FOREIGN EXCHANGE MARKETS NERVOUS

Changes, However, Mainly In Direc tion of Betterment.

NEW YORK, Jan. 29.—Although foreign exchange markets in London and Paris were sgain very much un-settled today, such changes as oc-curred here were mainly in the direc-rection of betterment.

This was due, according to dealers to a heavy offering of the preceding days of the week, especially for local account. Few bankers were inclined to believe, however, that anything like actual readjustment of the situation was in sight.

thing like actual readjustment of the situation was in sight.

The representative of a prominent international banking house was authority for the statement that concerted action to correct existing conditions is contemplated, but the movement, it was added, is not likely to NEW YORK, Jan. 29.—Fear that some persons held at Ellis Island must be released because it will be impossible to prove they were aliens, was expressed at Ellis Island today as the result of recent modifications of immigration regulations by the department of labor. By refusing to tell where he was born, a man arrested on a deportation warrant may be enabled to stay in the country it is feared. Proof of the nativity of aliens in deportation proceedings usually comes from themselves and is difficult to obtain otherwise, it was explained. ment, it was added, is not likely to crystallize unless London offers some-thing more than "passive assistance." Demand bills on London railled from yesterday's low of \$3.49 to \$3.59 % but reacted to 350 % after the close of the market. Francs railled about 20 centimes and Belgian francs also registered slight improvement but the Italian rate hung around yesterday's minimum of 1550 lires to the Amer-ican dollar.

Pressure against Scandinavian was renewed during the day but in that quarter also, final quotations were variably above lowest rates.

recent raids on communists, eight have been freed because there was no proof that they were communists; 225, most of whom refused to answer ACCRUED INTEREST ON EUROPEAN LOANS

225, most of whom refused to answer questions of inspectors, have been released on ball and 304 are left at the island. In addition about 69 who have been ordered deported are on the island their cases not having been completed when the Buford sailed. These include 43 from Detroit WASHINGTON, Jan. 29.—Accrued interest on loans to European countries totals approximately \$325,000,000, according to a table submitted today to the house ways and means committee by the treasury department, which plans to defer collection for a few years, pending reconstruction. ment, which plans to defer collection for a few years, pending reconstruction. Great Britain owes the most interest, the total on loans to that country being \$144,440,837. Interest owed by other countries is: France, \$54,021,749; Italy, \$54,258,589; Russia, \$16,832,662; Beigium, \$11,465,-278; Czecho-Slovakia, \$1,667,083; Serbia, \$917,299; Roumania. \$609,-373, and Liberia, \$548.

VERDICT REACHED IN DETZER'S CASE

ROANOKE, Va., Jan. 29.—Norfolk to Havana steamship service, which was suspended several weeks ago because of the stevedores strike in the Cuban port will be resumed February 10, according to official information received today at the head-quarters here of the Norfolk and Western railway. NEW YORK, Jan. 29.—The courtmartiel of Captain Kari H. Detzer for
alleged cruelties to soldiers of
the American expeditionary forces at
LeMans which began at Governor's Island eight weeks ago enled today.
The officers comprising the court
agreed on a verdict in less than five
minutes but in accordance with military regulations, their decision will
not be announced until it has been
forwarded to the war department in
Washington. quarters here of the Norioik and Western railway.

A communication from the Mer-chants and Miners Transportation company states that the speamer Gre-cian will leave Norfolk for Havana, February 10, followed by the steam-er Ontario. February 20. Sallings then will be conducted every 10 days,

REVOKE THE SALE OF G. AND F. RAILROAD

AUGUSTA. Ga., Jan. 29.—The Georgia and Florida railroad was saved from being acrapped today when a court order was signed revoking the sale of the railroad at public outery to satisfy the holders of \$700,000 receivers' certificates. Local business men, residents along the railroad, which operates from Augusta to Madison, Fla., and bondholders agreed to underwrite the outstanding certificates.

take a small dose of Rheuma once a day.

If you want to dissolve the uric acid poison in your body and drive it out through the natural channels so that you will be free from rheumatism, begin the Rheuma treatment now. It's inexpensive and positively harmiess.

