

ECONOMY OF TIME SHOULD BE TAUGHT

Great Ship Builder Thinks Weaver and Other Colleges Ought to Take Up This Matter.

That "the economy of time" should be taught in every college in the country, in order that the young man would know how to use every minute of his time, so that he could have time and more of it, in which to rest and get recreation, is the message of Dr. Edward Skinner, millionaire ship builder of Seattle, Wash., a graduate of Western College, who is here on a visit to friends. Mr. Skinner was the principal speaker at a banquet given in his honor Tuesday night by the members of the Clatsop Literary society of the college and it was at this meeting that the great ship builder urged the colleges to take into consideration the value of teaching the economy of time to its students.

AUTO SHOW DRAWING INCREASED INTEREST

Space Allotted the Local Dealers —Orchestra Selected and Announcement of Prize Offerings Made.

With the allotting of space for the exhibits of the cars handed by the 13 local dealers, and with the selection of an orchestra the promoters of the Asheville automobile show, to be held here February 5, 6 and 7, are rapidly completing arrangements for conducting the greatest automobile show ever held in Western North Carolina.

Announcement was made at a meeting of the promoters that a series of prizes, one to be awarded each afternoon and evening would be selected and owing to their value, they are expected to be the center of considerable interest.

A special committee has been appointed and is in charge of the decorations. Elaborate decorations will be used profusely in making of the Millard, Patton, Stikeleather garage, a real automobile show-room. In addition to the general decorations each booth will be especially decorated by the owners of the cars displayed.

COLDS AND SORE THROAT

Nature's Warning of Infection.

Never trifle with a Sore Throat, Cough or Cold. They are all Nature's warnings that infection has seized on the delicate mucous membrane lining of the throat, mouth and nose. Disease germs are at work and must be destroyed at once for they multiply with amazing rapidity. Sometimes a healthy person is able to throw off unaided the multitude of microscopic germs; but think of the needless risks you run!

You have got to apply a remedy quickly for these symptoms are the forerunners of more serious diseases, such as Bronchitis, Croup, Influenza, Croup, Whooping Cough, Scarlet Fever and Diphtheria.

Muco-Solvent is the remedy. It is a pure, harmless vegetable compound and a specific germicide. It stops developments of disease germ life, dissolves all mucous and heals the inflamed parts. It may be swallowed or gargled, used as a spray or douche. Never be without this Household Remedy. A serious attack of many diseases may be prevented by its prompt use.

Get a bottle today of your druggist or write Muco-Solvent Co., Dept. A., Memphis, Tenn. Price 75c and \$1.50.

TESTING MATERIAL FOR COW TESTS SHIPPED

COW TESTING ASSOCIATION RECENTLY FIRMED HERE.

Man To Be Employed to Look After Work in County—Will Help All Dairymen.

Complete equipment and testing material has been shipped to the Asheville office from the Creamery Package company for the Cow Test association, which was formed at the board of trade rooms by the dairymen of the county about three weeks ago.

Advice of shipment came last night from Earle Brintnall, agent in dairying, North Carolina department of agriculture, who attended conferences with the dairymen and visited a number of them in the Asheville district with Farm Agent E. D. Weaver during the latter part of November and December. These associations have been established in various parts of the county where dairying is an industry and in every instance has proven a measure of economy for the cow owners in that the tests applied weed out cows that do not produce enough milk or butter fat to pay their upkeep and afford a profit.

In effect the test association enables the farmer or dairymen to reduce the number of cows, reduce the amount of feed and labor proportionately and at the same time increase the amount of butter fat and profit. The department will announce the name of the official in charge in the next few days.

ASKS FOR GUARDIAN FOR THEIR CHILDREN

Dr. John Roy Williams Wants Appointment of Wife as Guardian of Children Set Aside.

Dr. John Roy Williams, has filed with the clerk of superior court a motion to set aside the appointment of Mrs. Clara S. Williams, as guardian of their two children, and petitions the clerk to appoint the Wachovia Bank and Trust company as guardians of the property. He would allow her to continue to have custody of the children.

