"My window shades always look nice."

Go to your windows now and examine your shades. See if they are specked with those tiny holes and little ragged cracks that do so much to mar the looks of your windows. In shades made of

Brenlin

the long wearing window shade material.

You will find the great fault of the ordinary shade overcome. It is made of a closely woven cloth without that filling of chalk which in the ordinary shade soon cracks and falls out in unsightly streaks and pinholes. Sun won't fade it—nor water spot it. Made in many rich, lustrous tones and in Brenlin Duplex—one color on one side, a different one on the other. Come see it.

Complete Shade Factory on Fourth Floor, in charge of experienced, expert men. Let us solve your shade problems.

FOUR HURT WHEN AUTO RUNS OFF CLIFF

Mr. Benbow, Wife and Children, Injured in Serious Accident Near Hot Springs Yesterday.

When their automobile tumbled down an embankment near Hot Springs last night and lodged 200 feet below, against a tree, a Mr. Benbow, his wife and two small children were seriously injured and would have been left there helpless had not the driver of a passing car heard the cries for help coming up from the ravine. The driver stopped and within a second's survey of the situation returned to Hot Springs for help.

The four people were placed in automobiles and rushed back to the resort where they could be given medical aid. It was ascertained by the physicians that a little girl, apparently about eleven years of age, was the most seriously injured of the party, while Mrs. Benbow was badly bruised. Details concerning the accident and the full names of the parties could not be ascertained owing to the fact that long distance telephone exchange at Marshall and Hot Springs closes at six o'clock. The only information reaching here was brought in by persons who had only heard meager details. The accident occurred about two miles from Hot Springs on the road toward Marshall, at a place considered the most dangerous on the very crooked road.

CARRANZA REMOVES GEN. MURGUIA FROM COMMAND

SAN ANTONIO, Tex., Jan. 1.—Newspapers received here from Atlix, Mex., say that President Carranza of Mexico has ordered the removal of General Francisco Murguia from command of the federal troops in Coahuila and has sent General Manuel Uguiso to relieve him. The removal was ordered, it is said because Murguia failed to engage Villa in battle after the Murguia raid. Those who know Murguia say that he will not relinquish his command.

RHEUMATISM CAUSED BY IMPURE BLOOD

Quick Relief Obtained By the Use of Padgett's Indian Herb Juice.

Rheumatism, as recently ascertained, is due to the presence of poisonous matter in the blood. There is one way to positively relieve this disease and that is to purify the blood and the disease will go. Thousands of people who were sufferers from Rheumatism and kindred diseases have found in Padgett's Indian Herb Juice immediate help and positive relief.

The average persons measure their physical condition by their heart, kidneys or lungs, rarely do they take their stomach into consideration when casting up account of health. If their heart action be weak or their kidneys disordered they run straight to a doctor, but their stomach is never taken into consideration. Anything will do for the stomach. Yet the stomach is to the body what the foundation is to a building, the basis of strength and support. If the stomach is not working properly it impairs the power of every other organ in the body. Ninety per cent. of all diseases can be traced to disorders of the stomach, blood, liver and kidneys.

Padgett's Indian Herb Juice is a purely vegetable preparation made from roots, herbs and bark that work in harmony in cleansing and toning the system and removing the cause of disease. Thousands of southern people have testified that it is unequalled in the treatment of disorders of the blood, stomach, liver and kidneys. Sold and guaranteed by leading druggists everywhere. Advt.

HER SUFFERINGS HAD LASTED FOR 20 YEARS

Alabama Woman Says She Is Now Well and Strong Once More After Tanlac Relieved Her Troubles.

"Tanlac soon proved to be just the right medicine for me, for it soon relieved my rheumatism and other troubles," said Mrs. C. A. Gaudes, wife of a well-known farmer whose home is on R. E. D. No. 2, Adamsville, Ala.

"For twenty long years," she continued, "I suffered from rheumatism and other troubles and was so nervous and restless I could hardly sleep. My appetite failed and I was troubled with indigestion and suffered from constant headaches. I ached with rheumatism night and day, especially in one arm and shoulder. I lost weight and was so weak that the least little work would wear me out. Medicine didn't seem to do me any good and I saw no hope of ever getting any better.

"Some members of my family had been taking Tanlac and were helped by it, so I decided to try it, too. Since taking Tanlac I never feel a sign of rheumatism, my nerves are quiet, headaches are gone and I sleep fine every night. My appetite is splendid. I can eat almost anything I want and nothing hurts me at all. I have gotten my strength back again and it is easy for me to get around and do my work." Tanlac is sold by all leading druggists. Advt.

SECURING TEACHERS FOR COUNTY SCHOOLS

TO ADVOCATE ABOLISHING VA. PROHIBITION OFFICE

ROANOKE, Va., Jan. 1.—Abolition of the office of state commissioner of prohibition as a means of nullifying the dry law will be advocated in the next legislature by Delegate E. P. Buford, of Lawrenceville. Mr. Buford has declared his intention of introducing a bill to abolish the office as soon as the legislature meets on January 14. He was recently elected to the house of delegates after a bitter campaign in which prohibition enforcement was a prominent issue.