Rheumatism is a powerful disease atrongly enturenched in joints and muscles. In order to conquer it a powerful enemy must be sent against it. Rheuma is the enemy of rheumatism and must quickly give joyful results of \$100,000 insurance because of his failure to sign amount which he had contracted for recommend it.

SHOULD BE PAVED

Valuable Property Near the New Street Has Recently Changed Hands and Big Developments Promised.

Here is a splendid throughfare mountain section of western North placed in the hands of the city, something that means convenience and It is such men as T. L. Gwynn and Here is a splendid throughfare placed in the hands of the city, some thing that means convenience and economy to the average citizen, merchant and even the fourist, in getting to and from town. Instead of laboring up Church street or struggling up Biltmore avenue behind a street car, here would be a short cut, under lideal conditions, for both pedestrians the construction of this mileage and automobiles. Another interest. and automobiles. Another interest-ing possibility would be to use this new street for a parking place for the many machines which already find it impossible to get room in the center of the city.

TO APPOINT A. P. DIGGS **POLICE COURT CLERK**

P. L. Stone to Be Made Night Desk Sergeant-Expect This Action By City Commissioners Today.

It is understood that Alex It is understood that Alex P. Diggs, present desk sergeant at police headquarters, will be made police court clerk with rank of lieutenant to succeed Hugh Sowers, resigned, when the city commissioners meet this morning. Also it is understood that P. L. Stone will succeed Sergeant Diggs at the desk. Lieutenant Sowers resigned some time ago, his resignation to take effect February 1, and gave as his reason that he would enter private business.

Mr. Sowers has since accepted a position with the J. D. Earle Feed company, of this city, as office man-

at headquarters for some time and during his service in this capacity has made an efficient and capable officer, according to the information given out by his superior officers, and his name was prominently mentioned as Mr. Sowers' successor the day the latter offered his resignation. Mr. Stone has been connected with the department for several months and has a record as an efficient officer.

The police officials are said to have heartly endorsed the promotion of for intoxicating beverages. Mr. Diggs has been deak sergeant at headquarters for some time and during his service in this capacity has

BELIEVE COXE STREET OTHER DELEGATES TO **ROAD MEETING NAMED**

Swain, Haywood and Cherokee Men Named to Attend Meeting of Southern Appalachian Convention.

The recent action of several of Asheville's progressive business men in acquiring property on the west of Patton avenue, below the post-toffice, indicates that the time has finally arrived when the merchants of Asheville realize that the shopping district of the city must be extended. In the opinion of even the most conservative, Asheville is just beginning to start on its real growth toward being a sure enough city.

Among important things which mean much for the Patton avenue section is the matter of paving the convention by President Williams, Mr. Gwynn is on the board of county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners of Haywood county and also a member of the executive commissioners o

the 284 miles of federal aid project in western North Carolina during the past year. With the completion of the construction of this mileage and additional projects now under consideration, western North Carolina bids fair to become the Mecca for tourists throughout the entire country who will be enabled to see these marvelous mountains over its net-work of matchiess highways.

AIR DEPARTMENT BILL IS ALTERED

WASHINGTON, Jan. 29.—The new independent air department bill suffered its first serious alteration in fered its first serious alteration in the senate today, when the proposal to make the director of the service a cabinet officer was eliminated on motion of Senator Smoot, republican, of Utah. A second amendment by the Utah senator, reducing the director's salary from \$12,000 to \$8,000 a year failed of action for lack of a quorum.

of a quorum.

Shrap opposition to the bill developed during the debate. Senator Borah, republican, Idaho, contended it would increase air service expenit would increase air service expenditures and Senator Gerry, democrat. Rhode Island, asserted that it would foster red tape, while Chairman Wadsworth, of the military committee which reported the measure, argued that it would increase efficiency and cut expenditures from \$50,000,000 to \$60,000,000 a year on the sep-

SEIZE THREE MORE "KITCHEN STILLS"

The police officials are said to have heartly endorsed the promotion of both Messrs. Diggs and Stone, while three more of the home made moon-friends in the city have joined in shine plants today. One of them with the support of the two in their applications for the promotion.

The 180 federal agents who are now engaged in searching the city for intoxicating beverages seized three more of the home made moon-shine plants today. One of them was in full operation on a kitchen gas stove.