Following divorce proceedings Mrs. Williams was awarded the custody of the children and was appointed guardian of several thousand dollars worth of property. Norma Ethel, is about 13 years of age and the second child, Margaret Annie is eleven years old.

In his motion Dr. John Roy Williams alleges that Mrs. Williams is not competent to look after the estate and that some other party should be appointed guardian after the appointment of Mrs. Williams is set aside.

THEATRICAL MAJESTIC THURSDAY.

If there are any slow movements in Milt Frankford's offerings at the Majestic they have certainly not yet come to light. From first to last the bills move with that snappy variety and cleverness that is attached only to high class vaudeville. Theatre goes have been thoroughly pleased with his presentation and have a right to expect the innovations he so bountifully provides.

In the mid week show novelties abound. Featured by the singing of Baby Norine and Smiling George, a small boy and girl whose stage presence is delightful, the entire bill moves at a pace that keeps the audience perpetually guessing as to the next turn. Disappointments are not registered there.

Allit himself as comedian and trick pianist has a good account of himself, ably assisted by Billy Mack, an acrobatic dancer whose turns abound in cleverness. There are other rolling skate clog dancers, no doubt, but it remains a fact that few of this tribe have ever shown in this city greater ability and skill than was demonstrated by Billy Mack at the Majestic.

Lanky Art Newman, known on the boards as six feet of fun, fills a droll part to perfection, his advice to those about to expiate a clever bit of song that registered to good effect.

The offering opens with a well staged tableau with fun and wit sparkling as at an after dinner scene. This opening is quickly followed by the specialty turns, worked in good variety throughout.

RECEPTION IS TENDERED CONFERENCE DELEGATES

Pan-American Delegates Guest of Secretary and Mrs. Lansing.

WASHINGTON, Jan. 21.—Delegates to the Pan-American financial congress completed today their intensive study of mercantile national problems as carried on in group sessions with American business men acting as advisers and tonight they were the guests of Secretary of State and Mrs. Lansing at an official reception at the Pan-American union. The national groups will report tomorrow to the congress as a whole at two general sessions. The national group conferences in a number of cases adopted a plan for the indirectly recommending to American bankers the granting of loans to South American republics.

The Cuban delegation reported unparalleled prosperity within the islands, a favorable trade balance of \$200,000,000 in 1919, and a national budget of expenses less than the total raised by taxation.

A commercial recommendation was decided upon by the Brazilian group, including the elimination of custom taxes on commercial travellers' samples, extension of parcel post, and the establishment of improved communications by wireless and cable.

The Dominican republic committee recommended that negotiations be opened for a \$5,000,000 loan from United States treasury to be secured by a lien on customs revenue, and expended on internal improvements. Developments within the country justify the step, the group asserted.

HUNTERS EXPERIENCE SUCCESSFUL HUNT

Rabbits a-Twice Hard When Quartet of Huntsmen Appeared.

John Drake, Gaither Robeson, Will Cressman and Emmitt Cressman, spent yesterday on a hunt in the Beaverdam section. They were indeed fortunate in locating rabbits and from the number brought back there were some good shots in the crowd.

The hunting party spent a part of the day upon the lands of Walter Haynes, near his dairy farm, and were entertained at dinner at the home of the Messrs. Cressman.

Sir Oliver Lodge, the eminent English scientist, is scheduled to open his American tour with a lecture in New York city tonight on the subject, "The Reality of the Unseen."

MILLIONS NEED PEPTO-MANGAN

In Many Homes Better Health Is Simply a Matter of Better Blood. Pepto-Mangan Improves Blood.

Composed of Approved Blood-Making Elements —Put Up in Liquid and Tablet Form.

Are you tired and weak and "blue"? Do you say to yourself, "What's the use of living? What do I get out of life, dragging through it a miserable existence in this unhappy way?"

You don't feel well and you don't know why you have so little energy to do anything, and you get all tired out before it is done. There are millions in busy America that have such feelings now and then, and they are to be pitied. But there is help. Unless some serious malady is at the bottom of their trouble, a few weeks of Pepto-Mangan will work a wonderful change. Pepto-Mangan puts new vigor into the blood, and the blood is the life fluid. With plenty of rich, red blood coursing through one's body one is pretty likely to feel good and vigorous and is best and look hearty.

