies continued their preparation of evidence for presentation to the federal grand jury Monday when the investigation of charges of violation of the Lever act and anti-trust laws by miners and operators is started.

SHORTER SKIRTS FOR NEXT SEASON

CLEVELAND, Ohio, Dec. 6.—The style committee of the National Cloak, Suit and Skirt Manufacturers' association recommended skirts from three to four inches shorter than at present for the 1920 season in its report today at the closing session of the annual convention here.

Skirts, the style makers say, will be "frankly short," but without abbreviation. One thing to be avoided if one wishes to be stylish, is the extreme. Tunic and platted skirts will be worn.

Fullness at the hips will be a feature of many of the smart spring suits. Sleeves will fit snug and close to the tailored suits. The three-quarter length sleeve will be favored on the Etons and short tunic models.

CHAPEL HILL TEAM WINS CHAMPIONSHIP CONTEST

Victorious Eleven Plays Greensboro Off Feet. Score is 78 to 0.

(Special to The Citizen) CHAPEL HILL, Dec. 6.—Playing football of almost college calibre, the heavy, powerful Chapel Hill high school team won the high school football championship of North Carolina by defeating Greensboro high school on Emerson field, here today, 78 to 0.

With an advantage of many pounds in weight and with two back field stars, Captain Sparrow and Merritt, who could make many college backs hustle for their jobs, Chapel Hill ripped up the light Greensboro line, ran wild around her ends and used the forward pass with skill and ingenuity. Not once did she fail to make her required distance and not once did she punt.

Greensboro fought bravely under her disadvantage of lack of weight. On three separate occasions she threw back the Chapel Hill backs within her five-yard line and forced them to use the full limit of four yards to make the required distance. She made three first downs in the forward pass, and the Greensboro ends dropped many more passes that ought to have been good.

University athletic officials who have seen five other championship games on Emerson field, said tonight that Chapel Hill had the best high school team that has ever played here. Captain Sparrow was a team in himself, three times he broke loose for long runs for touchdowns, he made another one on a touch-down which he counted on for five yards from the line and he kicked a drop kick from the 25-yard line.

Merritt, at fullback, was close behind him in all-round playing, and he kicked nine goals out of ten attempts. Cole at end, and Sykes at guard, were other stars. For Greensboro, Fordham played rare defensive ball, and Captain Wynne threw his passes well.

MAUDE MOORE IS GIVEN SENTENCE OF 21 YEARS

KNOXVILLE, Dec. 6.—Maude Moore late today was convicted of murder in the first degree and sentenced to 21 years in the penitentiary at Nashville by a jury which had heard her trial on the charge of killing LeRoy D. Harth. A motion for a new trial was entered and will come up later. Her bondsmen surrendered her and she was again incarcerated in the Knox county jail.

It was the theory of the prosecution that Maude Moore and Martin Hunter planned to lure Harth away from the city and rob him of a large diamond ring which he wore and a large sum of money which he was reputed to carry. The prosecution contended Maude Moore telephoned Harth and arranged to meet him at 9:30 o'clock and took a revolver in her hand-bag, and that when they were what she considered a safe distance from the city she attempted to rob Harth and a fight ensued in the automobile, pointing out there was one bullet hole in the top of the automobile and two bullet holes in the coat which Harth wore.

MINERS ENJOINED FROM CONSPIRING TO FOSTER STRIKE

(CONTINUED FROM PAGE ONE) managers of railroads in the southern region began today announcing details of curtailed passenger schedules, to be effective at 12:01 o'clock next Tuesday morning, in accordance with orders from the railroad administration for the conservation of fuel supplies.

These orders, it was stated, are similar to those issued in other regions of the country. They provide for the complete suspension of special trains and for the abbreviation of so-called luxury service such as parlor cars, club cars and sleeping cars. Where local trains are taken off, through trains will pick up their stops.

Among those roads which already have issued orders curtailing service are the Atlanta and West Point, Nashville, Chattanooga and St. Louis, Tennessee Central, and the Birmingham and Northwestern. These probably will be no changes on the Atlanta, Birmingham and Atlantic, it was said.

