Plan Presented Board Whereby Room Could Be Opened.

Mrs. J. P. Coston, representing the Parent-Teachers' association of the Asheland avenue school, yesterday Asheland avenue school, yesterday presented to the city commissioners their plan for obtaining a lunch room for the school. She stated that half a store room on Silver street could be rented for \$15 per month, but it would be necessary to have gas or oil with which to do the cooking. The Asheville Power and Light company would lay the gas pipe to the curbing if the city would carry the curbing if the city would carry it into the building. The matter was taken under advisement by the city commissioners, who will give an answer at an early date. Building permits were granted as

114 EGGS A DAY NOW INSTEAD OF 25 A DAY

That Means About \$105 Extra scome Per Month for Mrs. Ropp.

"I have 200 hens, including late pullets not old enough to lay, and had been getting 25 to 30 eggs a day. Then I tried Don Sung in the feed, and am now getting 107 to 114 eggs a day."

Mrs. Essie B. Ropp. R. R. 2, Littles, Ind.

Mrs. Ropp got this increase of 7 dozen eggs a day in the middle of winter. At 50 cents a dozen, 30 days a month, this makes \$105 extra income a month. The Don Sung for her 200 hens cost her about \$2.50 per month. You can see how well it paid her, and we'll guarantee it will pay you. Here's our offer: Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, tell us and your money will be promptly refunded.

Don Sung (Chinese for egg-laying), works directly on the egg-laying organs, and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her more active in any weather, and starts her laying.

Try Don Sung for 30 days and if it doesn't get you the eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 50 cents for a package by mail prepaid. Burrell-Dugger Co., 284 Columbia Bldg., Indianapolis, Ind.