Go to your druggist and ask for "Gude's" Pepto-Mangan. Be sure to say "Gude's." If "Gude's" is not on the package it is not Pepto-Mangan. It is put up in both liquid and tablet form. Tell the druggist which you prefer. There is no difference in medicinal value.

EXELENTO FOR KINKY HAIR

Every woman can have nice, long hair. It's just a matter of using your wonderful Exeuento hair pomade.

Don't be fooled by fake kind of hair oil. You can't straighten your hair until you've used Exeuento.

Exeuento is a perfect hair dressing. It's the most effective hair treatment for scalp troubles.

WANT ANOTHER NURSE FOR PUBLIC HEALTH

City Asked for Fourth Nurse—Printers Want High License for Out-of-Town Solicitors.

Urged by a committee consisting of S. Lipinsky, J. E. Rankin and Miss Pearl Weaver, the city commissioners yesterday morning took under advisement the proposition to appropriate \$1,500 a year for the employment of a fourth public health nurse. At present the Asheville Public Health Nursing association is composed of three nurses, including Miss Weaver, who is the supervisor, and the committee members stated that the work has so grown that these three nurses are unable to do all that is asked of them. It is believed that the board will look upon this request with favor.

Local printers, of job printing offices asked the city to place a heavy license on the outside solicitors for job work. The printers claim that many solicitors are coming in here from other towns, whereas the local printers live here and employ local labor and should receive the support of the local merchants.

'LADIES' NIGHT' BY KIWANIANS JAN. 30

Will Be Held at High School—Verne Rhodes to Speak at the Weekly Meeting.

The Kiwanis club will hold their regular weekly meeting Friday at the Langren hotel from one to two o'clock. The attendance prize which is given each week by one of the members who attended the last meeting will be given tomorrow by Robert Moody.

The silent booster prize will be given this week by George A. Digges, Jr. An address will be made by Verne Rhodes, a forester, who has charge of the Pisgah national reserve, on the possibilities of forests and streams of Western North Carolina.

Plans will be made for "Ladies' night" which will be held at the high school building on January 30. This will be a leap year debut party for the members of the club who are unmarried.

PROBABLY IT'S WORMS

Most children have worms, sometimes. Symptoms are lack of color, peevishness, restlessness at night, etc.

Dr. Thacher's Worm Syrup

will go after and get the worms, if worms are there. Harmless; children love it. Old doctor's prescription in use half a century. At your drug store. Made by THACHER MEDICINE CO., Chattanooga, Tenn., U. S. A.

To Relieve Catarrh, Catarrhal Deafness And Head Noises

Persons suffering from catarrhal deafness, or who are growing hard of hearing, and have heard noises will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many cases has effected a permanent relief after other treatments have failed. Sufferers who could scarcely hear have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear. Therefore, if you know of someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you may have the means of saving some relief from suffering periods from total deafness. The prescription can be prepared at home and is made as follows:

Secure from your druggist 1 oz. Pepto-Mangan (Double Strength). Take this home and add to it 1/2 pint of hot water and a little granulated sugar and until dissolved. Take one tablespoonful four times a day.

THAT COLD WON'T BOTHER YOU LONG

Not if you let Dr. Bell's Pine-Tar-Honey help relieve it.

COLD-DISCOMFORT is something no man, woman, or child should be bothered with for any length of time. The pleasant ingredients of Dr. Bell's Pine-Tar-Honey help wonderfully in loosening phlegm and congestion, easing the breathing, and relieving cough, bronchitis, cold inflammation, hoarseness.

The test of time has favored Dr. Bell's Pine-Tar-Honey. It helps speedily, safely, to start a cold-sufferer on the road to normal. No medicine cabinet should be without it.

Dr. Bell's Pine-Tar-Honey

For Coughs and Colds

Costive Children and Growups

Costive children and growups have the system, makes you full, listless, and irritable. Correct it with Dr. Bell's Pine-Tar-Honey. It's a gentle but thoroughly efficient. A tried and worthy remedy. 60c. All Druggists.