SEND TROOPS TO MINES

TACOMA, Wash., Dec. 6.—A special train carrying troops of the first and thirty-first regiments of infantry and command of Colonel F. C. Endicott, left Camp Lewis, Butte, Mont., Thursday night for duty at Montana mines. This announcement was made at headquarters Camp Lewis tonight. Upon report being received that the soldiers had arrived safely at Butte.

SPEECH UNTINGED WITH BITTERNESS

But Emphatic Delivered by Hoey at Morganton.

Burke County People Brave Rain to Hear the Democratic Candidate.

(Special to The Citizen) MORGANTON, Dec. 6.—In spite of rain the Burke county court house held a capacity crowd this afternoon when Clyde H. Hoey, democratic candidate for congress from the ninth district, spoke in behalf of his candidacy and on the issues involved in the campaign that is attracting nationwide attention. Those who had heard Mr. Hoey before say that he was at his best today and his masterful address received the closest attention of the people who from every part of the county packed the room.

Frequent applause interrupted the speaker and the very atmosphere seemed charged with intense enthusiasm. There is evidence that the democrats of Burke county are putting on their fighting faces and are working with such determination as has been sometimes lacking when the county was in the primary and the introduction by E. M. Hairfield, a Morganton attorney, who paid glowing tribute to him, Mr. Hoey began his address by thanking Burke democracy for the splendid support given him in the primary, and then launched into an old-time political speech, emphatic in its delivery, yet untinted with the seething bitterness that one-time characterized political addresses.

The republicans have thrown out the challenge, said he, "and it is now not so much the question of the man to be sent to congress as that of repudiating or upholding the principles for which Woodrow Wilson and democracy stand." He had heard reports of a big rush being made into the district to carry it republican and brought a laugh from his hearers by the remark that folks who voted for that bunch should be paid for doing so.

In reply to the argument that Mr. Morehead's advocates are advancing that the times are such as demand a business man to represent the district, Mr. Hoey gave his interpretation of what constitutes a business man. Later, in his speech he accused the republicans of playing "hot and cold," of having Mr. Morehead represented on the one hand as the mighty friend of the special interests, and on the other as the strong exponent of labor. He declared that he expected to represent the people, not any special class or class.

World Follows Wilson Street comment on Mr. Hoey's address was enthusiastically favorable, and he has gone to Glen Alpine for an address there tonight. Much interest is attached to the announcement that was made today that Secretary Daniels will speak here next Wednesday in behalf of Mr. Hoey's candidacy.

WORK OF VACATE HOMES, DECISION OF TENN. OWNERS

(CONTINUED FROM PAGE ONE) dressed the meeting to explain the miners' attitude. He declared that the operators would promise to enter a conference to determine the wage question, he would renew his efforts to get the men back to work.

Robert S. Young, speaking for the operators, said they had posted notices offering a 14 per cent wage increase and were ready to restore production to normal but could not recognize the union.

VOTE TO RETURN

BRISTOL, Va.-Tenn., Dec. 6.—Striking coal miners in the Lee county fields of Virginia, at a called meeting in St. Charles tonight, voted to return to their work Monday morning, according to reports received in Bristol. The action of the miners can be set off probably the longest strike period ever witnessed in this section. The announcement, according to reports, was given out by union officials tonight, in a meeting held at the home of a strike which had lasted about six weeks, includes considerable disorder by radicals and agitators, many of whom, reports state, have left the country for other fields.

PUBLIC GETS BULK OF FRICK FORTUNE

(CONTINUED FROM PAGE ONE) DIVIDED INTO SHARES. About \$50,000,000 of his estate Mr. Frick ordered divided into 100 equal shares. These shares were ordered distributed to various institutions. Princeton is given thirty shares, Harvard ten, Massachusetts institute of Technology ten, and an educational fund commission which has its office in Pittsburgh, ten.

Lewis Cass Ledyard, who made public Mr. Frick's will, said it was the iron master's intention to distribute to the public, charitable and educational institutions all of the 100 shares. Not having made provisions for 13 remaining undivided upon his death, it was Mr. Frick's intention to have his daughter arrange for dispensing of them. In consequence Miss Helen Frick is bequeathed them, valued at about \$6,000,000—to do with as she sees fit. No restrictions are placed upon her by the will. Executors of the will, under its direction, are given as Mrs. Adelaide H. C. Frick, Miss Helen Frick, Childs Frick, and Henry C. McElidowney, and William Watson Smith, both of Pittsburgh. McElidowney and Smith receive \$250,000 each as their fees.

