

# BETTER THAN WHISKEY FOR COLDS AND FLU

**New Elixir, Called Aspirinal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.**

**Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter if Relief Does Not Come Within Two Minutes.**

**Delightful Taste, Immediate Relief, Quick Warm-Up.**

The sensation of the year in the drug trade is Aspirinal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories; tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried.

All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, and the clerk half a dollar for a bottle of Aspirinal and tell him to give you two teaspoonsful with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspirinal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—Adv.

### Parent-Teacher's Association Notes.

"Education is the most sacred concern, indeed, the only hope of a nation."—Galworthy.

The Parent-Teacher associations of the various schools in the city have joined forces and adopted the name for the central organization of "The executive council of Parent-Teachers' associations of Asheville." By so doing, Asheville has linked itself in scholastic matters first with the state and then with the national organizations of this kind.

To this executive council are presented at its meetings, once a month, the problems of the different associations, which cannot be worked out satisfactorily in the local organizations. The help of all the associations is in this way gained for every school in the city, when it is in any particular need. "Constructive Criticism" has been taken informally as the working watchword of this earnest body of citizens which, it is hoped, will soon include the fathers as well as the mothers of all the school children in Asheville.

On Tuesday evening, February 10, a mass meeting is to be held in the auditorium of the high school building for the purpose of illustrating to the public the beneficial results of the work of the Parent-Teachers' associations.

A parade of the children from the 6 A and 6 B grades of every school in the city will be an interesting feature of the program. The address of the evening will be given by Mrs. C. E. Gordon and will be a report of the state meeting of Parent-Teachers' associations, held at Charlotte recently.

February 17 is "Child Welfare Day" and will be fittingly observed by each of the separate Parent-Teachers' associations of the city. The state association has adopted for its own the national motto—"A little child shall lead them."

It is most earnestly desired that the purpose of our Parent-Teacher associations be clearly understood. It is not to undertake a meddlesome interference with teachers, superintendents and school boards, but at

is only constructive, helpful and up-building.

Orange Street. The Parent-Teachers' meeting of Tuesday afternoon at 3:30 o'clock, at Orange street school was held Tuesday afternoon at 3:30 o'clock. A all times to carry on a work which tribute to W. J. Barton was read and a silent prayer by all the members of the association was conducted in appreciation of Mr. Barton's work.

Walton Johnson gave a splendid address to the association on the subject of "Boy Scouts." He discussed the life of a boy in his period of adolescence. Four strong points were: Home, school, church and state.

Work to keep the boy busy; play to keep the boy busy.

Fathers and mothers, interest yourself in the boys at home, at school in his work and in his play. A picture has been given to the Orange street school by the Parent-Teachers' association. The picture hangs in the room for a period of one month, providing that grade has the largest number of mothers attending the mothers' meeting of each month. Last month Miss Mamie Wright's grade won the picture.

This month Miss Josephine Carr's 5 A won the picture. A larger number of lunches during January have been served than in any other month. The lunch room was visited by the mayor and the commissioners, also a committee of ladies of the association. They were well pleased with the lunch room service, food and conduct of the children in the lunch room.

Thrift. There have been \$80 worth of thrift stamps bought since January 5. The home study hour from five to six o'clock is to be kept in trial for another month.

A discussion of the children attending picture shows not suitable for them or unfit for them to see was given much time and thought. The mothers of this association urge that the children not attend too many

**DOYLE WINS VERDICT**  
PHILADELPHIA, Jan. 21.—William T. Doyle, of Portsmouth, Ohio, former baseball scout, won an \$850 verdict against the Philadelphia National league baseball league club in common pleas court here today. Doyle sued for back salary and interest to be due him on a contract with Phillies, which was cancelled by the club when the national "work or fight" order went into effect in August, 1918. Doyle is now with the Milwaukee club.

And James J. Hill knew a thing or two; he said: "If you want to know whether you are destined to be a success or a failure in life, you can easily find out. The test is simple and it is infallible: Are you able to save money? If not, drop out. You will lose. You may think not, but you will lose as sure as you live. The seed of success is not in you."