THE BUSINESS MEN OF MARSHALL MEET

Co-Operation of Merchants and Farmers Sought in Madison.

E. D. Bowditch, county farm demonstration agent in Madison, has arranged a meeting of the merchants of Marshall for the purpose of acquainting them with the problems of the farmer, and showing the advantages to be gained from the co-operation of the business men of the cities and the farmers of the rural sections. Plans for marketing products, and many items tending to promote the business interests of the entire county will be discussed by those present.

Famous Old Recipe for Cough Syrup

Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations, by using the well-known old recipe for making cough syrup at home. It is simple and cheap but it has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 2 1/2 ounces of Pinex from any druggist, pour it into a pint bottle and add plain granulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying throat tickle and dried cough disappear entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its healing effect on the membranes. Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded.

The Pinex Co., Ft. Wayne, Ind.

Relieve that cold and aching feeling with **PEPSATED ASPIRIN**

the compound tablets of pure aspirin and pepsin that relieves pain, but **Does Not Upset the Stomach.**

Retains all the medicinal properties of aspirin. Contains no narcotics or other dangerous drugs.

Coughs and Colds

Are removed by Vinol, our Cod Liver and Iron Tonic, because it is a constitutional remedy.

Where Can I Find Relief From Itching, Terrifying Eczema?

Question on Lips of Afflicted. There is a harassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source, which is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., which acts by cleansing the blood. Get a bottle to-day, and you will see results from the right treatment. Medical advice free. Address Medical Director, 48 Swift Bldg., Atlanta, Ga.

Maniste, Mich.—"I was in a weak, run-down condition as the result of a chronic cough and cold so that I often had to stay at home from work. Vinol stopped the cough, broke up my cold and built me up when other medicines had failed." — MARGARET DALE.

It's the beef and cod liver peptones, iron and manganese peptonates and hypophosphites contained in Vinol that makes it such a successful remedy for chronic coughs, colds and bronchitis. It is not a palliative like cough syrups, but a remedy of the cause. Try it on our guarantee.

Your money back if it fails.

Simply Worn Out

How Many Women Are Like This?

Can anything be more wearing for women than the ceaseless round of household duties? Oh! the monotony of it all—work and drudge; no time to be sick; tired, ailing, yet cannot stop. There comes a time when something "snaps" and they find themselves "simply worn out," and to make matters worse, have contracted serious feminine disorder which almost always follows the constant overtaking of a woman's strength.

Then they should remember that there is no remedy like **Lydia E. Pinkham's Vegetable Compound**—the experience of these two women establishes that fact:

Cedar Rapids, Ia.—"After the birth of my last child I had such painful spells that would unfit me entirely for my household. I suffered for months and the doctor said that my trouble was organic uterus and I would have to have an operation. That was an awful thing to me, with a young baby and four other children, so one day I thought of Lydia E. Pinkham's Vegetable Compound and how it had helped me years before and I decided to try it again. I took five bottles of Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and since then I have been a well woman, able to take care of my house and family without any trouble or a day's pain. I am ready and thankful to swear by your medicine any time. I am forty-four years old and have not had a day's illness of any kind for three years."

—Mrs. H. KONRIG, 617 Ellis Blvd., Cedar Rapids, Iowa.

Sandusky, Ohio.—"After the birth of my baby I had organic trouble. My doctor said it was caused by too heavy lifting and I would have to have an operation. I would not consent to an operation and let it go for over a year, having my sister do my work for me as I was not able to walk. One day my aunt came to see me and told me about your medicine—said it cured her of the same thing. I took Lydia E. Pinkham's Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and they have cured me. Now I do my own household, washing and ironing and sewing for my family and also do sewing for other people. I still take a bottle of Vegetable Compound every spring for a tonic. I recommend your medicine to others who have troubles similar to mine and you can use my letter if you wish."

—Mrs. PAUL FAYERS, 1325 Stone St., Sandusky, Ohio.