BREAK IN UNION RANKS

M'ALESTER Okla., Dec. 6.—The first break in the ranks of the union miners occurred here today when the union men formerly occupied in the Dawley mines, six miles south of here returned to work this morning in response to an ultimatum delivered by Governor J. E. Robertson.

BAPTISTS OF N.C. EXCEED QUOTA IN STATE CAMPAIGN

Baptists of the State Have Pledged Their Apportionment in the Seventy-Five Million Campaign—Women's Organizations More Than Reached Their Quotas.

RALEIGH, Dec. 6.—North Carolina Baptists have reached the top, having over six million dollars in pledges for the Baptist 75-million campaign fund being reported officially by Director Walter N. Jonsson. The Baptist women have gone "over the top" with \$1,255,880 reported from the women's organizations of 415 churches according to Miss Betha Carroll, the corresponding secretary of the Woman's Missionary union of the state. The women of North Carolina were asked to raise one million one hundred thousand dollars. Miss Carroll says there are still many more churches to be heard from. Less than half of the Baptist churches reported to Dr. Johnson and there is reason to expect a big swell in the total when the final reports come in Sunday night.

State campaign headquarters will be open all night tomorrow night and every associational director is expected to telegraph a final report. Telegraphic advices today from Dr. L. R. Scarborough at Nashville, the general director, were not very encouraging. Dr. Scarborough said today: "We now lack ten million dollars of being over. The next 48 hours tells the story of whether southern Baptists will reach their objective in time set. I know North Carolina is doing its best. Put on a little more and report the last possible dollars by Sunday night."

To Continue Work Dr. Walter Johnson, state director, sends out this message: "North Carolina is at the top. There is six million dollars reported in the Baptist 75,000,000 campaign. Just ready to go over pasting the top is not victory. It is only the beginning of the battle. Many a battle has been lost after it had been won. Every church is urged to keep its campaign organization intact until every member pledges or refuses to pledge. It is most important to reach our people than to get the money."

Central headquarters reports that the south is ten million dollars below the total of seventy-five millions. Floods and impassable roads in the southwest have delayed the progress of the campaign. Over 1,000 churches in North Carolina have not yet been heard from. May the reports from them put North Carolina over the mark and help make good the totals for the whole campaign.

Central headquarters at Nashville has extended the victory period until December 31, for the southwestern section. But in North Carolina victory work closes tonight as heretofore announced. However we will hold the doors open for those whose pledges are delayed and for others yet to pledge. We shall continue the enlistment campaign among the churches of this state until we have tried to carry the weight of joy of the movement to every church.

THINKS BIG DRIVE WILL BE OVER TODAY

NASHVILLE, Tenn., Dec. 6.—If there is fair weather in the south Sunday, the Baptist \$75,000,000 campaign will complete its goal of \$75,000,000 by Monday morning, in the opinion of Dr. R. L. Scarborough, general director. Seven states and two foreign fields are already over by good margins, seven other states are in close striking distance of their goals and extremely unfavorable weather had delayed the drive in the other four states during the past week.

Saturday's returns brought an advance of more than \$2,000,000 from Texas, where the weather has hindered the progress toward the \$15,000,000 goal, and the leaders there and in other states announce they will continue the drive until their aims have been reached. Native Christians of South Brazil have called their drive over the top on their quota of \$450,000, as did those of central China. Every foreign field is expected to complete its drive by Sunday night.

NEWBERRY WILL BE IN COURT TOMORROW

GRAND RAPIDS, Mich., Dec. 6.—Deeds are cleared for the appearance in United States district court here Monday of United States Senator Truman H. Newberry and others indicted with him on charges of fraud, conspiracy and corruption in the Newberry election who have not yet come before Judge C. W. Sessions. Ninety-eight defendants already have been arraigned.

Eighteen of the 125 indicted, including Senator Newberry, are expected to answer charges contained in the second indictment for alleged making and filing of false affidavits with relation to expenses incurred in the election campaign.
