

AUTOMOBILE ACCIDENT RESULTS IN TWO DEATHS

Dock Martin Killed—Bowman Visits Scene and Drops Dead.

HICKORY, Dec. 9.—Dock Martin, a resident of the South Mountain section of Burke county, died early today in a local hospital as a result of an accident on the Central highway in Burke county Sunday afternoon that caused two deaths and injured two other persons. An Oldsmobile, running at a rate variously estimated from 20 to 50 miles an hour, turned over twice, spilling the passengers and almost destroying the car.

Hugh Reinhardt, of Brookford, is in a hospital here half-conscious and Arthur Hefner is nursing a broken collar bone. The machine was driven by Fletcher Holland and was en route, it is said, from Rhodhiss to the Burke mountains.

William Bowman, a well known Burke citizen, died soon after reaching home after he made a visit to the scene of the wreck, and it is thought that excitement caused heart failure. He suffered a stroke of paralysis a year ago. Mr. Bowman was 59 years old in April, is survived by his widow and several children and was an energetic and thrifty farmer.

Hickory is on the political map this week and is the center of activity. Jacob F. Newell, of Charlotte, who was a candidate for the republican nomination for congress, was the speaker here Monday night in the interest of John M. Morehead, and O. Max Gardner, lieutenant governor, is billed for Tuesday night in the interest of Clyde R. Hoey, democratic candidate. Josephus Daniels, secretary of the navy, will speak here Wednesday night, and the occasion of his visit will be more than political. Big crowds have heard all speakers thus far.

Rev. W. R. Bradshaw today announced definitely that the South Fork Baptist association had raised its quota in the Baptist 75-million campaign. It was asked for \$75,000, and has pledged \$77,000, with several churches yet to report. The First church in Hickory pledged \$24,000.

Mr. and Mrs. W. T. Sledge and daughter, Miss Lucy, have gone to Mapleville in response to a message announcing the serious illness of his mother, Mrs. J. H. Sledge. Word reached here today of her death. She had visited here on several occasions and the news will cause sorrow among many friends.

OLD AGE DEFERRED.

"A woman is as old as she looks, and a man is as old as he feels" is a familiar saying that is full of meaning nowadays. Women of all ages dress young, and men are active as long as strength and vitality will permit; but when vitality gets low and elderly people lack energy there is nothing that will increase the appetite, promote sleep, vim and vitality so surely and quickly as Vinol, the red liver and iron tonic without oil. In fact, most druggists have such confidence in it that they sell it on a guarantee. Adv.

Jouett Shouse, former Kansas congressman, now assistant secretary of the U. S. treasury, born in Woodford County, Ky., 40 years ago today.

CATARRHAL DEAFNESS MAY BE OVERCOME
If you have Catarrhal Deafness or are even just a little hard of hearing or have heard noises go to your druggist and get 1 ounce of Parmit (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.
This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing becomes easy and the mucus stops dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone losing hearing or who has Catarrhal Deafness or noisy noises should give this prescription a trial. Adv.

TOLD AN OPERATION WOULD BE ONLY HOPE

Instead of Submitting to Surgeon's Knife, Augusta, Ga., Woman Takes Tanlac, Recovers Health and Gains 15 Pounds.

"I refused to submit to an operation which I was told was my only hope but took Tanlac instead, and I not only recovered my health but gained fifteen pounds besides," said Mrs. J. M. Mays, of 1716 Twelfth street, Augusta, Ga., wife of a well-known wood and coal dealer.

"For over a year," she continued, "I suffered from stomach trouble and other disorders and was gradually growing worse. My head ached terribly most all the time, the pain in my right side was so agonizing that I could hardly stand it and my back ached constantly. My appetite failed and what little I did eat seemed to poison my system and make matters worse. I was so nervous and miserable that I could hardly sleep and so weak and rundown they told me my only hope lay in an operation."

"I decided to try Tanlac first and my improvement was so rapid that it surprised me. These headaches are gone, the pain in my side and back left me, my appetite is fine and I sleep like a child at night. That weak and rundown feeling has disappeared, I feel stronger and better to-day than I have in a long time."

Tanlac is sold by all good druggists. Adv.

LIBERALS' CONFERENCE IS HELD IN ST. LOUIS

ST. LOUIS, Mo., Dec. 9.—The conference of liberals convened as scheduled today after a temporary restraining order had been handed down in the circuit court which would forbid the management of a local hotel from withholding from the liberals the use of its dining hall.

After the order had been issued the management announced that its instructions forbidding the use of the room had been countermanded and it was indicated that the court action probably would be dropped.

The trouble originated when the Kansas City post of the American Legion protested to Mayor Kiel against the holding of the conference.

The first work of the conference was to name the committee on rules, credentials and publications.

Charles F. Hoffman of Florida, was named chairman of the committee.

WHISPERS * * * By Juanita Hamel

THERE are so many different kinds of love—puppy love, and young love (as in love's young dream), near-love, real love and real love, and, oh, so very many others! A girl may ask herself "How am I to know the real true love from all the other loves?" Perhaps the best way is to listen to what the heart replies. If love whispers "I am love—true love, and I will be with you forever and always," and there comes the thought of walking hand in hand through life, of facing the Autumn and the Winter of age with their biting frost of years, with the man still by her side whispering words of love—there can be no mistaking the answer of the HEART.
