

Morganton

MORGANTON, Dec. 27.—On Tuesday at noon, Miss Laura McPherson Tabor was married to Mr. Burr Coley Brock of Winston-Salem.

Just preceding the ceremony, Miss Margaret Brock of Farmington, accompanied on the piano by Miss Mary Louise Tabor, sang "Beloved, It is Morn", after which the strains of the Bridal Chorus from Lohengrin announced the entrance of the bride and groom who came in unattended and were met by Rev. J. B. Tabor father of the bride who united them in marriage, using the beautiful ring ceremony of the Methodist church.

After the ceremony Mr. and Mrs. Brock left for Farmington where they will spend a few days before going to Winston-Salem to make their home. The bride is the daughter of Rev. and Mrs. J. B. Tabor, graduated from Davenport college in 1917. The groom, the son of Mr. and Mrs. E. B. Brock of Farmington, graduated from Carolina in 1915 and since that time has been a member of the Winston bar. His popularity in his native county, Davis, is shown by the fact that he was elected to the state legislature from that county in 1918.

One of the most delightful social affairs of the week was the dinner party given Monday evening by Miss Louise Walton at her lovely old home "Creekside". This colonial home was appropriately adorned with Christmas decorations. The table was lovely with its display of candles, cut glass and silver. Miss Walton's guests were Misses Cameron Pearson, Georgia Riddle, Elizabeth Taylor, Augusta Bristol, Margaret Davis and Laura Claywell.

A surprise marriage occurred Christmas at the home of the bridegroom's sister, Mrs. W. A. Harrison, when Dr. E. B. Davis was married to Miss Marie Ballard. Immediately after the ceremony, which was performed by Rev. C. M. Pickens and witnessed only by members of the family, the young couple went to Hickory where they boarded a train for Charlotte to spend a few days.

The bride is a member of the faculty of the North Carolina School for the Deaf and during her residence here of the past two school years has won numerous friends and admirers. She is bright and vivacious and Morganton social circles will claim her as a charming member. She is a daughter of Mr. and Mrs. John E. Ballard, of Lancaster, Ky.

Dr. Davis is a native of Morganton, the son of Mr. and Mrs. F. P. Davis. The family is one of the most prominent in this section of the state. He has just recently established himself in business here, having purchased Leal's Drug store which he conducts as the Davis Drug company. His ability and integrity give him a place of high esteem in his native town.

The Nonsense club and a large number of invited guests enjoyed a Christmas party Christmas night at the home of Miss Ruth Houk.

REV. THURSTON PRICE LAUDS WORK OF "Y"

Evangelist of the Methodist Church Issues Plea for More Work by Laymen of All Christian Churches.

Rev. Thurston B. Price, general evangelist of the Methodist church, spoke at the Y. M. C. A. yesterday afternoon, using as his subject "Men Who Do Things". At the beginning of his remarks he spoke very highly of the Y. M. C. A. work and workers with whom he had come in contact and stressed the real mission of the Y. M. C. A. in gripping the vitalizing the young life of a community. He was associated in a great meeting with the organization at Columbus, Ohio, and told very interestingly of the work accomplished there during the great Centenary program of the Methodist church.

The speaker emphasized the real work to be done by the laymen in the church. More and more the laymen are coming into their right relationship in the churches of Christ, he said. They must put into the church the real practical business they do into their business houses. The men who really do things today are the men who are inspired by the spirit of God. Mr. Price said that recently a great meeting of the one who presided was a man whose firm made five million dollars during the war and as the evangelists made their reports he always asked, "are you getting results?" Using this as an illustration, the speaker said, men who get results today in the church are the men who have the spirit of God dominant in their lives. The laymen must be dominant Christian men who can see big things for the church of God and then give their lives to the accomplishment of these things. Any man can start something but it takes a real man to follow it to the desired conclusion.

The speaker gave numbers of illustrations from his own experience as an evangelist emphasizing the real meaning of his subject. He urged the young men to take the motto of General Allenby, which was, "It can't possibly be done, but here it is." In closing the speaker pleaded for a concentrated life for the young men of the city. The soloist was Rev. J. O. Ervin, pastor of the Bethel Methodist church.

ADMITS BEST CATARRH REMEDY IS HOME-MADE KIND

Anyone Can Make a Whole Pint for Small Sum—Enough to End Any Ordinary Case of Catarrh.

Kentucky Druggist Warns Catarrh Sufferers to Watch Out for Influenza.

That people who have catarrh are more apt to gather in flu germs than people who are free of this vile disease, is freely admitted by most members of the medical profession.

This is because the raw, inflamed membrane is in such an unhealthy condition that it is not strong enough to withstand the attack of pernicious germs.

All persons who have catarrh or any symptoms of this obnoxious disease will find instant relief and real help by gargling with and snuffing up or spraying the nostrils with a simple remedy that can easily be made at home.

Get three-quarters of an ounce of Mentholized Arcline at any drug store and pour into a pint bottle, then fill the bottle with water that has been boiled.

Now you have a pint of medicine that when used as directed will quickly soothe and heal the sore, tender lining of the nose and throat.

Not only that, but those who have used it state that it speedily stops the discharge and that snuffing, hawking and spitting and will disappear in a few days.

It's worth something for catarrh sufferers to know of Mentholized Arcline, especially when the United States Public Health Service has issued a statement which says: "Probably, but by no means certainly, there will be a recurrence of the influenza epidemic this year." Adv.
