Grand Master Grady Flays Bolshevic Ideas.

To Erect Masonic Temple as Emerson Memorial at Chapel Hill.

(Special to The Citizen.)

RALEIGH. Jan. 20.—The annual address of Grand Master Henry A. Grady, of Clinton, in which many Grady, of Clinton, in which many recommendations for aiding in the rehabilitation of the nation just out of the war, were suggested, was chief feature of the first meeting of the Grand lodge chief feature of the first meeting of the 133rd session of the Grand lodge of North Carolina Masonry here to-night. The grand master thought the Masons of the country were in a po-sition to help in getting the country back to normal, in preventing the spread of bolshevik tendencies and in exerting a steadying influence on the nation in this period of reconstruc-tion.

"The great trouble with the poultry business has always been that the laying life of a hen was too short" says Henry Trafford. International Poultry Expert and Breeder, for nearly eighteen years Editor of Poultry Success.

The average pullet lays 150 eggs. It kept the second year, she may lay 100 more. Then she goes to market. Yet, thas been scientifically established that every pullet is born or hatched with over one thousand minute egg germs in her system—and will lay them on a highly profitable basis over a period of four to six years' time if given proper care. How to work to get 1,000 eggs from every hen; how to make the old hens lay like pullets; how to make the old hens lay like pullets; how to make the old hens lay like pullets; how to keep up heavy egg prositution all through cold winter months when eggs are highest; triple egg production; make stacker hens hustle; 50,00 profit from every hen in six winter menths. These and many other money making poultry secrets are contained in Mr. Trafford's 1,000 egg HEN" system of poultry rating, one copy of which will be sent absolutely free to any reader of this paper who keeps air hens or more.
